Details:

The 2013 College Fair is scheduled to begin at 4:00pm (undergraduate) and 5:30 pm (graduate). However, it is likely that you will have a mix of students at your table during the entire time. The intended closing time is 7:00pm. Plan to arrive by 3:00pm. If taking a taxi, tell the driver to take you to the ITVET on Freetown Road.

There will likely be 200 – 300 students present, with the majority being undergraduate. Be prepared to answer questions about what type of financial aid (if any) you offer to Belizean students.

You will be provided a 5-foot table with a sign containing your university name. You may wish to bring your university nametag. Electricity is available if you wish to bring a computer. There is no wireless access. Mosquitoes can be a problem at dusk (and we will be outdoors). Lightweight slacks or plenty of repellent is advised. A light snack and punch or water will be provided midway through the event.
