College Presents Annual May Day Fete

Monday Performance To Open Artist Series for This Year

Sigurd Spaeth Will Be Fourth and Last of Series

Dr. Sigurd Spaeth, radio’s “Tune Detective,” and one of America’s most popular speakers and writers on music, will appear Monday eve., May 4, at the Emory Junior Auditorium. He will play, sing and lecture on music from the classics to the most popular tunes.

Dr. Spaeth is being presented by the Junior Chamber of Commerce of Valdosta and the Georgia State Teachers College as the fourth and last of the artist series for this school year.

As the “Tune Detective,” author of popular books on understanding music, writer for various newspapers and magazines, radio lecturer and motion pictures, and a stage personality of the first order, Mr. Spaeth is today one of the best-known figures before the American public.

He is the president of the American Association of Composers and (Continued on Page Four)

Athletic Presidents Attend Meet at Milledgeville

“None nightriding for G. S. W. C. seniors,” say the Athletic Association presidents, Margaret Hudson and Mary Phillips. Ten days after dark from the G. A. F. C. W. convention April 23, 24 and 25 at Milledgeville. The girls also say that of the thirteen Georgia colleges represented, our Athletic Association is far superior in most plans for interest to the majority.

The conference this year, presided over by Kathleen Roberts of G. S. W., reorganized the plans for executive and elected a council of three to carry out business matters in the Federation; a constitution was also adopted by Clara Louise Driskell, president of the Student government Association held last evening.

Conversing the plans for the swimming pool, Miss Gay B. Shepperson, of Agnes Scott college was elected president of the conference to be held next year at the University of Georgia.

The entertainment included a dinner on Thursday night, picnic Friday afternoon, picture party Friday night, sightseeing Saturday afternoon and tea afterwards with Mrs. Wooten, and a formal dance Saturday night.

An official report of the meeting will be given to the Phi Kappa and Phi Lambda Associations next week.

Calendary of May 2-9

Sunday afternoon — 4:30-6:30 Math, Science club tea in Rotunda.
Wednesday — 10:45, 11:15 — Chapel; 7:30 — Philharmonic club meeting.
Thursday — 7:30, Vesper;
Friday — A. A. U. W. meeting in Thomasville.

Eloise Ogletree Attends Meet in Colorado

Miss Eloise Ogletree of Savannah, Y. W. C. A. president for next year, left on Monday for Colorado Springs, Colorado, to represent our school at a National Y. W. C. A. conference. She is one of three delegates from Georgia schools.

During the conference, the chief topics to be discussed will be technical questions on guiding “Y” buildings and on keeping up interest. Other subjects will include, Program Building, War, Peace and the Bible.

Plans for New Buildings Are Progressing

Dr. Frank R. Reade has announced that plans for the new dormitory may be approved by the P. W. A. and bids will be let in Dr. Reade’s office on Monday afternoon, May 18.

The building program at present consists of a plan for a dormitory to be built in line with Ashley and Converse halls, at the north end of Ashley hall.

Concerning the plans for the swimming pool, Miss Gay B. Shepperson, head of the Georgia W. P. A. Administration, states that she is hopeful of the appropriation of additional funds for building programs of this kind after June 15.

Should these funds be appropriated the Student government Womas College will be ready to submit its plan for a pool.

The present plan is to have these buildings ready for use when the school opens in September.

President of S. G. A. Is Installed

Emma Ambos Took Over Office Last evening

The program of the Student Government Association held last evening at 7:30 in the Rotunda was devoted to the installation of Emma Ambos of Savannah, the recently elected president for the year 1936-1937.

She succeeds Mildred Turnbull of Moultrie.

Mildred Turnbull, after a short speech, took off the cap which signified the office and returned it to Miss Hopper, the dean of women.

Miss Hopper placed the cap on the head of Emma Ambos, who then took the oath of office.

Miss Ambos is at present a junior student of the University of Georgia.

Students wish the co-operation of the student body in keeping the campus clean, and that the students in their work be worthy of the new privileges and improvements that have been made this year through the co-operation of the students and Mildred Turnbull.

The meeting closed with the singing of Alma Mater.
GREETINGS!

We're glad to see you here!

For many years May Day Festivals have been man's tribute to the glorious season--Spring. It is at this time that we plant and sow in an excitement of the abundant harvester of the Thanksgiving season.

Since the beginning of May Day festivals on this campus the idea of May Day has been combined with the idea of Play Day. Play Day is G. W. C.'s tribute to its visitors and friends. We want you to enjoy our games and dances, and share our joys. Your being with us May Day, Play is our spring season. If you take some of our ideas away with you, if we can introduce you to new games and new things about old games so that you may use them in the future, then that will be our harvest. If you take these things and pass them to someone else, then you will become a definite link in our cycle of May Day, Play Day. We're glad to see you here!

—Lorene Johnson.

NATIONAL MUSIC WEEK

Next week is National Music Week. In all progressive, cultural communities it is observed with concerts given by both local talent and guest artists, special programs and talks on the meaning and value of such special observances in the schools, over the radio and in periodicals.

Our college was indeed fortunate in being able to bring to this community such a popular and talented figure in the musical world as is Sigmund Spaeth, who is the last American to be honored by the American Federation of Musicians. Mr. Spaeth is a well-known author and composer, and has written many songs and hymns that are still popular today. He is also a splendid pianist and conductor, and has published many works for the piano. His music is known throughout the world, and he has received many awards for his compositions. His visit to our college was a great honor, and it was a pleasure to have him here to share his knowledge and experience with us.

Wednesday evening the Philharmonic club is presenting a special program in the Rotunda, to which the public is invited. National Music Week is the time set aside by lovers of music in which special emphasis is laid on the great music of the world and an effort is made by the people of this country to make their music known to the world. Music touches the lives of all of us in one way or another, and we should all show our interest and appreciation for the contributions of the masters to the world's store of beautiful music.

Dr. Punke Writes Book
On Law and Schools

Dr. Harold Punke, professor of education at G. S. W. C., has published a new book dealing with digest of common law regarding public school property. The Courts and School Property. In this book, Dr. Punke presents a digest of court decisions from the different states regarding the acquisition, holding, use, and disposition of property intended for public purposes.

The digest presented involved a canvas of approximately 1,000 cases which have come before supreme courts or other highest courts of jurisprudence of the different states. The book carries an introduction by Professor Newton Edwards of the University of Chicago. It appeared about a week ago and is published by University of Chicago Press.

The student body of the G. S. W. C. is always welcome at our store. Visit with us.
