"Have anybody seen Claude?" is the wall of Lily Clare and Miss Virginia Baker. Just a week or so ago, she says, they were" getting attention and we're getting just as anxious to see him. If anyone..."-orally. It's a joke, of course.

The Fleet was in last weekend for Dee Dee Inc., blowing in from Jacksonville was her man Allen. What a time. And speaking of the Fleet, "I have been ever so kind in giving you the chance with one of the sailors herself. How these fresh do get around.

Foster Burns is "frolicking high" these days with a brand new girlfriend. And of course, she seems to have her Sigi off. Off the right foot too. Judy Land seems to think that she doesn't stand a chance with "Miss V." if you're going to give her opportunity, your chance to "sweet talk" will be coming his way before he leaves home.

Familiar faces on campus this week-end are Bobby Edinficld and "Stinkin'" Sturck. "Nice to see you, gals.

Did anyone fail to see Laura Helen's handsome face Monday, as she drove by with the President? Do you really mean it this time, Downs?

Another pet peeve of work "Rachy" says that and all David says is that "he's missed her smiling face." What more could he say?

Three new tennis stars, Althea Tyre, Peggy Wood, and Ann Mosley, were keeping up with Cadets from Moody Sunday. (Some of these things men can do).

Dottie Davis is that gal whose motto is "Variety is the spice of life." She doesn't stick to one boy, but gives them all a thrill. Where do you get them, Dot?

P. S. Who is the Terror? Seems he's been calling up Senior Hall recently.

The meeting was then called to order and the evening was spent in Bible discussion, followed by a ball game in the moonlight.

Cecil Thompson, and Aliss Helen, the girls had Bible discussions around the campfire. Mr. Thompson served a delicious spaghetti supper to the group. Henry Kater, chairman of the drive, stated, in the New York Times that it was Mr. Roosevelt's request to the Congress on the United Nations Relief and Rehabilitation Administration that first made the nation conscious of the clothing overseas. He quoted a letter from the former president written on Jan. 27, as follows:

"My recent report on the UNRRA revealed that as many war victims have died from exposure and lack of adequate clothing, have died from starvation. This problem of securing clothing for those who need it..." needs high in urgency. I feel assured that this appeal will receive "the traditionally generous response of the American people."

Flash!—Tennis practices will definitely be held every Wednesday afternoon from 1:30-5:35. Ben Willis and "Tag" Wilkin will be on hand to help anyone who is interested in improving their strokes.

We now have a new golf champion!—Jean Martin shot a long put on the Country Club Saturday and tied Alvin Alcorn in a contest of chipping away.

The swimming team is coming along just fine but surely there are others who like to swim and could add something to the team. Won't you come out, even if you aren't wonderful swimmers?

Archery continues as usual every Saturday morning at 11:15 under the able direction of "Buzzy" Roberts.

ATTENTION!!! Anyone interested in going to West End Chapel on Sunday afternoon to play with them and please see Nell Kennedy. More about this project of the Sports Club will come later.

Plans are being made to have a golf tournament at the Country Club sometime this year. If things go as planned all who are interested in watching the tournament will bike out on Saturday morning. A picnic lunch will be carried and there are hopes that we can get the use of the swimming pool. As soon as it is all worked out, complete plans will be announced.

It still isn't too late to get in your needed second team in softball if you will come out. There are two more must games to be played yet and both teams can use some more players.

UPPERCLASSMEN TAKE FRESHMEN IN SOFTBALL GAME

The Freshman-Upperclassman game was a certain walk away for the Upperclassmen. Not once did a fresh cross the platter for a run but many were at the plate that played over for seven runs.

Lupe and Kidder's players got off to a bad start in the first inning when the team of Dot Hinton and Townsend kept them under cover to put the most three up, three down. Then the upperclassmen took advantage of the well-placed balls and a few errors to score three more and add one with three left on base.

At the beginning of the second inning, thanks for the good pitching, the freshmen did only to be caught off base when J. Bowles was out at first. The freshmen went down again with three left on base.

In the third inning the upperclassmen went on a spree to get Reynolds and Smith for a score of four runs and added two more to make the final score 17-0 in favor of the upperclassmen. Brunson and Baldwin caught some beautiful flies for the upperclassmen and Ann King did all right for the freshmen.

Grantham and Baldwin tied for high score with three runs each. Some nice thongs of the foot-throwing went to a bad start in the first inning when the team of Dot Hinton and Townsend kept them under cover to put the most three up, three down.

Tie Freshman-Upperclassman game it should be a hot game.
