Halloween Carnival Tonight At 7:30

Six Chosen for "Who's Who" from This Year's Senior Class

Six GSWC Seniors have been elected to the 1948-1949 "Who's Who Among American Universities and Colleges." They are Miss Doris Bateman, Charlotte Bowen, Mary Elmore Crea, Carolyn Mathis, Betty Jean Smith, and Doris Bateman.

"Who's Who Among Students in American Universities and Colleges" is a national publication in which the biographies of outstanding students of the United States are listed. The persons named for this honor are selected on the basis of character, scholarship, and leadership in extra-curricular activities.

Selection of Committee

The following method of selection was used: a committee of six, including three faculty members and three students, met with a list of the members of the Senior Class, each was asked to mark fifteen of the most outstanding seniors. The tallies were added up, and a slate of fifteen candidates with the highest number of votes was made. At the second meeting each member was given the names, campus activities and honors, and academic point ratings of the fifteen candidates. They were asked to study the records of each student which number 1 through 25 according to their qualifications. The members marking each name were added and the six candidates with the highest totals were nominated.

Active in "x"

During her college years, Miss Doris Bateman has been a member of the Dixie, Romance Language Club, Dance Club, Philharmonic Club, Dance Club, Methodist Youth Organization, Glee Club, and Serenaders. Miss Bateman has been active in the work of the YWCA, Miss Bateman has been president of the GSWC for two years, and on the Sophomore Council, last year she was vice-president, this year she is president. Miss Bateman is a member of the ECA Committee and is Secretary of the Campus Canopy editorial staff. She is also a member of the ECA Committee and is vice-president of the IRC. Miss Bowen is in the History Major and English Minor, Editor of Campus Canopy.

Miss Bowen, has, through the years, been a member of the SGA, YWCA, Sports Club, a member of the Campus Canopy editorial staff, the Pine Cone editorial staff, the Freshman and Senior High Societies, the Valdosta College (as a member of the campus Canopy), Romance Language Club, Dance Club, and Methodist Youth Organization.

This year Miss Bowen is President of the Sock and Buskin Club, is also a member of the Romance Language Club, Dance Club, and the Romance Club. She is also a member of the ECA Committee and is vice-president of the IRC. Miss Bowen is in the History Major and English Minor, Editor of Campus Canopy.

Miss Crea, present Editor-in-Chief of the Campus Canopy, is a member of the Student Government Association and Student Council.

The Doctor's Corner

The fall cold is brewing ahead and we wish that we had a cure. We have not, but many things can be done to prevent it.

First: more rest, more liquid intake, as water, fruit juice or cocoa, and less carbonated and diet, only for one day is best.

Second: Coughs are various types of colds which help, and nose drops open up the air passages.

Third: A cold vaccine is sometimes helpful.

Fourth: omit swimming for the first two or three days (the stage of bacterial invasion).

The second announcement is that the Health Service has on hand fresh typhoid vaccine for those who need their "annual" or for those who have never taken the course of three injections, the course should be taken.

The third announcement is in regard to corbies: they may be left in the frigidaire in the dispensary part of the Health Service. They then from the box placed in the lower part, as vaccines are on the upper shelves, and the owner will use care not in leaving the door open and in disposing of the ice through.

Beginning their Sunday afternoon performance, Mr. soda will present a program at the Colony Monday morning at ten thirty, and in the auditorium.

Gulliver Speaks At Assembly

"Only one man left in the United States believes that Harry Truman will be elected president next week and that's Harry Truman!"

With this humorous statement, Dr. Samuel Gulliver, professor of English, began a talk on Presidential Personalities Wednesday, October 27, to a group of students gathered in the University of Georgia. Be coming, Mr. Hodgson will present a lecture on "Who's Who Among American Universities and Colleges," and a program here at the College Monday morning at ten thirty in the auditorium.

"To become president of the United States," Dr. Gulliver went on to say, "shouldn't be born a girl, because there have been no women presidents. I think it's better for a boy to be born in Georgia, but in Virginia, Ohio, or New York. In fact, you have a better chance of being elected president if you are governor of your state.

In his talk, Dr. Gulliver briefly summarized the presidential terms summarizing the presidential terms of such former presidents as Harding, Hoover, Wilson, and Theodore Roosevelt. Recalling the interest of the Army and Navy, Dr. Gulliver stated that an interest in the defense of the United States should be kept alive for "if Stalin wants force, then force shall get.

The opening of Franklin D. Roosevelt, Dr. Gulliver said, "if you were to take Alfred Landon, Wendell Willkie, Thomas Dewey, and Woodrow Wilson and mix them up together, you still couldn't get one Franklin Roosevelt!"

Shutting his talk, Dr. Gulliver pointed out that no matter who was between Carnivals, the American people would still go on doing the same things and living in the same way.

The Trading Post

Athena, Ala. (ACP) "What about your study habits?" asks the writer of a featum for the "Crows Nest" of Athens College. He lists this as one of the important points writers write in every year. When he has written it, he feels that he has done the student a favor. "What if they don't pay me?" he wonders. In answer to this question, he says, "Well, you could ask for your money back, but that isn't the reason, you simply FORGOT.

House in the Woods

Construction of a country club began on the activities building to be called the House in the Woods, II. The materials were in the form of a very suitable acre campus and material from the old House in the Woods. Annual Carnival

Lights were blazing down on some of the campus on the Sunday when the '29 Sophomores pulled the switch on the annual carnival. Fortune tellers, cake walks, House of Horrors, and side shows were a part of the program. Everything was wrapped up at "Jookin' in the Gym." Mud was everywhere.

The radio program of the invasion of the people of Mars in November was supposed to be all over the campus. The news of people screaming and running by was very funny, but under the costumes gas and machine guns had girls running up and down the campus calling for their mothers and Miss Hopper. Everyone finally quiet down by the time all the lines were used. The news was only fiction.

Fire alarms were put in all dormitories as a result of an editorial which said:

Dance

There was a house dance to last until the late hour of eleven and prizes were given for the best waiters. Everyone danced and enjoyed himself.

When asked what she thought about Valentine's Day, Freshman replied, "It's swell knitting weather." Outfitting for Spring

Freshmen Carolyn Mathis liked the book review. By ANN SMITH

One afternoon, after a few free minutes so I decided I would ease the strain my poor mind had been under by reading a novel.

About the first sight that greetet

In the hands of the people entitled "It's Greek To Me." Sounded different at least, so I picked it up and read it. In my eyes it had more to do with the idea of giving a fellow Georgian. The author has the reputation for writing books that will make you almost "bust" the seams with laughter. Being a naturally curious person I decided to find out why this was so. It was because it was so funny that I was getting what I expected. This is what I found there; the author relates experiences of a trip made to Greece and the author of the book is a government official. It is gay and funny, and I hope the lightness will be detected a sad and rather serious note. She wittily casts off on Communism by telling of the difficulties incurred in trying to procure a passport for the "Iron Curtain." Through her you see the way the White House, with its busy people, is the real friend of the people living in the streets to the guerrilla fighter in the jungles of Asia.

I read the book and found that the author had exactly qualified the book.

To the first question the majority answered "Yes." Being a naturally curious person I decided to find out why this was so. It was because it was so funny that I was getting what I expected. Freshman dormitory representatives for Sports Council will soon be chosen. We are looking to find girls, one from each Lambda that are really interested in seeing how sports programs of G, S. W. C. is a success this year. Be on your toes if you have any suggestions give them to Morris Smith.

Look out Freshmen, here comes Rat Day. Better watch your steps and act like the perfect little angels, because that is one day the upperclassmen will get revenge.

Lambdas Tramp
Kappas 4-0

Bringing up the rear on the match games slate was the spunky little sister team of the upperclassmen—Kappas. The technique and team work of the latter organization and the finaf gun, the Rods showed outstanding ability over the less experienced Purples.

Kappas Snag 38 to 22 Victory

Wednesday, October 27, the 1948 edition of the Kappa volleyball team led by an alert fresh contingent against the Purples to win the first match game of the year 38 to 22.

From the opening minute until the final gun, the Rods showed superior organization and form which proved too much for the less experienced Purples.

Among the most noticeable of the Kappas were Betty Jo Minus, Dot "single wing" Crowe, "Rimpie" Simpson, and Jean Elton.

Big guns for the Lambdas included Eunice Kenny, Ellen Odam, Alumna Trombley, Betty Waters, and Jackie Sikes.
