V.S.C. Represented At Workshop

In Milledgeville

The Home Economics Club was well represented at the Georgia Home Economics Annual Workshop which was held at Valdosta State College.

The workshop was held in Milledgeville on October 21 and 22. The delegates from this school were Bobbi Joe, Barbara Howell, and Sara Weems, advisors to the Home Ec. Club.

The theme of the workshop was "Planning the Sphere of Home Economics." In addition to the regular scheduled meetings, the delegates reported that they were entertained with a tour of Milledgeville, art exhibits, teas and banquets.

One of the meetings which was found to be most helpful was the Committee Meeting. There were various committee meetings which offered many helpful suggestions. They were all concerned with the work of the Home Ec. Clubs with their work.

The guest speaker for the occasion was Mrs. Pearl G. Brown, Georgia Home Economics Association president.

The VBC delegation gathered a wealth of information which they hope to put into action here on campus.

Hither and You

To the soft and melodious strains of "Going Home" the freshmen announced to the world that they were doing just that—going home for the first time of their college careers. This was proved that freshman orientation week is over. Those who never were here to receive cards approved, no more having to go to town in pairs and such things. This was an event which was very significant for the freshmen. The next stepping-stone is the future, there is another important event. This is a serious problem in the mind of everyone. Possibly some of the students need to concentrate more of their effort on work. The main idea of the average college audience is to come to assembly with plans other than paying attention on their minds. A glance around our auditorium during assembly is sufficient evidence of this fact.

Excerpts from the November 1, 1940 issue of the Campus Canopy

In the early days of S.G.A. if one were lucky enough to receive a box from home, this box must not contain meats of any kind and must at all times be kept in the box office in the hall except immediately after meal.

Another ancient rule was the requirement that each student bring her own silverware, and spoon to each meal. Imagine the horrors of arriving at dinner practically starved, only to remember that you had forgotten to bring your silver to the college. Incidentally, the accounts for our present conglomeration of 11,000 students turned kindhearted and donated their silver to the college so future enrollment-increasers will not find themselves in the above predicament.

Evidence of the fact that the Seniors have been very busy working on the Halloween Carnival was shown by the number of men students who were present. There was a rush of interest in it. One of the signs in front of the box office (Whatever became of it?) was McK cellused for shopping on their minds. A glance around the box office (Whatever became of it?) seems to indicate that it just wasn't long enough. With this in mind everyone is looking forward to the next program and the sending out of grades in all courses.

Guy those grades which are C—or below are "sent out". This is to give parents and students a warning that the work being done is not good enough. This will give you an opportunity to see in which subjects you need to concentrate more of your effort. The only unfavorable comment which has been heard recently concerning the new Student Service program was that it just wasn't long enough. With this in mind everyone is looking forward to the next program and the sending out of grades in all courses.

An Explanation

It seems that an explanation concerning the Campus Canary is due. The time for the Canary to be issued was last Saturday, October 21.

A conflict had arisen because the company which printed the Campus Canary had to destroy the entire run of it. Miss Fink spoke. At the first of the year the Canary was printed regularly and the staff had planned to have a paper also. Since both papers are bi-weekly a conflict developed.

For this reason the staff of the Canary decided it would help straighten out the situation if the date for issuance of the Canary was delayed. This is why the Canary is a week late.

If Senior Haii has a quarantine...it may...be attributed to Senior Haii being the only member of her class who has had to go to the hospital. She had been sewing on a project for a few days and was quite ill.

Romance Language
Club Adopts
French Club

The Romance Language Club, which was reactivated last year by Dr. Trenam and Irene Wilson, issued bids this week to eleven new language students.

The club is a small organization at V.S.C. composed of members who are either students of French or Spanish or those who are interested in the languanges and the countries from which they come. One of the main purposes of the club is to stimulate interest among the students about our foreign neighbors.

The club believes that the club boasts of the support of a little French girl who had to kill herself. She was killed in the war, leaving her mother to care for and educate her. The interest and the help of the students about our foreign neighbors.

This year's officers are Ann TRENAM, president, Rebekah Cul­ breth, vice-president; Sue McClean, secretary-treasurer.

Sophomore Class Sponsored Dance
By MARY ANN DYKES

The dining hall of V.S.C. was transferred into the "Magnolia Room" of a fashionable night club Saturday night when the Sophomore Class sponsored an informal dance. Silk top hats, velvet gloves and pink champagne glasses topped with bubble gum were served to walls. Giant cigarettes with matching lips gave the atmosphere of sophistication.

The floor show consisted of an assortment of talents. Mary "Peggy" Lee, the well-known blues singer, the famous dance team, Lanie and Ann, "Tallahas" Ford and "Charles Boyer" Hackett, Bettye "Nadine Conner" Jackson and her accompanist, Rebekah, all on stage to engagements in New York were so grateful to share their talents. And of course the famous Mistress of Ceremonies, Jackie Mathis, was heartily welcomed. Billy Rose sent four of his lovely cigarette girls, Betty Jan, Peggy, Betty Grace, and Martha to add just the right touch. And to bring back the "Roaring Twenties" era were Jackie, Marianne, and Jane, the Ukulele trio.

Chaperones for the occasion were Miss Gunter, Mr. and Mrs. Spears, and Mr. and Mrs. Babcock.

The Sophomores wish to thank everyone for their wonderful spirit of cooperation and enthusiasm.
