MERRY CHRISTMAS TO ALL

And a Happy New Year
From The Canopy Staff

VALDOSTA STATE'S NEW CHEERLEADERS—Jo Ann Daniels, Janie Tillie, Frances Garbutt, Pendleton, Judy Davis, and Georgia Wolfe.

The Christmas Story

And there were in the same country, children keeping watch over stockings by night. And lo, the spirit of Christmas came upon them, and the gladness was upon them. And the spirit said unto them, Fear not; for, behold I bring things of great joy, which shall be for you. For unto you this day shall make you glad. And this is a sign unto you: Ye shall find the presents wrapped in paper, lying beneath a tree. And this is the clue that leads and friends praising you and saying, Thank you so much, a job that I wanted.

But what is the real meaning of the Christmas story, or is it that we are beginning to read into it? It states that Christ was to bring peace. It is Christmas—not Gift-mas. Let us find the sign and give Christ back His day.

Hanging of the Greens

Every year at Valdosta State College a traditional event takes place. The Sophomore class has decorated the Christmas tree the senior class has a program and the decorations are put up. This tradition is called the "Hanging of the Greens" in the rotunda of Ashley Hall.

This year a very impressive ceremony took place. The girls of the Sophomore class, dressed in similar evening gowns, hung the greens. Afterwards Barbara Crew read the Christmas Story from the book of Luke. The closing prayer was given by Nancy Howell. Through the ceremony, Merle Bower accompanied on the piano.

The greens will remain hung until the holidays, Everyone is invited to go by and see them at Ashley Hall.

Strictly For The Girls

Now I guess some of you are wondering what is this thing that leaves out the boys but is just for the girls. You may have heard of anything that is any good at all that leaves out the boys and is just for the girls. Well, let me tell you this is just the thing for you girls. You will have to get on the band wagon. Here goes! Valdosta State College will be having a Christmas Ball this year. Don't forget these dates: February 7, 8, and 9. I'm sure that all of you will be looking forward to this event.

The Fire-Lighting

On Thursday, November 18, at 6:30 Mr. V. L. Daughtery, President of the Student Body, lit the fire in the Rotunda for the Fire-Lighting Service. At the beginning of this school year the Student Council voted to again have an election and settle the team name for the first time. This was composed of the best blood for the Student Government Council and that in counting the ballots, the students voted on with REBELS the winner. The only school in the state with a basketball team without a name and a gym that could not be used. This was the Senior class, dressed in similar evening gowns, hung the greens. Afterwards Barbara Crew read the Christmas Story from the book of Luke. The closing prayer was given by Nancy Howell. Through the ceremony, Merle Bower accompanied on the piano.

From The Editor's Notes

"Christmas comes but once a year but when it comes it brings good cheer. Yes, Christmas, the best good cheer is all around us again. Once more we can enjoy the Christmas spirit, which makes it one of the best public holidays of them all. To me, Christmas has been the year because I can enjoy the fellowship of the family in a way that comes only with the Yule season."

"We remember the first Christmas you had? I can't remember the first, but the third Christmas was a memorable one. I remember the first time I saw a Christmas tree and I put our first electric train. As young as I was, it actually seemed to be a gift, but the best Christmas of them all. Have you ever thought that the best Christmas of all time? That the times that Christmas came to see you better than Christmas now? I remember all the guns and scooters too, but wasn't that all Christmas meant to us then? Was not Christmas just the season of good cheer, is w..."

The Brewton-Parker "Barons" staged an all-out war against the V. S. C. "Rebels" over the past weekend by dropping the local five in both contests 84-59 and 60-53. The former game was played at Brewton Parker last Saturday night with a return game Monday night in a sold out gym.

The "Barons" list half surge brought them from a 30-11 deficit at half time to a commanding lead midway through the third quarter. The first half was a different story with the "Barons" dominating play from the very start. Off to a good start at the whistle, V. S. C. started like a breeze and it looked as though the "Barons" were in for a rough night. With Barney Purvis hitting 27 for top honors of the night and points contributed by Jesse and Bill Long, the "Rebels" really gave the "Barons" a rough time. Brewton-Parker had the height advantage averaging about 6' 3" compared to the 6' 0" average of the V. S. C. five.

Monday night at the V. S. C. gym, it was a little different story with the Rebels finally coming out a 2-point deficit of the score by only 7 points 60-53. It was a nip and tuck affair all the way with V. S. C. getting the best of the game in the second half and taking the lead all through the game.

Before closing out this week, I would like to say that the school spirit is certainly promising and I can assure you that the "Rebels" appreciate this fact. Keep up the good work everyone.

Barney Purvis, "Rebel" center, was the high man for the night, dropping a total of 27 points through the loop. V. S. C. forward, Glatton, led the "Baron" attach with 22 points.

The "Barons" have been improving steadily and should be coming into their own after a few more games.

Accompanying the team were the cheerleaders, manager Marvin House, surer of "Casey" Co-A., and the spotter Noy George.

Fins And Flippers

The Fins and Flippers is one of the most active organizations on the campus of V. S. C.

The purpose of this club is to promote a "closer relationship" among those who are interested in aquatic sport.

Also quite rough with many fouls being committed by both teams, Roy McQuaig played the last half with four fouls and Ken Boyer fouled out during the third quarter. These two facts didn't help things with McQuaig having to take a break as possible to keep from fouling out and the loss of Boyer's ball handling and fine team work, V. S. C. fouls seemed to be the one factor in the loss due to most of Brewton-Parker points being made from the "Rebels" fouls. This was certainly true as the "Barons" scored 13 points out of their total of 29 just on free throws alone. This was just for the first half. The second half continued in the same fashion.

Barney Purvis was again the big gun in the "Rebels" attack as he walked off with the top scoring honors with a total of 31 points. All in all, the "Rebels" played good ball in both contests with Brewton-Parker. If you will recall, Brewton-Parker traveled to the national tournament in Kansas City last year and was ranked as one of the finest "basketball fives" in the country.

Before closing out this week, I would like to say that the school spirit is certainly promising and I can assure you that the "Rebels" appreciate this fact. Keep up the good work everyone.

The officers this year are as follows: President, Neil Johnson; Vice President, Jane Ledford; Secretary, Nell Johnson; Treasurer, Pat Massey; Historian, Kay Ferguson; Deança.

Candles glowing in the dews of a home at Christmas is a symbol that the Christ has welcomed. The simple-hearted Christians thought that Holy Babe might be wandering through the streets of the nation. We desire to have some indication of the culture of the United States.

(1) United States citizenship;
(2) Good academic record;
(3) Good moral character, personality, and adaptability;
(4) Broad knowledge of the culture of the United States.

The University of Ceylon. Peradeniya, offers two fellowships to American graduate students for the 1935-36 academic year. It should be known that the fellowships are awarded to American students who have completed their work at the University of Ceylon or who have been admitted to the University for study in Ceylon.
