Gay Griffis Is Crowned Homecoming Queen; Other Activities Begin 4:00 Today

Parade, Dance Will Highlight Week End

The Homecoming activities will begin with the crowning of the Homecoming Queen during activity period on Friday, at the same time a pep rally will be held to get everyone into the Homecoming spirit.

At 4:00 p. m. the twenty-eight unit parade will proceed south on Patterson Street, east on Hill, and north on Ashley to Webster. The parade will consist of four bands, sixteen floats, and several convertibles carrying the important dignitaries and class sweethearts. Joe Patterson is the parade marshal.

The Rebels will battle Troy State at 8 p. m. in the gym, the home team has been playing heads-up ball lately, so it should prove to be a fast and interesting ball game.

Activities will get underway on Saturday morning at 11:00 a. m. when the dormitory displays will be judged.

Also at 11:00 a. m., the alumni coffee will be held in the Rotunda.

The big event of the weekend will be the Homecoming dance which begins at 8:00 p. m. the entertainment will feature Ray Eberle and his famed "Serenade in Blue Orchestra." Ray, a one-time featured vocalist of the late Glenn Miller band, has appeared two 20th Century - Fox musicals, "Sun Valley Serenade" and "Orchestra Wives." Eberle is one of the biggest names in formal entertainment.

Awards will be presented at the dance for the best float and the best display. The Homecoming Queen also will receive her trophy.

The breakfast in the House-in-the-Woods from midnight to 1:00 a. m., after the dance, will end the Homecoming activities.

It should prove to be a never-to-be-forgotten occasion for everyone.

Kemper, Webb, Newsom, Join Canopy Staff

Three members have been added to the staff of the Campus Canopy this quarter, according to Lester Haymons, the paper's editor.

The three are Joe Webb, Tommy Newsom and Houston Kemper.

Haymons said that the addition of these three is in keeping with the paper's policy. "Several staff members quit after last quarter," he reported.

Newsom, who has had professional experience on a weekly tabloid paper, is serving as Assistant Editor of the Canopy.

Kemper, an officer in the Student Government Association, and a member of TKE, is on the business staff and Joe Webb, also a member of TKE, is serving as a staff reporter.

The Canopy is a student newspaper and Haymons stated that any interested student may contribute to its pages.

Gay Griffis, Homecoming Queen for 1958, will reign over the Activities for the week end. She was selected by a majority vote of the general student body and will ride the Student Government's float in the parade this afternoon. Making up her court will be Janet Vaughn from the Senior class, Miriam Barnes from the Junior class, Glennie Cooper from the Sophomore class, and Penny Williams from the Freshman class.

FALL OPENING SLATED

VSC Is Member Of New State Collegiate Conference

Valdosta State College became an official member of a new athletic conference formed last week in a meeting of small Georgia colleges in Atlanta.

This new conference, Georgia Intercollegiate Conference, containing eight small senior colleges in the state, will emphasize athletics on an "amateur" or non-scholarship basis.

Schools in the conference besides VSC are Oglethorpe, North Georgia College, LaGrange College, Shorter College, Piedmont College, West Georgia College and Berry College.

Opening of the conference is slated for next Fall with primary sports competition in baseball and basketball. Other minor sports will be added later.

A basket ball schedule between the eight member colleges will be formulated and NAIA rules will be used. A postseason cage tournament will be held in LaGrange next season.

Coach Walter Cottingham represented VSC at the meeting in Atlanta last week. Roger Williams of North Georgia will serve as

president of the conference, Garland Pinholster of Oglethorpe will be vice president. Garland Dickey of Berry College will be secretary-treasurer.

A short term for the conference will be GIAC (Georgia Intercollegiate Athletic Conference).

This new development means that VSC will be playing teams of its own class and power in the basketball and baseball wars next Fall. A conference champion will be picked in each sport each year. These will be determined by postseason playoffs.

This is the first organization of its kind among small Georgia colleges.

Homerville Co-Ed Receives Top Honor

Miss Gaye Griffis the daughter of Mrs. Doris Griffis of Homerville is VSC Homecoming Queen of 1958. Gaye is a junior and is majoring in Biology. She is a member of S.G.A., vice-president of the junior class, Vice-president of Math-Science Club, and a member of the English Club.

Gaye was chosen Canopy Queen from the junior class and was among the finalist in the class beauty election.

Upon completion of her work at VSC, she plans to enter graduate school at Emory.

Queen Gaye will begin her reign on Friday, February 11, at 10:20 in a special crowning ceremony. Her reign will continue until the end of the 1958 Homecoming Activities.

Miss Janet Vaughn is representative from the senior class. Janet is from Americus and is a transfer from Georgia South Western. She is majoring in Education and plans to teach 4th grade. She is a member of the Education Club "Y" Club, Y.W.C.A. and is Sweetheart of the Key Club. Janet is also vice-president of Delta Xi sorority.

Junior class representative is Miss Miriam Barnes from Americus. She is a transfer from Georgia South Western. Since arriving on campus she has been active in many school activities among which are being sponsored for Fili fraternity, secretary of I.R.C., reporter on the Canopy Staff, a member of Math-Science Club, and Y.W.C.A. and cheer leader with the basketball team.

The sophomore class is represented by Miss Glennie Cooper. Glennie is from Atlanta and is majoring in pre-medical technology. She is Sweetheart of the sophomore class, treasurer of sophomore class, treasurer of sophomore class, a member of Sigma Alpha Chi and Sweetheart of TKE fraternity.

Miss Penny Williams has been chosen to represent the freshman class. Penny is a native of Valdosta and is known for her ability to dance and make friends easily. She is a sponsor for T. K. E. fraternity and a cheerleader.

ALUMNI ASSOCIATION TO BUILD ARCHWAY — Pictured above is an artist's sketch of the proposed archway to be built by the VSC Alumni Association. To be constructed over the walk in front of the Administration building on North Patterson, the archway will be financed by donations from members of the Association. Plans for the construction will be discussed further at the Alumni Banquet Saturday night.

Would Meal Tickets Solve Problem?

There seems to be much concern of the students of VSC about the dining hall situation. Some students are displeased with the meals served. Some are of the opinion that they pay for meals that they don't eat. Some are not pleased with the hours that meals are served.

ABOUT THE MEALS

I understand that everyone cannot be pleased when it comes to a menu. Everyone has a different taste. Most everyone probably ate differently at home. Some might have had sandwiches and salads every Friday and Saturday night, but not the majority! I also doubt if everyone had fried chicken with that standby, rice, every Sunday, too. Did everything receive a "greasing down" before it was served? Well, as previously stated, everybody has a different taste, and maybe this is what the majority wants.

ABOUT PAYMENT FOR MEALS

At some of the larger schools, each student buys meal tickets and eats when he desires to do so. He pays only for the meals he takes. Would such a system at VSC be practical from the student's standpoint? If he didn't like what was being served at a meal, he would have the option of not eating. If he went home every week end, the money from his meal would be his. A student that didn't eat breakfast every morning would benefit from such a system also. Would such a system indirectly improve the quality of meals served? Of course this system would possibly call for an increase in prices of meals.

ABOUT THE HOURS MEALS ARE SERVED

Some students complain about the long time from breakfast (7:25-7:45) to dinner (1:00-1:25). They suggest that dinner be served from 12:00 to 12:30 and that fourth period commence at 1:00 instead 12:00. Would such a change be beneficial to the majority?

NOT SO DUMB

A sad looking character was shown into the office of a prominent psychiatrist. "I've lost all desire to go on, doctor. Life has become too hectic, too confused."

"Yes," said the doctor, clucking sympathetically. "I understand. We all have our problems. You'll need a year or two of treatments at Valdosta. There was a pause, "Well, that solves your problem. Doc. Now what about mine?"

\$50 a week."

CAN'T WAIT FOR SUMMER — Pictured above is fetching Mario Converse, a pert Freshman Co-ed who is eagerly awaiting the arrival of the swim season. Mario is the daughter of Mrs. George Converse of Valdosta. She is studying liberal arts at the present and answers at Cillery 4-1241.

CAMPUS POLL

Parade of Opinion

WHAT DO YOU THINK OF THE PRICES AT THE STUDENT CENTER?

John Bishop—I feel that the prices at the fountain are all right, but I feel there is a monopoly in the book store.

James Stanley—Prices are all right, but the service is too slow.

Ted Swindle—Books are too high. Bobby Joiner—Who ever heard of 10 cents coffee and books doubled in price just because we have to buy them there.

Stanley Houston—For a non-profit organization, the prices are entirely too high.

Walter Stovall—I can't see double the price of a used book for resale.

Rene Barnett—The retail price of a book seems to be doubled the actual cost.

Between The Backs Tells Of Gov. In Bus.

By Dillard Ensley

(GOVERNMENT IN BUSINESS By Stuart Chase)

John Maynard Keynes stated in 1926 that the most important task facing economists was to redefine the line which divided public business from private.

Just where does the State belong in the economic picture and where does it not? Adam Smith, the classical economist, and the United States Chamber of Commerce, have held that the State should be the referee of the game only, and never carry the ball.

The twentieth century is the era of public business, and whether we like it or not it is upon us. The wave may subside a little but the age of strictly private business has been gone for years now, and not only that, it is fading even more from the scene of American economy.

In this book, Mr. Chase lays down certain principles which even government officials, plain citizens, or laborers cannot afford to neglect.

Mr. Chase is the author of "Men and Machines" and also "The Economy of Abundance."

SURPRISE?

The customer was buying a fountain pen for his son's graduation present. "It's to be a surprise, I suppose," observed the clerk.

"I'll say it is," said the father. "He's expecting a convertible."

Tommy Newsom

Potpourri...

This is the weekend for one of VSC's biggest events—Homecoming. This is a time for re-union and rejuvenating of strong ties for the ole Alma Mater.

Although a feeling of little more than boredom—marked only by a minor revolt over the question of buying Co-eds a flower for the dance—has preceded Homecoming, the important thing is that it is here today.

So, why not flock out to the pep rally; take in the parade and the dance and all the other events that'll be coming off. That's the object of the thing, you know.

A RECENT MOVIE

An innumerable number of VSC students joined Valdostans last week as they thronged into a local movie theater to see a watered down version of Miss G. Metalious's tale of murder, mayhem, sex and skullduggery in a New England town.

This writer, having just completed the book, shelled out the exorbitant admission price to see the screen portrayal. I was amazed at the number of people who flocked to see this flick just because it had been highly publicized.

The fact of the matter is, Miss G. just dug up a few skeletons and used a few raw threads of human existence to weave her tale. The movie bleached these down.

Nevertheless, people just naturally seem to excell in mirth over these "expose-type, earthy tales." What the psychology of the thing is, I don't know.

They say the movies offer es-

cape from the humdrum life of reality and conformity. What the movie the other night offered, I can't truthfully say.

However, I did see an old lady of about 70 tottering into the lobby with a wide gleam in her eyes—guess she enjoyed it!

STUDENT, OFF LIMITS

This writer relates the case of a student who was doing research work in the school library recently. The student wandered into a small room and was harmlessly thumbing through a stack of old newspapers when he was severely reprimanded for apparently being "off limits"—he didn't know the library was zoned in.

Nevertheless, fact is fact and all good research papers must be completed on time so this student ignored the incident. As a matter of fact, his philosophy goes something like this:

"... why should I sit in the scorn's seat,

Or hurl the cynic's ban?
 Let me live in my house by the side of the road

And be a friend to man."

This week marked the birthday of Abe Lincoln—one of America's greatest men. A story goes that once Abe walked twenty miles to return 16 cents change to a woman. Times have certainly changed. Today, I don't know of anyone who would even ride twenty miles for 16 cents.

American Students Bow To Age-old 'Conformity'

by JOE PATTERSON

Since time immemorial, college students have been the center and the leaders of all great movements. They have been among the first recruits for revolutions. They have not only provided the leadership, but have provided also the manpower without which no leader can be successful. They have been willing to take up any quarrel and make it their own. Perhaps they sometimes acted unwisely, but they did act.

This can no longer be said about the American college students. They have finally bowed to that conqueror of modern man—Conformity.

During this new age in which we are privileged to live, a man who will not conform is jeered at by his fellows. He must be made to wear the same type of clothes, part his hair in the same way, and in essence, be a carbon copy of them.

Gone are the revolutionaries, the leaders of men. Gone are those who led mankind ever upward from the mud and to the steps of Godhood.

Today, none of us want to be leaders, and few want to be active followers, we are laughed at and called a fool for attempting to help others. This is especially evident in many if not all of the organizations at VSC. Look around you. How many people are really active in the various clubs on campus and how many clubs are really active because of this? Our pattern of conformity seems to call for us to remain neutral and to attend to our own business.

On Feb. 14 VSC is holding its annual Homecoming Day Parade and all organizations are expected to take part in it. However, several of the organizations have stated that they will be unable to enter a float because of insufficient membership. One or-

ganization's president has stated that he won't be able to enter a float because it is against his club's policy. It would appear that Conformity is actually the father of apathy and even school traditions will suffer.

Perhaps you think that all of this is a rambling bit of nothing, and maybe it is, but one thing you should remember is this. While we are in college we are being molded into what we will be for the remainder of our lives. If we are inactive and ignore our duties and responsibilities while we are in college, we will surely do the same with our civic responsibilities.

Now is the time for us to throw off the bonds of conformity and apathy. Take part in everything you can find time for, and you can find the time if you try.

BEING POLITE

The maid had answered the telephone several times within just a few minutes. Each time, after a brief remark, she hung up.

Becoming quite curious, the lady of the house finally asked, "Who was that on the phone?"

"Same lady everytime," replied the maid. "She keeps saying, 'It's a long distance from New York.' And I keep telling her, 'Yes ma'am, it shure is.'"

"Big Wheel" Features Senior Jeanne Connell, Freshman Steve Vaughn

This week's "Big Wheel" selection features a VSC co-ed who is listed among "Who's Who" in the national college poll and a Freshman who is quite versatile in campus activities. The two, Jeanne Connell and Steve Vaughn.

JEANNE
Jeanne Connell, a member of the senior class, is one of the busiest co-eds on campus. She has attended VSC for four years and during that time she has compiled an outstanding leadership record. This year she serves as senior representative to the SGA; Historian-Reporter of Sigma Alpha Chi Honor Society, a member of the BSU council and Music Director of Y.W.C.A.

During her four-year tenure at VSC she has held membership in the Math-Science Club, International Relations Club, Y.W.C.A., Baptist Student Union and the Sigma Alpha Chi Honor Society.

Jeanne has also been a member of the Serenaders, VSC's singing group, for four straight years. She was named Miss VSC talent for 1957.

She not only excels in extra-curricular activities, but constantly makes the Dean's List. Last Fall she was named to the "Who's Who Among College Students in American Universities and Colleges."

Jeanne, who comes to VSC from Perry, Georgia, is majoring in Biology with a minor in Music; History.

In commenting about her future, Jeanne said that after she graduates in June she plans either to do graduate work in medical records at Emory University & Hospital or to teach for a few years and then go to Emory.

All is not work for Jeanne. She lists her chief likes as dancing, swimming and water-skiing. As for dislikes, this popular senior admits to none.

Jeanne Connell is certainly one of VSC's "Big Wheels."

STEVE
Steve Vaughn comes to Valdosta State from Albany, Georgia. He graduated from Albany High last Spring. He was born July '39, in St. Louis, Missouri, but he has been a Georgia "cracker" for the past few years.

Steve is very versatile in his extra-curricular activities on campus. Although only a Freshman,

BIG WHEELS — Steven Vaughn and Jeanne Connell

he serves as President of the Men's Christian Alliance.

(Editor's Note: The "Big Wheels" are chosen by staff members on the basis of leadership only. To be eligible, a student must be head of an important organization or hold two minor offices.)

Besides heading up the MCA, he is treasurer of the Glee Club, a member of the Sock & Buskin Club, and the Serenaders. He is also on the Canopy staff.

The Sock & Buskin group will present their big play March 4, and the Serenaders are well-known for their musical programs. Steve is indeed versatile to be in both of these groups.

Steve, who by-the-way does a top notch job at the piano in the VSC, says one of his personal projects is improving his music.

Steve, a member of the Christian Church, is working towards a BA in music and he says he would like to be music director

JUST WONDERING

At the beginning of World War II, the officers in charge of a British post deep in the heart of Africa received this wireless message from his superior officer: "War declared. Arrest all enemy aliens in your district."

With commendable promptness this reply was sent: "Have arrested seven Germans, three Belgians, two Frenchmen, two Italians, an Austrian and an American. Please say with whom we are at war."

in a church some day.

Naturally, Steve likes music; his only dislike is moody people. As to his future, he's not certain, but as for his present, Steve can be called a "Big Wheel" at VSC.

Society News

Did You Care Enough To Send A Valentine?

Today is Valentines Day, did you send your friends a card? Have you ever thought what Valentines day really means. Many people that are so grown up think Valentines are for children and it also means a time of sending sweethearts, maybe this is true but cards to friends as well as ones you love.

The cards, candy, flowers or what ever you give shows the love and appreciation you have for someone else. The price of the gift means so little, it is the thought behind it that really counts. So why not make a list of persons you would like to send Valentines to, you will feel much better if you do.

Mothers, teachers, friends, anyone, a little kindness of thought and a few cents never hurt anyone.

Delta Xi Plans

"After - Dance"

Breakfast At 'H in W'

Delta Xi, along with the other sororities and the fraternities on campus, will sponsor a breakfast in the House in the Woods immediately after the Homecoming Dance. Everyone attending the dance is invited to attend.

Delta Xi is also a co-sponsor with TKE for a party in the House in the Woods immediately after the TKE Talent Show on Feb. 21. Those attending the Talent Revue are invited to this informal get-together.

Stanford University

To Hold Summer Class

The bilingual summer school sponsored by the Universidad Autonoma de Guadalajara in co-operation with members of the faculty of Stanford University and other American universities will be held in Guadalajara, Mexico, June 30 to August 9. The offerings will include art, folklore history, Spanish language and literature courses. \$225 will cover the tuition, board and room for six weeks. For more information, please write to Professor Juan B. Rael, Box K, Stanford University, California

the office of president and vice-president respectively until Spring election. These offices were left open by Charlene Griffith and Francine Jones.

Refreshments were served and the meeting was adjourned.

Jones Speaks To Business Club January 28th

Guest speaker for the January 28 Business Club Meeting was Mr. David R. Jones, Civilian Personnel Director at Moody Air Base. His interesting and most informative speech was entitled, "The Spiritual Physical, and Mental Demands of Business."

Mr. Jones has worked with personnel for A & P Tea Company and also was employed at Marine Corps Supply Center, Albany, Georgia, for seven years. Prior to these positions, he served in the Armed Forces. Mr. Jones is a graduate of the University of Vermont.

Silas Pittman, junior, Business Administration, and Kathryn Bell, junior, Secretarial Science, will fill

"Bearded Rascals" Sport Facial Growth; Prepare For Homecoming Festivities

STUDENTS SPORTING BEARDS — Some of the VSC men "with the necessary facilities" decided to celebrate Homecoming in an old fashioned way by growing beards. Pictured above are (top row, left to right) Ed Coyle, Joe Tarpley, Bill Hay, Wayne Haire, Joe Patterson, (bottom row, left to right) Kelsey Kemp, Silas Pittman and Carl Shapiro.

"Grab your daughter and head for the hills, ma."

This might be the reaction of an over-protective father if he saw any one of the bearded young men from VSC coming to court his daughter.

The truth of the matter is, these boys are quite tame in nature. They are merely fostering the Homecoming spirit at VSC by sprouting beards.

The young men you see in this picture and others on campus have been working on this project for quite a while.

The results of this project have been quite notable as some of the fanciest pairs of "gravy catchers" ever seen in these parts have been sprouted by these young men.

Men participating in the project, who still have their beards, are Joe Tarpley, Jim Stovall, Tommy Sessions, Wayne Haire, David Melton, Si. Pittman, Carl Shapiro and Joe Patterson, and Kelsey Kemp.

The beard project has been hard on some of the individuals. Several men decided to shave their beards off. Their chief reason for this was: "the things got kind a' itchy."

However, many of the perserving gentlemen worked on their whiskers for over a month. They have trimmed them with diligence. The problem of upkeep has depended mainly on the length of the whiskers.

Sporting' Around

by Sidney Futch

Jerry Studdard, forward on the VSC basketball team, is one of the best, or I might say the best, basketball players VSC has ever had. Jerry came to VSC at the beginning of this quarter and started playing basketball for the Rebels. Since then he has played in fourteen games and has scored 325 points, not counting Tuesday night's game. This is an average per game of 25.6 and tops in the state among four year colleges. Some of the older students here at VSC can look back and remember such fine players as A. J. Jarvis and Barney Purvis, but neither of them maintained such an average. I'm not taking any credit away from them because I'm sure both of them were fine ball players. Jerry has made a name for himself here at VSC and at ABAC, where he previously lettered in basketball. He has also built up the prestige of VSC in basketball. My congratulations to him.

You've probably already heard that VSC has become a member of an eight team athletic league in Georgia. The league is made up of eight small four-year colleges about the same size as VSC. They are Berry, LaGrange, North Georgia, Oglethorpe, Piedmont, West Georgia, and Shorter. These different schools will compete against each other in mainly basketball and baseball and possibly other sports events. I would like to see VSC and these other colleges compete against each other in track events. It might be impossible to hold any track events this year, but plans could be made for next year maybe. I believe that VSC has enough material for a good track team if enough people are interested. It would also add something to the growing athletic program here at VSC.

Studdard Leads State In Points Per Game Average; Rebels Improve Record

The Valdosta State College Rebel's basketball season is drawing to a close and thus far the Rebels have won four games and lost thirteen. Although the won-lost record has not been too impressive, many local fans have gotten their thrills from watching the cagers in action. Up to press time the Rebels have scored a total of 1,226 points compared to 1,373 points scored by their opposition. This gives the Rebels a 72.1 point average per game and their opponents a 80.8 average. The Rebels have suffered defeats at the hands of the University of Florida Freshman, Brewton-Parker, Jacksonville University, LaGrange, Stetson, Chipola, Oglethorpe, Troy State, Piedmont, and North Georgia. They have handed Shorter, North Georgia, and Piedmont defeats, with two victories over Piedmont. Leading the state and the Rebels in scoring is forward Jerry Studdard, who has scored a total of 325 points in fourteen games and maintained a remarkable 25.6 point average per game. Al Stevens is next in scoring with a total of 255 and a 15.0 average. Stevens is followed by Doug Parrish with a total of 213 and a 12.5 average. Johnny Purvis has scored a total of 163 points with a 9.4 average per game. Ed Gandy is in fifth place with a total of 140 points and an 8.8 average. Other Rebel cagers who have contributed to the scoring are Blair, Richter, Stovall, David and King. The Rebels have improved their won-lost record this season, although they have won only four games. Much of the improvement and sportsmanship the Rebels have shown can be attributed to the fine work Coach Cottingham has done. The Rebels will play in a new league next year and an even better record is expected in all the sports events including basketball and baseball. The members of the league are about the same size and strength of the Rebels; thus the Rebels will not be as outclassed as they were this year.

SAME OLD STORY

On his first ray in the new territory, the traveling salesman found himself in the position every traveling salesman in stories finds himself... stuck on the road near a farmer's house where the only place to sleep is in the bed of the farmer's daughter. So he does. Early the next morning the farmer rose and went to feed the chickens. Early the next morning the traveling salesman rose and put on his clothes. Early the next morning the farmer's daughter came home from college.

T K E Presente Talent Show Tues., Feb 18

The college gymnasium will rock on Tuesday night when Mu Alpha Colony of Tau Kappa Epsilon presents their Teke Talent Revue for the selection of "Mr. and Miss VSC Talent of 1958." The show starts at 8 p. m. and will feature ten contestants and four production numbers. The contestants are Margie Brooks, Marilyn Hughes, Mary Lou Martin, Jo Roberts, Dixie Lee Weger, Ponny Williams, Wayne Fowler, John Hulett, Errol Sewel and Dwaine Skiles. Jeanne Connell, last year's "Miss VSC Talent," will sing in a production number featuring songs made famous by the late Helen Morgan. The intermission will feature a short musical entitled "Hernando's Hideaway," combining the arts of the pantomime and the dance. Gail Thomas will star in the production. The cast features Dodie Robertson, Nancy Spells, Francis Little and the Brothers of Mu Alpha. Sue Johnson will provide special comedy entertainment before the musical. Tickets may be obtained from any of the Brothers or at the S and K drive-in. Admission is 50 cents for adults and 35 cents for students.
