Margas and Macs Chosen From Junior - Senior Colleges

The best all-round students of V S C were recently elected under the sponsorship of the Sigma Chi Honor Society.

Representing Senior College students, George Wallace was elected Best All-Round boy student, and Darlene Wallace was chosen Best All-Round girl student. From the Junior College, Tommy Newsome and Glennie Cooper were chosen Best All-Round students.

The nominations for the Best All-Round students were submitted to the students, who, if they chose to do so, wrote letters to the sponsors.

Those elected Best All-Round students were Rosemary Logan and Aladiis. Professors Gabard, Sammons, and others on the committee are Profs. A. T. Darin, Hagan, and LaGrange, Georgia. It was on this trip that Mr. Babcock invited the students.

Dr. Thaxton concluded his talk by telling the students that their willingness to come to V S C in the future was the reason why the committee should hear their case.

The program is based on four enumerated rules, two of which have been in effect in past sessions, and two new rules that carry sharp overtones.

NEW RULES

1. Continuation of the practice of automatically submitting a grade of F to the registrars when a student exceeds one day the permissible number of cuts.

2. All class absences occurring on Mondays, Fridays, and on days immediately preceding and following vacations will be considered double cuts.

3. Any student with excessive cuts may obtain a hearing before the Absence Committee by submitting in letter form such a request and outlining therein what they consider to be justifiable reasons why the committee should hear their case.

4. Institution of the forms known as "Pink Sheets."

Chairman of the Absentee Committee is Professor D. E. Cerlock. Others on the committee are Professors Gabard, Sammons, Logan and Mathis.

The curtain of the stage of Pound Hall parted to music from "Peyton Place" before a hushed audience that had filled the auditorium. On the seventh stage that was modestly arranged was "Death Takes a Holiday." The play was well received by the Wednesday night audience, but those attending on Thursday seemed to have appreciated it more. A Farewell to Arms

Opening at the Ritz last week was the film version of Hemingway's, "A Farewell to Arms" which gave a slight glimpse of World War I as it affected northern Italy and its inhabitants.

Crime at V.S.C.

by Joe Patterson

Recently, several men were expelled from V. S. C., supposedly for various reasons, known to most of us. These men believed that they had been unjustly treated and so appealed to the Student Government Association. The members of the S G A were a diverse conglomeration of students that did not allow the members of the Department of Fine Arts to speak for them. Price of Beauty

by Gene W. Deal

Is it possible to set a price on beauty? Many times a value is placed on beautiful paintings and other works of art. A. Van Gogh, a Brueghel, or a painting by another of the old masters may sell for millions of dollars. And in Vincenzo’s "Mama Lisa" there is priceless beauty.

What are your reactions to the events which have occurred on campus — the new play, "Reverie, Reverie," and the snubbing of the S G A ?

Rebels Begin Baseball Season With Jax’ville

The Valdosta State College Rebel Baseball team will open its season March 27 when they play Jacksonville University in Jacksonville.

Coach Walter Cottingham reports that practices are coming along fine and many promising prospects have shown their ability.

The first home game will be played with Stetson University on April 3 and 4. A game is scheduled for each day. The final schedule has not been worked out because the Rebels will use Pentelon Park, the class D Valdosta Tigers use this park; therefore the Rebel games will have to be scheduled on days that the Tigers will not be using it.

Five lettermen are returning again this season to play for the Rebel nine. They are Picture Jack Rowe, catcher Joe Tarphey, shortstop Johnny Partvis, and outfielders Ashley Hill and Dickey Allen. All these lettermen are expected to see plenty of action this year.

Other players on the roster are Lamar Pearson, Buddy Wilbun, “Doodle” Hall, Willie Hay, Walter Stovall, Bill Sears, Larry Hartsool, Jack Bates (lettered freshman year), Horace Chitty, Mike Hampton, and Marvin Hatcher.

The Rebels hope to improve their 4-12 record of last season.

the peanuts and who will win the series? There's one thing for sure: we'll know next October.

Baseball writers and authorities believe that the '58 standings will be very much like the standings in '57 with the Braves coping the National League title and the Yankees taking the American League flag. The same contenders for the pennant last year, like St. Louis and Brooklyn in the National League and Chicago and possibly Detroit in the American League, are expected to be leading contenders this year. But I'll say again, we'll know next October.
