Twelve seniors at Valdosta State College have been selected to appear in "Who's Who in American Colleges and Universities" according to an announcement by Dr. J. Ralph Thaxton, V. C. presidnet. The selection which is made annually is based on the students' academic record, class standing, and extracurricular activities.

The twelve receiving the honor include Lucille Helms, Valdosta; Gaye Griffis, Hosenville; Bobbi Baker, Tifton; Wayne Haire, Colquitt; Carolyn Holton, Thomasville; Joe Patterson, Columbus; Darlene Wallace, Valdosta; Bobby Coleman, Valdosta; Fred McDonald, Valdosta; Louise Tarpley, Manchester; and Kathryn Bell, Doerun.

All the students selected to appear in the college edition of Who's Who have been active in campus activities and have contributed to college life through their leadership. Of the twelve named, four are majoring in chemistry or biology, three are education majors, three are studying in business administration, one is in a history major, and the other is an English major.

FOUR FUTURE SCIENTISTS
Three of the outstanding seniors, Lucille Helms, Gaye Griffis, and Bennie Ruth Baker, are biology majors.

Lucille Helms, the daughter of Mr. and Mrs. Leo Helms of Valdosta, is past president of Alpha Delta Pi sorority and has served on the Pan Hellenic Council. Her junior year she was elected "Class Sweetheart" and was also chosen Sweetheart of Fili Fortunatus fraternity.

For three years she has been a member of the Student Government Association, holding the office of secretary her junior year. She was also president of the junior class and vice-president of the freshman class. She placed third in the 1956-57 Miss VSC contest and during her freshman year, she was chosen "Best All-Round." She has also been active in the Fins and Flippers, swimming club at VSC.

Gaye Griffis, daughter of Mrs. Dean Griffis of Homerville, was elected Homecoming Queen for 1958. She is currently serving as a representative to the Student Government Association and was vice-president of her junior class. She has been active in the Math-Science Club for the past three years and now holds the office of vice-president of that organization. Her other activities include membership in the Drama Club, Glee Club, and International Relations Club.

Bennie Ruth Baker is the daughter of Mr. and Mrs. Ben J. Baker of Tifton. She was a member of the Sigma Alpha Chi Honor Society in 1957 and is now a member of the National Alpha Chi Honor Society. Last year she received the Circle K Award for Scholarship. She was elected to the 1956-57 Homecoming Court and was also chosen Miss VSC.

AS I SEE IT...

During the past week several of the staff members have been to me and stated that students are complaining about the paper. Some of the complaints have been about definite sections of the paper to meet the needs of the students. Some of the complaints have been about definite sections of the paper to meet the needs of the students. Some of the...
Can The Government Be Improved?

How can our government be improved? In the last issue of the Canopy we showed that U. S. is hampered by an overlarge bureaucracy (the inevitable result in both monarchies and aristocracies) and by outdated laws. The problem then is to find some means of eliminating bureaucracy and of keeping our laws updated.

In a true democracy there could exist no bureaucracy, for to the voters back home it would be useless, and it would be impossible to corrupt the government. That p**q'd d lines. If the American people are unwilling to sacrifice the time and effort necessary to improve and strengthen our government, in accordance with our American heritage and ideals, then there is no hope for our nation. When the interests of a people become too self-centered to permit them to take an active interest in their government, that people declines. If the American people are no longer interested in the kind of government they live under we might as well surrender to Russia now. It would save a lot of wear and tear on both sides.

Patterson, Langford Named Personalities Of The Week

In any group of people there are always some outstanding personalities and the group of students at VSC is no exception. This week Patsy Langford and Joe Patterson are in the spotlight. Patsy is a blonde senior from Waycross, Georgia, who is majoring in elementary education. Her Waycross, Georgia, who is majoring in art, and acting as activities chair, has a very pleasant personality and is attractive. How? Well, Rousseau claims that the legislative council of a small group delegated to rule, would be useless, and it would be impossible to corrupt the government. That p**q'd d lines. If the American people are unwilling to sacrifice the time and effort necessary to improve and strengthen our government, in accordance with our American heritage and ideals, then there is no hope for our nation. When the interests of a people become too self-centered to permit them to take an active interest in their government, that people declines. TIME OUT
By Jimmy Broun

This is a column devoted to sports, but this week I am compelled to write an editorial. It has been brought to my attention that some high schools have better newspapers than the Campus Canopy and that the school newspaper is part of their project. Valdosta State College has no journalism classes. Now I am not blaming the college but making a suggestion that if the college would work on the staff and none are professionals. Some have criticized my article. This is fine because there is always room for improvement. The news is the same, but the writing is different.

First of all I am not a professional sports writer writing for some metropolitan newspaper. I am an amateur and write as someone who has lived in the county for the past twenty years. I have held membership in the Sock Education Club for the past four years and served as secretary his junior and senior years.

The first basketball game of the season begins on December 1 in the Valdosta State College gymnasium. The Rebel takes Bzewton-Parker on that date.

Every name on the roster of players is practically a new one. Four returned from last year’s squad, Al Stevens and Ed Gandy return and the team’s two co-captains, Douglas Parrish and Jerry Studdard. Studdard made All-State last year and averaged 27 points per game.

When the Rebels meet Bzewton-Parker on December 1 let’s go and yell. If we support the Rebels I am sure they will do their part. We need to support and encourage each Rebel player because the Rebels need the team’s support.

Twelve Seniors
(Continued from Page One)

Haire of Colquitt. He is currently serving as vice-president of the Student Government Association, a member of the Photography Club, and the president of the Photography Club, Math-Science Club. He is also a member of the Men’s Christian Association.

THREE WILL TEACH

Three future teachers are among the honorees. Those are Carolyn Holton, Joe Patterson, and Darlene Holton. Miss Holton, daughter of J. J. Holton of Thomasville, is a transfer student from Huntington College in Montgomery, Alabama. She is the president of the Student Government Association, and is a member of the Men’s Christian Association.

Miss Holton is president of the Alpha Xi Delta sorority and is a member of the Panhelcnic Council. She has held membership in the Student Government Association, Class of 1969, and the Business Club.

Joe Patterson, current president of the Student Government Association, is the son of Mr. and Mrs. J. J. Patterson of Columbus. He has been a member of the Men’s Christian Association, a member of the Photography Club, and has held membership in the Student Government Association, Class of 1969, and the Business Club.

Darlene Wallace, daughter of Mr. and Mrs. Spoul of Carterville, is currently president of Sigma Alpha Epsilon, a national sorority. She has held membership in the Student Government Association, Class of 1969, and the Business Club.

Letter To Editor
(Continued from Page Two)

Dear Editor:

I feel that college students don’t know what they want until they want what they don’t have. I believe that many students who are enrolled in college are not satisfied with their course of studies and are willing to play for college instead of their academic events. They are willing to pay two extra dollars a week to see a movie, but they are not willing to spend the same amount on an education. It is not fair to expect the students to pay for their education. It is the responsibility of the parents to pay for their education. The students should be given the opportunity to make their own decisions.

Sincerely,

Chairman of the Student Government Association

Rebels To Open Season Against Bzewton Parker Dec 1

Coach Gary Colson’s Rebels will embark in the season’s opener against Bzewton Parker on December 1 in the Valdosta State College Gymnasium. Coach Colson is looking forward to the new experience of being a bonified (conference) member.

This year’s Rebel roster has a lineup of stalwarts who can and will do the job necessary to live up to pre-season expectation. The Rebel roster is as follows:

Al Stevens, age 20, 6’3”, 176 pounds, who hails from Bainbridge, Georgia. Ed Gandy, big six footer, weighs 162 pounds from Miller, Georgia and is 22 years old. Jerry Studdard, this year’s team’s co-captain, stands 6’2” weighs 150 lbs. is a Senior this year. Doug Parish, the other Rebel co-captain is 6’2”, weighs 185 pounds, comes out of Morrow, Gene Peacock, tall 6’5” in count from Sycamore. Another member of the squad is Buck Etheredge 6’5” from Newton, Georgia. Peacock and Etheredge are the two tallest members of the Rebel squad and going to make opponents of the team remember them for quite awhile.

Wayne Studdard, the brother of Jerry Studdard, the other Rebel co-captain of 5’8” and weighs 135 pounds. Hansel Faulkner is a transfer student who is Cook High of Adel. Jan Rogers is 6’1”, 160 lbs. Sophomore. Julian Williams is 6’1” 150 lbs. Darlene Holton in 5’9”, 135 lbs. also of Valdosta.

Both Tomlinson and McIntyre are Frenchmen.

This year’s rebel squad is going to be tough to handle on the courts. So let’s get out and follow our team with outside support and we’ll go a long way and be high up in the conference standings.

The Valdosta State Basketball Schedule is as follows:

DECEMBER

1 — Bzewton Parker — There

3 — Uni. of Jr. Varsity — There

6 — Shorter — There

8 — Berry — There

11 — LaGrange — There

13 — West Ga — There

15 — Oglethorpe — There

18 — Bzewton Parker — There

20 — From (Continued from Page Two)
