PENNY WILLIAMS IS CROWNED "MISS VSC" 1960: Gloria Reagan, Joy Kennedy, first runner-up, "Miss VSC"; Molly Coleman, second runner-up, and Barbara George.

Penny Williams Crowned Miss VSC

By Ann Powell

The crowning of Miss Penny Williams as Miss VSC brought to a climax the 1960 Miss VSC contest. Miss Williams succeeds the 1959 Miss VSC Mary Shadburn. The sixteen contestants in the contest sponsored by Pi Kappa Phi fraternity were judged on the basis of charm, poise, and talent.

Five semi-finalists were chosen and from these the first and second runner-up were named as well as Miss VSC. First runner-up was Joy Kennedy and second was Molly Coleman. Other finalists were Barbara George and Gloria Reagan.

The other contestants were: Vonne Williams, Robin New, Sue Wright, Elizabeth Brooks, Toni Steele, Carole Lee, Marilyn Hughes, Margaret Davis, Barbara Jean Walker, Joyce Ann Thomas, and Ray Russell.

To display her talent Miss Williams performed a classical ballet. Joy Kennedy did an interpretative dance as a French maid. P.K. Molly Coleman gave a reading from JOHN BROWN'S BODY. Barbara George pantomimed Eartha Kitt's "Monotones" and Gloria Reagan played "To Love Again" from the Eddie Duchin Story on the piano.

Snow-covered plumes, snowmen, and icicles helped carry out the "Winter Wonderland" theme and Miss Kay Domingos set the mood by singing the theme song "Winter Wonderland" to open the program. Ray Mercer of WGOV was master of ceremonies and Mrs. Dorothy Carter directed the program.

During intermission the audience was entertained by Hannel O'Steen, Charles Corbett, Ted Barfield and Ernie Cortez and the Crecendos.

Judges for the contest were: Captain Albright, USAF; Mr. Jake Hayes, O. T.; and Mrs. Cunningham of the Quitman speech department.

Commenting on being chosen Miss VSC, Miss Williams said, "I'm so thrilled! I've never won anything before in my life. I'm so happy! She said of her sponsors, Tau Kappa Epsilon Fraternity, "I couldn't have had a better sponsor; they're all mine and I love every one of them."

Twelve seniors here at Valdosta State College have been selected to appear in "Who's Who in American Colleges and Universities".

QUESTION

By Stephen W. Sevits

On November 21, 1959 there was a dance in the Student Center and only a few people attended. The largest group were not college students, but high school students coming over after the game. It seems that weekend activities rather than the lack of them followed a definite pattern which is: THERE ARE NO REAL WEEKEND ACTIVITIES BECAUSE THE STUDENTS GO HOME AND BECAUSE THE STUDENTS GO HOME THERE ARE NO WEEKEND ACTIVITIES. Jim Broxton, President of the SGA, is proposing a student commission to investigate the many of TV fame has started. It will be held in the gym, December 5, beginning at 8:00 p.m.

As is traditional, the editor of the Pine Cone, Emmett Taylor, will crown "Miss Pine Cone" of 1960. The five finalists selected by the Pine Cone Staff are: Miss Jean Hooks, Junior from Sylvester; Miss Leslie Brown, Junior from Griffin; Miss Nancy Raines, Freshman from Ashburn; Miss Kay Domingo, Sophomore from Miller, and Miss Card Clark, Freshman from Tampa, Florida.

All of these five girls will appear in the "Miss Pine Cone" Court at the dance. Right now Dave Garraway of TV fame has the photographs of the final five and will pick the winner.

The music for the dance will be furnished by Ernie Cortez and the Crescendoes. To make sure everyone who could, would put a helping hand in any possible, (this offer came directly from a faculty member).

How many times have you heard that "I'm going home and do nothing because it's too boring around here?" This attitude of not participating seems to point out the fact that the students are just too immature to be in college and away from home. They have to be constantly entertained rather than foraging for themselves. The next time that you sit around on a dull weekend remember it is your own fault. Just as well as they do.

"The ability of being able to invent one's own division is a characteristic found only in the mature mind."

MUSICAL NOTES

ATTENTION music lovers -- more members are needed in order that we have a Band. Say, where are all you people? Aren't you want to have a Band? Come on out and join, or the band will be discontinued after this quarter. Maggie can call you and tell you the latest on the top ten hits of the week. They are: "Don't You Know" by Della Reese. "Mack the Knife" by Bobby Darin. "Mr. Blue" by The Fleetwoods. "Blackbird" by The Beatles. "Deck of Cards" by Wink Martindale. "Prisoner's Love" by Jerry Wallis. "Put Your Head on My Shoulder" by Paul Anka. "Seven Little Girls in the Back Seat" by Paul Evans and Pearl Bailey. "Unforgettable" by Guy Mitchell. "So Many Ways" by Brook Benton.

There were between 25-75 students on campus weekends, but there is a need for more. Freshman year I attended a college in Pennsylvania which was about the same size as VSC. There were between 25-75 students on campus weekends and we had a ball. There was always something going on there. We have to prove that we are a college and have things going on. It is our duty to prove that we are a college.

Here the average person thinks that if he can participate with his or her own little group that is enough. This is not the right attitude to take when there are other people concerned.

The reason why we never have a social event that is a success is because everyone takes the stand that the other fellow should do it. At the magnificent concert last Monday, there were less than a dozen students in attendance. Surely everyone didn't have a sick aunt or an exam on the next day.

The Latest Word

A few days of vacation, are you ready to settle back down and face the "fateful" finals? In only about two more weeks, another quarter of your college life will be past — ain't that scary? Hope all those folks who found their name on the "black" list are off and toppers in their classes!

It seems that Greek Week was responsible for the VSC band crazy. Even though there was past deal of competition in one of the events and someone had to lose, everyone had a great time. It seemed to promote a closer relationship between the Greek organizations.

"The Kick-Off" on Friday afternoon upon the candidates for the 1960 God and Goddesses were introduced and voted on. These candidates are: for Goddess, Mrs. M. Williams, Alpha Delta Pi; Mrs. E. D. Wight, Kappa Delta; Mrs. J. H. Hooks, Alpha Xi Delta; Mrs. J. C. Lamb, Kappa Delta; Mrs. J. H. Hooks, Kappa Delta; Mrs. J. M. Jackson, Pi Kappa Alpha; and Mr. and Mrs. J. D. Neikirk.

On Saturday night, November 20, the Tau Kappa Epsilon Fraternity held an informal party on the banks of the Withlacoochee River. Hot dogs were served to the guests present. The fall pledge class was in charge of the event. Chaperones were Mrs. Gertrude Odum and Mr. and Mrs. John Neikirk. The members of Kappa Delta Sorority were very pleasantly surprised on Thursday evening, November 19, when the pledges served the dinner buffet supper. After the meal was finished the group enjoyed singing. Another surprise then came when the president of the pledge class, Martha Sue Bragg, presented the presents. The fall pledge class was in charge of the event. Chaperones were Mrs. Gertrude Odum and Mr. and Mrs. John Neikirk.

Very Interesting People Of The Week

By Sandra Pattullo

This week the two very interesting people are the God and Goddess chosen to reign over the recent Creek Week, Virginia Lamb and Tommy Sessions.

Tommy is a junior from Valdosta. He is the president of his fraternity, Sigma Phi Epsilon, Vice President of the Circle K Club, Treasurer of the junior class, and Secretary of the I.P.C. His major is Accounting and his hobbies are hunting, and fishing. He also enjoys skiing, basketball and football.

He must be some man, because it was heard that Jeanne told him that she never knew what to expect because one day she was going with a boy, the next day a girl and the next day a god. The girl part was in the skirt his fraternity did during Creek Week. Virginia is from Thomasville, and is an Elementary Education major. She is a sophomore.

VSC Glee Club To Present Concert

The VSC Glee Club will present their annual Christmas Concert on Tuesday evening, December 8, at 8:00 o'clock in Pound Hall Auditorium on North Campus.

Indications are that the program this year will be one of the finest ever presented by the Glee Club. Designed to carry out the Yuletide message, the program consists of a variety of Christmas choruses and traditional songs. The stage decorations and lighting effects planned by members of the Glee Club will assist further in portraying the warm message of Christmas.

There is no admission charge to the program. Students and faculty are cordially invited to attend.

Dr. Durrenberger Lasion Officer

The Danforth Foundation, an educational foundation located in St. Louis, Missouri, invites applications for the ninth class (1960) of Danforth Graduate Fellows from college senior men and recent graduates who are preparing themselves for a career of college teaching, and are planning to enter graduate school in September, 1960, for their first year of graduate study. The Foundation welcomes applicants from the areas of Natural and Biological Sciences, Social Sciences, Humanitarians and all fields of specialization to be found in the undergraduate college.

President J. R. Thaxton has named Dr. J. A. Durrenberger of St. Louis University to the Danforth Foundation two or not to exceed three candidates for these 1960 fellowships. These appointments are conditional upon a "relationship of encouragement" throughout the years of study, carrying a promise of financial aid within prescribed conditions as may be required.

The maximum annual grant for single Fellows is $1500 plus tuition and fees charged to all graduate students with an additional minimum of $500 for each child. Students with or without financial need are invited to apply.

A Danforth Fellow is allowed to carry other scholarship appointments, such as Rhodes, Fulbright, Woodrow Wilson, Marshall, etc., concurrently with the Danforth Fellowship. Fellowships, and applicants for these appointments are cordially invited to apply at the same time for a Danforth Fellowship.

If a man received the Danforth Appointment, together with a Rhodes Scholarship, Marshall Scholarship, or Woodrow Wilson Fellowship, he becomes a Danforth Fellow without stipend, until these other relationships are completed.

All Danforth Fellows will participate in the annual Danforth Fellowship Conference on Teaching, to be held at Camp Minwaukegan in Michigan the week of June 29, 1960.

The qualifications of the candidates are the same as announced by the Foundation: character, personality congenial to the classroom, and integrity and character, including sound judgment within the Christian tradition.

All applications, including the recommendations, must be completed by January 31, 1960. Any student wishing further information should get in touch with our Liaison officer.
REBELS DEFEAT NORMAN PARK 76-71

By Lamar Pearson - Sports Editor

The Rebels really let the local fans down a lot Thursday, Nov. 12, when they barely managed to defeat Norman Park Junior College 76-71. Last year the Rebels ran up a score of 100 points, and last year's team didn't have half the potential that this year's team has.

Buck Etheridge pumped twenty-two points through the basket and collected twenty rebounds. Doug Parrish racked up twenty points.

There were the only players worthy of mention, and they weren't up to par.

The Rebels looked sluggish, they weren't in shape to play and missed far too many field goals and foul shots. They threw the ball away and the fast break couldn't be utilized because they didn't seem to get down the court fast enough. They did, however, display that fighting Rebel Spirit. Potentially the Rebels are really strong. They have a lot of talent, and they only need a little spark to ignite it. I hope that spark comes along soon, because if it doesn't, it's going to be a long winter!

Dorm Downs TKE To Become Champs

On November 19 the powerful dorm team ended all hopes that Tau Kappa Epsilon might have had in regards to an Intramural Football Championship. Jim Bailey snared a Weyman Vickers pass in the first quarter, and that was it as far as scoring was concerned.

The Dorm has had a big, powerful, and well-organized squad this year, and they have played some very fine football. In fact, all the teams that have participated this year in Intramural Sports had some sort of excitement moments on the gridiron. But it's huts-off to the Dorm lads who

Lettermen's Club

In a recent meeting held by the Lettermen's Club, the following officers were elected for the year 1959-1960: Lamar Pearson, President; Gene Peacock, Executive Vice-President; Gene Peacock, Secretary-Treasurer; and Emory Mobley, Reporter. Mr. Douglas Robinson is the faculty advisor.

Numerous projects were discussed during the meeting, and the club promises to be a very active one this year.

Ticket sales at all home games this season and pep rallies will be under the supervision of the Lettermen's Club.

The old lady had wheels put on her rocking chair so that she could rock 'n' roll.

Both the Freshman Math Award and the Chemistry Award. In her Sophomore year, Miss Forte received the Circle K Wians Award for top scholarship. For four years she has been a member of Sigma Alpha Chi scholarship organization, and for the past two years she had become a member of Alpha Chi. She is currently treasurer of Alpha Chi.

Miss Luke is the daughter of Mr. and Mrs. Walton Forte of Adel.

We are new champions. As far as Teke was concerned in the season's finale, they played a great game. It just seemed to be outweighed by several pounds, and they couldn't get sustained drive underway.

TKE Defeats Town

During the past week Tau Kappa Epsilon fraternity has defeated the Town team twice by forfeitures.

The scores were 0-0. Several times this year the Devils have failed to have enough men present to field a team, and they are hoping that the town boys will have a much better representation in the Intramural basketball season.

Math-Science Club Meets

The Math-Science Club held their first meeting of the year last October. Very few of the members attended this meeting.

The professors and the few members that did attend were faced with the problem of deciding if the club should be discontinued.

A questionnaire was sent out to the students. Nevin's and the math- science majors were asked to fill out the questionnaire. The questionaire reflected the interest of the students in the club and it has been continued.

The meeting of November eleventh consisted of elected officers and guest members.

The officers elected were: treasurer, Moody McDuffie, secretary, Hugh Mcintyre, and milliner, Felton Thrift.

The next meeting will be held December the ninth. We are looking forward to a successful year with the club.

The majority of people enjoy hard work—if it is done by somebody else.
