AT RANDOM

with Clegg

Well, this is the last At Random with Clegg you will see. By the next issue of the newspaper, there will be a new editor sitting behind the desk in the Publicity Office. It has indeed been a wonderful, and fruitful year for At Random in so many ways. And now that the time approaches, it is hard to leave.

Now is the time ones wants to say, "Only for another year." Maybe with a few more months at Random could do something with the newspaper. One hardly earns what to do before its time to turn over the reins to someone new.

At Random has had a wonderful core staff, he says core staff because at this writing we have only four active staff members. A note of personal thanks is extended to Sandra Massey, Society Editor; Sandra Pattillo, News Editor; Lamar Pearson, Associate Editor (Sports); Emmett Taylor, circulation.

In the short time the new college public relations director has been here At Random has found him very helpful. At Random feels that next year's staff will find him invaluable.

While all these laurels are being passed out perhaps we should give one to the faculty. We haven't always been in their favor, but they have been patient since this is a student newspaper, and published by the students, we have felt that we should provide reading matter for the student body and always keep the student in mind and his views uppermost (in editorials, if we felt him right in his point) although, we have not closed our ears to what the faculty has had to say. We feel we have all benefitted from this mutual help of each other.

We have endeavored to keep our doors open to all opinions. We often wished that more students would have availed themselves of this and turned in articles or letters for us to print.

But, nevertheless, we have tried to keep an open mind and report the news as it happened.

At Random is pleased that there was a paper filled to capacity each time with articles and we are all justly proud of our special extra large 40th Homecoming issue which to our knowledge was the first on the campus.

At this writing the new editor has not been selected, however it will be inserted here at the bottom of this column before press time.

Permit At Random to again say a simple two words which may be so often overused and insincere, but here meant with all sincerity, THANK YOU!

ATTEND THE CHURCH
OF YOUR CHOICE SUNDAY

MELTON TO HEAD SGA IN 1960-61

By Sandra Massey

David Melton will head the slate of Student Government Association officers for the upcoming college year as president. Winning by a small majority over his opponent, Joe Webb, Melton was elected on April 26, at which time other SGA officers and class officers were elected. Serving with him as vice-president will be Kelsey Kemp; as secretary, Kay Domingos; as treasurer, George Bennett.

Excitement ran at a high ebb around campus during election day. The election was postponed from April 20 to the present date because of a discrepancy in the voting procedure. A special assembly conducted by Jimmy Broxson, present SGA president, was held on Monday preceding election day. At this time the reasons were given for the re-election.

Jimmy Broxson made a short statement about the previous election day saying it was a "mass chaos" and asked that this be avoided in the re-election. He denied that the election, as was rumored, was a battle between fraternities and also he said that the correct procedure in protesting an election was to wait until the votes had been counted and then protest.

Later on the day of the assembly a letter was placed in the post-office box of each student by Lewis DeWeese stating that "this is a supplementary statement to the erroneous one issued by Mr. Broxson pertaining to last Wednesday's election". This letter stated that "the SGA did Not find the discrepancy.

Nor could it be said that the SGA, as such, caused the discrepancy." Mr. DeWeese expressed (Continued on Page 4)

VOTING - Barbara George and Charles Green cast their votes in the SGA election while Jimmy Broxson, back to camera, checks their names off the list.

Honor Societies Sponsor Tenth Annual Honors Day Program

By Sandra Pattillo

The tenth annual Honors Day program was presented on May 4 and was sponsored by the Sigma Alpha Chi and Alpha Chi National Honor Societies. The speaker

for the program was Dr. Edwin M. Everett, Professor and head of the English department at the University of Georgia. Dr. Everett was the speaker at the first Honors Day program ever held on the

college campus.

The parents and the husbands or wives of the Sigma Alpha Chi and Alpha Chi members were invited to be the guests of the College on Honors Day. They were entertained at a coffee in the Rotunda of Ashley hall during the morning and at 11 o'clock they attended the program in the gym.

During the program Dillard Ensley, retiring President of Sigma Alpha Chi presented a history of this organization, after which the new President recognized the new members. Laura Nell Bowen, retiring Alpha Chi President, gave a brief history of this organization and introduced the new members. Awards were presented to Marga and Mac and certificates to the graduating seniors of the honor societies and the Who's Who.

The Margas and Macs are:

Senior College: Jean Hooks, Emmett Taylor and Lamar Pearson; Junior College: Kay Domingos and George Bennett. The seniors who are listed in Who's Who in American Universities and Colleges this year are: Laura Nell Bowen, Dot Harrell, Jerome Clegg, Dillard Ensley, Jimmy Broxson, John Jackson, Jo Seagraves, Gayle Luke, Gail Parish Skiles, John Baskin, Juanice Forté, and Douglas Parrish.

The Man of the Year Award presented annually by Pi Kappa Phi and the Teacher of the Year were not available for announcement at press time.

New Grading System For Valdosta State

By Jean Culpepper

The rumor that has been going about the campus concerning a new grading system for VSC is no longer a rumor. Dr. Thaxton, upon being questioned, has verified the fact there will be a new grading system effective in September of 1960.

The new grading system will add a plus symbol to the letter grade received to distinguish and designate certain grade levels. It will also change the number of quality points per quarter hour.

To Clarify the system, Mrs. Thomas, registrar, said, "The new system does not change the

quality points already earned at VSC. One quarter hour passed with a grade of C formerly carried one quality point. Beginning in September of 1960, one quarter hour passed with a grade of C will carry two quality points. The procedure will simply be to double the number of quality points earned prior to September 1960, to be added to quality points earned after September, 1960.

A quality point system is a device used to give numerical value to letter grades for ease in computing averages. An example of the grading system is: A student (Continued on Page 2)

LETTER GRADE	NUMERICAL EQUIVALENT ON BASIS OF 100	QUALITY POINTS PER HOUR
A	90-100	6
B Plus	85-89	5
B	80-84	4
C Plus	75-79	3
C	70-74	2
D	60-69	0
F	0-59	0

Editors for 1960 Publications Named Today

A committee of four students and two faculty members today released the names of students who will head VSC publications during the coming school term.

Lamar Pearson, present Sports Editor of the Campus Canopy, was named to the top spot of that publication with Sandra Pattillo selected as Associate Editor.

Marilyn Sizemore was named editor of the Pine Cone and Douglas Calhoun was selected for the editor-ship of the V Book.

The various editors will choose their other staff members at a later date due to a lack of applications for those positions.

The committee for selection was Jimmy Broxson, John Jackson, Robert Byrd, Tony Corso, Mr. Erickson and Mr. Pember.

EDITORIALS

Problems Of College Life

By Virgil Lovett

College life presents a wide and varied assortment of problems. Some are temporary and thus minor, creating little if any disturbance. Others, on the other hand, are amazingly capable of causing major factions which impede the wheels of progress.

Perhaps the major problem that affects the achievements of education is the unpreparedness of students enrolling in colleges. That is to say, the majority of high school graduates are incapable and, to some extent, incompetent upon entering an institution of higher education. Due to this fact serious repercussions occur to the educational program. The level of learning is lowered and the rate of progress is retarded.

Evidence of this alarming educational impediment is widespread. Every college is infected with it, and frantic attempts are being made to discover a remedial solution. Continually members of college faculties express concern regarding the lack of students who possess numerous attributes of the scholar. These complaints are heard must conspicuously from those faculty members who teach foreign languages. They find that the ordinary or average students does not possess a sufficient knowledge of grammar; therefore, his work is the more complex and difficult.

College placement tests also show convincing proof of educational infirmities. For example, a college entrance examination was given recently to a particular high school's senior class. Only twelve of the total enrollment of approximately thirty-five were able to pass.

This is a serious threat to education! It can be solved only by the adoption of a sterner and more effective educational system.

Grading System

(Continued from Page 1)

with a coverage and ninety hours prior to September of 1960 would have the ninety quality points earned by the C doubled. Then

the grades received after September, 1960, would earn the new number, and these would be added to the old number; and thereby, determine the final standing.

The old Junior College Dean's List requirement is an average of 2.3 and the Senior College Dean's List requirement is a 2.5. Under the new system, the requirements for Junior College Dean's List and Senior College Dean's List will be 4.6 and 5.0 respectively.

Upon being questioned concerning a new grading system for VSC, the following opinions were given.

Juanice Forte: It would be fairer because those people with border-line grades would be given credit for them.

Dr. Thaxton: It will give exact grades and may help students get into medical school, whereas, under the old system some students were kept out because there was no way of distinguishing a B from B plus.

Brinkley McNeal: It's a good idea. It will give a greater division and create an incentive to get better grades. It will make one want to work harder because good grades will be easier to make.

Martha McKey: It is fairer and gives an accurate picture of grades. This era makes it more important to know accurate grades because of problems of getting into graduate school.

Musical Play Scheduled Here

The first musical play to be produced by VSC since it became co-educational in 1950 will be seen on May 11 and 12. It is a modern musical comedy based on the humorous situations which arise when a group of male students meet a group of female students on a deserted island (accompanied by their professors). The title is Kittiwake Island.

The music is by Alec Wilder. The direction of the play is a three-part job being handled by Miss Louise Sawyer, in charge of acting; Mr. Webster Teague, in charge of music; and Mr. John Youmans, in charge of choreography.

The leading players are Miss Kay Domingos, Mr. Jim Varner, and Mr. Steve Vaughn.

Miss Hughes Spoke At YWCA Meeting

"Eighty-seven years ago, some 5 or 6 students at Normal University in Illinois, deciding that education was not enough, began to meet for Bible study and prayer. This was the beginning of the Young Women's Christian Association", Miss Ruth Hughes told the Y. W. C. A. at a general meeting on April 27.

After giving a short history of the organization and the movements it has sponsored, including the World University Service, Miss Hughes discussed the study program now included in the Y. W. C. A. These are as follows: Values We Hold, Work and Vocation, and Social Problems. In studying each issue, the group attempts to learn the facts involved, to understand them, and to relate them to the Bible and Christian living.

Miss Hughes, who is the National Secretary of the Southern Region of the YWCA, spent two days at VSC.

INSTALLED - New YWCA officers at VSC, left to right, are: To row Joyce Robinson, Nashville, chaplain; Glenda and Charlotte McClellan, Nashville co-chairmen ways and means committee; Glori Grissett, Ray City, social chairman; Dellene Branch, Enigma, membership chairman; Carol Vick, Moultrie, music chairman; Bottom row, Mary Lou Coleman, Tifton secretary; Judi Robertson, Tifton associate vice-president; Latrelle Reynolds, Sylvester, president; Wanda Thrift, Cobbtown, treasurer; not in picture, Barbara Langley Sylvester, first vice-president; Gertrude Berrie, Wavely, publicity. The YWCA at Valdosta State College held its installation of 1960-61 officers dinner at the private dining room at VSC. The service was led by retiring president Priscilla Busby of Moultrie. The new officers form a cabinet, who are responsible for planning the year's programs.

Math-Science News Letter

Drs. Wall and Connell attended meetings of the Academic Committee of the University System Advisory Council in Atlanta on April 25-26 and April 27-28, respectively.

Dr. Wall represented the Mathematics Department and Dr. Connell the Biology Department. The latter also met with a sub-committee to evaluate the curriculum in General Zoology for the University System. Dr. Connell is serving as chairman of this sub-committee.

James May, a medical student at Augusta, visited the campus on April 14 during his spring holiday. He brought us the good news that Elton Dupree, VSC alumnus who is doing graduate work at the University of Nevada, has been accepted as a member of the September 1960 class at the Medical College of Georgia.

Bill Holt, who completed the requirements for his degree in December, visited us recently. He is employed at the Regional Public Health Laboratory in Waycross where he is doing virus research under the direction of Dr. Lars Karstad, Professor of Veterinary Medicine at the University of Wisconsin. They are interested in two virus diseases of domestic animals which can be transmitted to man.

The Biology Department acknowledges, with our thanks, a collection of recent bulletins, many from medical colleges, which were contributed by John Seasholtz.

We have received an inquiry relative to our Medical Technology program from a prospective student, who is employed at present at the Aiken County Hospital in Aiken, S. C.

In a recent letter the Director of Research for the Association of American Medical Colleges calls out attention to the apparent shortages in the proportions of college graduates who are seeking careers in medicine. Should any of you science students have ideas that might help to explain this situation, please enlighten us.

The Mathematics-Science Seminar will hold its final meeting of the year Monday evening, May 2, 1960. The speaker of the evening is to be Dr. R. De Baum of the Stamford Research Laboratory, American Cyanamid Company, Stamford, Connecticut. Dr. De Baum will address the Seminar on the subject of "The Use of Catalysts in Chemistry and in

Gil Refining".

The visit of Dr. De Baum to Valdosta State College for the purpose of addressing the Mathematics-Science Seminar has been arranged by Mr. Richard C. Ruffer, Manager of the American Cyanamid plant in Valdosta.

At the last regular (April meeting of the Math-Science Club the following officers were elected for the 1960-61 academic year:

President, Robert Waters; Vice-President, Jerry Straughan; Secretary, Marilyn Sizemore; Treasurer, Bobby Hurt; Reporter, Barbara Langley. Undoubtedly they will welcome suggestions for programs and will appreciate your cooperation in making this organization an effective one next year. This club does represent an entire Division of the college. Approximately one hundred students were eligible for membership that last time that invitation were issued.

PANHELLENIC COUNCIL - New officers were voted in to head the 1960-61 Panhellenic Council at VSC. Bottom row, left to right, Jean Hooks, Secretary; and Sandra Pattillo, President. Top row, left to right, Ann Powell, Vice-President; and Sandra Massey, Treasurer.

SOCIETY

By Sandra Massey

The Latest Word

Only one more month of school and then it's summer! For many this will mean summer school, for others it means a much needed vacation, for others an exciting trip, and still for others those wedding bells. We hear that among the latter group will be Jo Seagraves, Dot Harrell, Bebe Key, Charlotte Chapman, Connie Jones, Jeri Vincent, But Tidmore, Elizabeth Brooks and, probably, many many more. All we can say is "Good luck, girls!"

Tau Kappa Epsilon Fraternity held its annual Red Carnation Ball on Saturday evening, April 23, at the Daniel Ashley Hotel. The Teke brothers and their dates enjoyed dancing to the music of the "Teen Beats", the high school combo. During the evening announcement was made about the chaptersweetheart and the "Teke Man of the year". Toni Steele was chosen as Sweetheart and Lewis DeWeese was honored by being chosen as the man of the year.

On Tuesday afternoon, April 26, Kappa Delta Sorority held a party at the home of Beverly Ann Greene at Twin Lakes. The sun was fine and the girls and their dates enjoyed afternoon of swimming, skiing and good food.

Sue Wright, Louise Wight, and Sandra Massey journeyed to Florida State University for the weekend of the 24th where they attended a KD Workshop. The girls stayed at the KD house there and had a very nice and informative weekend.

The Valdosta City Panhellenic gave a scholarship luncheon for the sororities on VSC campus on Saturday, April 24. At this time the annual scholarship award was made. This year capturing the prized silver plate from Kappa

Delta was Alpha Xi Delta. The luncheon was held at Ashley Oaks Restaurant with Dr. Ralph Thaxton making the luncheon address.

Dr. Thaxton made a very inspiring talk on the importance of being the best at whatever you work at. The award was presented to Jean Hooks, president of Alpha Xi Delta, by Mrs. Pat Smith, president of the City Panhellenic group.

The Delta Theta Chapter of Alpha Delta Pi will hold a rummage sale on April 30 for the purpose of raising money for their beach trip.

Alpha Xi Delta feted the faculty on Sunday afternoon, April 25, with their annual Rose Reception.

The rotunda of Ashley Hall, where the affair was held, was beautifully decorated with greenery and roses, the sorority's flower.

Panhellenic officers for the school of 1960-61 were elected recently. Heading the slate is Sandra Pattillo, Alpha Delta Pi, as president; as vice-president is Ann Powell also of Alpha Delta Pi; serving as secretary is Jean Hooks of Alpha Xi Delta and as treasurer is Sandra Massey of Kappa Delta.

WRHC OFFICERS - These are the new officers of VSC's Woman's Residence Hall Council. The purpose of the WRHC is to regulate the dormitory student's life for the good of the majority. Back row, left to right: Sandra Massey, Junior Representative; Janice Taylor, Secretary-Treasurer; Mrs. Joe Wisenbaker, Advisor; Louise Wight, Senior Representative; Judy Whorton, Activities Chairman; and Virginia Lamb, Second Vice President. Front row, left to right, Leslie Brown, President; Beverly Bridges, Sophomore Representative and Sandra Pattillo, First Vice-President.

Robert Waters Elected Math Science President

At a recent meeting of the Math-Science club the members elected new officers. Those who are serving for the coming year are: Robert Waters, president; Jerry Straughn, vice president; Marilyn Sizemore, secretary; Bobby Hurt, treasurer and Barbara Langley, reporter.

Retiring officers are: Larry Water, president, Lewis DeWeese, vice-pres.; Hugh McIntyre, secretary; Moody McDuffie, treasurer.

Three Pember Paintings Shown In Georgia

Currently on exhibition in Georgia, were three paintings by a member of the Valdosta State College faculty. Joseph W. Pember, associate professor of art, had three of his paintings being shown in three widely separated parts of the state.

In Valdosta, an oil painting relating to the crucifixion was at the Carnegie Library as part of the Painting-of-the-Month program. It was shown through the Easter season.

In Savannah, Mr. Pember, was represented as part of the current Association of Georgia Artists show at the Telfair Museum. His painting, "Head of Christ", also an oil, is on display for the month of April.

In Atlanta, Mr. Pember was one of many Southern painters who entered their works in the Sixth Annual Painting-of-the-Year Exhibition at the Peachtree Galleries, (cash awards are given in this exhibition and in keeping

with the religious theme of April, this painting was an oil of Christian symbols.)

All three of the above were executed in a divisional style of color similar to the structure of stained glass. They were part of a series of painting being created over a period of three years. Mr. Pember is a graduate of the University of Georgia, having received two degrees from there.

Prerequisites

Students are reminded that in the fall certain courses will be renumbered and the bulletin should be checked both for the new number and to see if certain prerequisites for certain courses have been met with a passing grade. This is especially true in chemistry where a passing grade of "C" is needed before more advanced courses may be taken. Also, in chemistry, students will register separately for lecture and lab instead of as a unit.

Freshman English 106 will have to have at least a "C" average for credit beginning this fall. For other similar changes, check your new bulletin carefully.

Jerome Clegg Senior Recital

By Sandra Pattillo

Jerome Clegg was presented in his senior recital in Pound Hall Tuesday April 26. In his presentation, he was assisted by Barbara Walker, Barbara Pitts, Maurice Whiddon and Stephen Vaughn at the organ.

In a version of A Morality Play For The Leisured Class by John L. Balderston, Mr. Clegg portrayed the part of the servant to a soul, which was played by Mr. Whiddon. In a second play, I Rise In Flame, Cried The Phoenix about D. H. Lawrence and by Tennessee Williams, Mr. Clegg portrayed the part of D. H. Lawrence with Miss Walker and Miss Pitts portraying the parts of the two women, Frieda and Bertha.

The third part of the program was based on Shakespeare's Ages Of Man. Mr. Clegg was superb in his presentation of varied excerpts from plays by Shakespeare. Amid great applause, Mr. Clegg returned to the stage for three curtain calls.

Following the performance, a reception was held in the Rotunda of Ashley Hall.

CAMPUS CO-ED

Marian Horne

Our Coed for this week is luscious, green eyed Marian Horne, a senior from Doerun. Marian is a member of Kappa Delta Sorority and is Sweetheart of the Senior Class. She is 5' 7" tall. She resides in Ashley Hall and is majoring in art.

**He was tired ...
now he'll sleep forever**

When you feel drowsy at the wheel, get off the road. Take a nap. Better late and alive! Last year nearly 40,000 died on our roads. Too many were victims of their own mistakes. Good drivers never risk the lives of others — or their own!

-SPORTS-

Rebels Down Piedmont Jacksonville And Taylor

By Lamar Pearson

Behind the masterful four hit pitching of big Steve Kebler the VSC Rebels downed the powerful Piedmont Lions. The Lions were the winners of the GIAC conference last year, and supposedly they were the favorites to repeat again. Valdosta State in winning this one gave warning to the rest of the conference that they would have to be reckoned with this year before the title is decided.

Only one of the three Lion's runs was earned. Bruce Stroud lined a Kebler pitch over the right field wall, and the scoring was over for them. The game proved to be an exciting one as it took extra innings to decide the outcome.

Going into the last of the ninth inning the Rebs were trailing by one run. Gerald Delaney came to the rescue for the Rebs and started a rally when he lined a screaming double down the left field line. Hansel Faulkner then scored him on a single through the left side of the infield. In the bottom of the twelfth the decisive run was scored.

Prestige was accorded the VSC Rebels when they defeated the Jacksonville Dolphins in Jacksonville on April 4. This was only the second time that a Rebel team has won on Florida soil and it was the first time that the Rebels had defeated the Dolphins in Florida. Big Buck Ethridge baffled the usually potent Dolphin sluggers and the final score was 8-4. It was an error riddled game as both teams had several miscues.

Local partisans certainly missed

Rebels Trample N. G. Cadets 13-2

Buck Ethridge was in excellent form and the Rebel hitters brought their hitting eyes with them as they downed the Cadets by the score of 13-2. It was a continuation of Friday's game as the Rebel stickmen had another fabulous day at the dish.

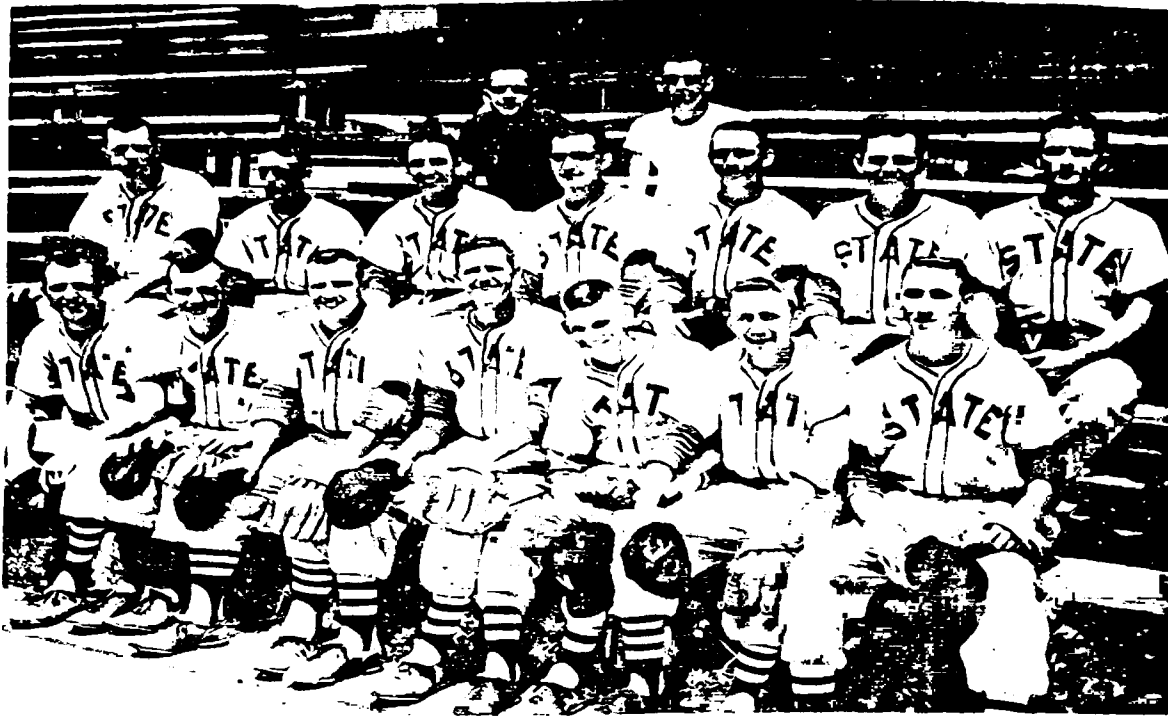

Ethridge helped his own cause with a sizzling five for five, one being a tremendous home run, high and deep over the right field wall.

The Rebels are certainly getting an early start and they really look, for one thing Coach Grant has some hurlers to go with on the slab, and they will win more games for a coach than six .500 hitters. The infield really looks great and the team is definitely strong up the middle which of tentimes decides a winner.

The outfield, although not as polished as the infield does a creditable job.

a fine game and a slugfest at Pendleton Park as Steve Kebler handcuffed Taylor University on April 15, limiting them to four hits as the Rebel hitters went on a rampage collecting 14 hits. There were four doubles, one triple and one homerun.

Collecting doubles were Gerald Delaney, Hansel Faulkner, Emory Mobley, James Jennings, and Steve Kebler, Jennings hit a triple and Mobley hit a shot to right center which enabled him to circle the sacks for a homerun. Kebler looked great as he fanned several Taylor Batters.

BASEBALL TEAM - The Valdosta State Rebel baseball team poses for a picture at mid season. The team has won 7 games and lost only three. Bottom row, left to right, are: Jennings, Mobley, Delaney, Etheridge, Harrington, Norman, and Chitty; Middle row, left to right, are: Kebler, McIntyre, Griffis, Thomas, Brock, Taylor and Faulkner. Top row, left to right: Coach Grant and Mike LaHood, manager.

Mary Todd Lincoln's Life

Mary Todd Lincoln was the only woman who ever lived in the White House for a considerable time without occupying any official station. In recalling the events of Lincoln's assassination in April 1865, Dr. R. Gerald McMurtry, Director of the Lincoln National Life Foundation, stated that the assassination on April 14, she remained in the executive mansion, although President Johnson, the legal tenant, had been sworn into office the day Lincoln died.

After the President had been shot, Mrs. Lincoln followed the stricken body of her husband across the street from Ford's Theatre to a dwelling and remained there until the following morning when Lincoln passed away. Dr. McMurtry relates that the President's widow was a pathetic figure, given to outbursts of expressions of grief. One such was "Bring Tad for he will surely speak to him."

Historical documents show that Tad Lincoln, the President's favorite son, was at Glover's Theatre watching a comedy at the time of his father's assassination. The play was interrupted by the theatre manager when he came to the stage and announced: "La-

dies and gentlemen: I feel it my duty to say that Abraham Lincoln has been shot." Upon hearing this, young Tad Lincoln ran from the theatre crying in agony.

Mrs. Lincoln was not able to attend the funeral services of her husband in the Green Room of the White House on Wednesday, April 19. Tad Lincoln could not be induced to visit the room. Robert was the only immediate member of the family present.

Melton—

(Continued from Page 1)

his shocked attitude toward such an issue on our campus. The election campaign speeches had been made at an earlier assembly and so there were none presented at this time. With two diverse opinions before them, the Valdosta State student body went to the polls on Tuesday. The election at this time was held in the Public Relations Office and was carried on by interested students and faculty members.

Those elected to serve with the new SGA officers in other capacities were as follows:

Senior Class: Pres: Buck Etheridge, V. Pres.: Mike Singletary, Treas.: Bascom Raulerson, Sec.: Penny Williams, SGA: Boy: Bernie Brown, and Girl: Jean Hooks.

Junior Class: Pres: Butch Hickox, V. Pres.: Charles Green, Treas.: Betty Pace, Sec: Beverly Ann Greene, SGA.: Boy: Butch Hickox, and Girl: Jeanie Posey.

Sophomore: Pres: Doug Eason,

V. Pres.: Martha Harrell, Treasurer: Gloria Reagan, Sec: Beverly Bridges, SGA.: Boy: Gary Dooley and Girl: Toni Steele.

SGA Dormitory Rep: Girl: Louise Wight, and Boys: Jan Rogers.

SGA Town Rep.: Girls: Phoebe Humphries, and Boys: Billy Dasher.

All three amendments received a yes majority.

Anachronism?

Not really. 'Cause if Coke had been around in Caesar's day, Caesar would have treated himself to the sparkling good taste, the welcome lift of Cokes! Caesar's motto—"I came, I saw, I conquered." Pretty good motto for Coke too—the prime favorite in over 100 countries today!
