Number 15

EIGHTY FIVE SCHEDULED TO GRADUATE JUNE 3

By Pat Hunter

Next week this quarter will end, and with it ends the school year 1959-60. It has certainly been a good year here at VSC. Since the beginning of Fall Quarter the students have looked forward to Rat Week, Greek Week, the Holly Hop, Homecoming, Beach-Party Weekend, and the Spring Dance. However the biggest event of the year will be on June 3 - Graduation.

This year there are eighty-five candidates for graduation, among these are many of the most valuable students on our campus. Upon their graduation, from the under-graduates, are the wishes for a most happy and successful future.

The Baccalaureate Service is to be held May 29, 1960, in Pound Hall Auditorium, North Campus, at 4:00 p. m. The ser-

mon will be given by Dr. Guy N. Atkinson.

Dr. Atkinson is a native of Hartwell, Georgia. He received his A. B. and D. D. degrees from Mercer University, and his Th. B. from Southern Baptist Seminary. Dr. Atkinson served as pastor of the First Baptist Churches in McDonough, Cartersville, and Basile. He has been Director of the Extension Program of Christian

Education through Mercer University. Dr. Atkinson has been President of Norman College since 1952.

Following the Baccalaureate Service, the college is honoring the seniors at a tea on the terrace of Ashley Hall from 5:30 to 6:30. The faculty and the families of the seniors are cordially invited.

Graduation exercises will be held in the gymnasium, June 3, at 10:00 a. m. The address will be given by Dr. Arthur M. Gignilliat.

Dr. Arthur M. Gignilliat is the present Administrative Assistant to the Chancellor, University system of Georgia. He received his A. B. degree, major in English, and his M. A. degree, major in English, minor in History, at the University of Georgia. Dr. Gignilliat did graduate study at the University of Chicago, and he received his Ph. D. at the University of Texas, with a major in Junior College Administration and a minor in educational psychology and English.

Dr. Gignilliat served in the United States Army in 1940-46. He was Registrar and Admission Office at the Armstrong College of Savannah, at Savannah, Georgia. Last year Dr. Gignilliat served as Director of the University of Arkansas Graduate Center, Little Rock, Arkansas. He is a member of the following honor societies: Phi Beta Kappa; Phi Kappa Phi; Sigma Delta Chi; journalism; and Phi Delta Kappa, professional fraternity for men in education.

Library Books

The library staff has decided that college students are intelligent adults and, therefore, capable of meeting their own responsibilities. As a result of this decision, there will be no chasing delinquent book borrowers during final examinations. The responsibility for clearing records is up to the individual student. All library materials are due not later than Monday, May 30. IS YOUR RECORD CLEAR? Be sure it is by next Monday.

Announcement

Danny Connell, Freshman at Valdosta State College, has received an appointment to the United States Naval Academy at Annapolis Maryland. He is the son of Dr. and Mrs. Clyde Connell of Naylor, and is a member of the Sigma Alpha Chi Honor Society.

We who have gone to school with Danny wish him well and know that he will make his family and the people who have faith in his intellectual abilities proud as he enters this new phase of his educational development.

IRC Reviews

For the seventh consecutive year the International Relations Club under the direction of Miss Mildred Price, club advisor, has been conducting a series of radio programs on station WGAF. These programs have been dealing with problems of International significance.

Mr. David Melton, a history major has been the moderator for these discussions entitled "Presidents, Politics, and Policies". The panel has been composed of members from the club.

The club has discussed everything this year from the Wisconsin primary to the deposition of Sygman Rhee in South Korea. Recently officers were elected for the academic year of 60-61. They are Lamar Pearson, president, Mike Singletary, vice-president; and Beverly Ann Green, secretary.

Pine Cones

The much anticipated PINE CONE has at last arrived and as all PINE CONES in the past have been, this one was also a marvel in itself. The arrangement was entirely different from that of last years annual, but one must add that the change added much to the appearance of the treasure piece of years to come. The Canopy congratulates Editor Taylor and his staff on a job well done.

Students are reminded that they may still pick up their Pine Cones in the Public Relations Office. If you have attended three regular, consecutive quarters, your Pine Cone costs you nothing, having been paid from your Student Activity Fee. If you missed a quarter or two, the cost is \$2 per quarter missed. Pine Cones will be available at any time there is someone on duty in the office.

Also a reminder that those who still want their annual pictures, taken by Bookman's studio, may also procure them in the Public Relations Office.

CONSTRUCTION BEGINS - Last week saw the beginning of the new quarter million dollar annex to West Hall. The contractor, personnel and equipment, moved in and the noise of progress began. First things first, as they say, and the workmen built a toilet and tool shed first day (in order of importance we assume). Then the bulldozer arrived and began tearing up grass, ground, sidewalk, and a bit of water pipe. At weeks end, traffic had been detoured out the side entrances of West Hall, flooding checked, noise accepted as normal, and thoughts were turned to the future when the air-conditioned classrooms would be opened and in use . . . amen!

New Greek Officers

Valdosta State College Greeks recently elected the officers who will serve for the coming school year.

Alpha Delta Pi elected Patricia Luke, president; Jeannie Posey, vice-president; Sandra Pattillo, recording secretary; Marilyn Hughes, corresponding secretary; and Ann Powell, treasurer.

Heading the Alpha Xi Delta sorority will be Jean Hooks, president; Patricia Herrington, vice-president; Beverly Bridges, recording secretary; Martha Harrell, corresponding secretary; and Gloria Reagan, treasurer.

Sandra Massey is serving as president of Kappa Delta for the second time. Virginia Lamb is vice-president; Beverly Ann Greene, secretary; Sue Wright, editor; and Kay Domingos, treasurer.

Sigma Phi Epsilon elected George Bennett president, Billy McDaniel, vice-president; Butch Hickox, secretary; and Micahel LaHood, comptroller.

Tau Kappa Epsilon's President is Bernie Brown; vice-president,

New Teachers

VSC gains a new teacher and a new Dean of Women beginning this summer. Miss Fredeva Stokes Ogeltree, last years star teacher in Valdosta, joins the staff of VSC as Dean of Women and Associate Professor of History. Miss Ogeltree from Agnes Scott and her MA degree from the University of Georgia. In addition, she has taken graduate training in the Appalachian State Teachers College, Syracuse University and the University of California.

She has taught at the Campbell High School in Campbell, Alabama, was principal of Nichols High in Nichols, Georgia, and from 1927 until now has been teaching history at Valdosta High School where she was also chair-

Lamar Pearson; secretary, Robert Waters; and treasurer, Ben Force.

The new president of Phi Kappa Phi is Joe Tomberlin; vice-president, David Melton; Jim Stevens, historian; Wayne Garrick, warden; and Tony Corso, chaplain.

The Inter-Fraternity Council for 1960-61 also elected new officers to serve for the coming year. It was a specially called meeting presided over by retiring president, Jerome Clegg. The new council members are Bernie Brown, Lamar Pearson, Joe Webb, TKE; David Melton, Ashley Register, Joe Tomberlin, Pi Kappa Phi; George Bennett, Butch Hickox, Billy McDaniels, Sigma Phi Epsilon. Officers are George Bennett, President; Ashley Register, Secretary; and Joe Webb, Treasurer.

man of the social sciences. Miss Ogeltree also has been active as the supervisor of practice teachers during the last five years.

President Thaxton has also announced the appointment of Mrs. Gertrude Schroer Veatch as Instructor of Physical Education at the college. Mrs. Schroer is a graduate of the Sargent College of Boston University where she majored in Physical Education and Dance. Since her graduation, she has taught at Ward Belmont College at Nashville Tennessee and at Valdosta High. Mrs. Veatch is a native of Valdosta.

VSC CALENDAR

May 27 - Seniors will rehearse at 10:20 a. m. in the gymnasium.
May 29 - Baccalaureate services will be held at 4:00 p. m. in Pound Hall Auditorium, North Campus.
May 30, 31 and June 1 - Final exams.
June 3 - Commencement exercises will be held at 10:00 a. m. in the college gymnasium.

EDITORIALS

Something Of Value

By Lamar Pearson

The continental United States and the world has been topsy-turvy in recent days. Political analysts have seen the Korean government change hands, with the long-term Sgyman Rhee being spirited aside, and in Turkey, students have poured forth invective on the Menderes regime. In July, Democrats will get a change to sharpen their tongues and blast the Republicans from Maine to California.

Here on our own campus we have recently seen an old regime replaced by fresh blood, invigorated with the tantalizing prospects of more and better things for State and its students next year. The old regime had a lustrous year, and I am sure that the new one will do even better. One thing is for sure, and that is the constituents will have more opportunities to voice their opinions next year. An amendment was passed requiring each Student Government representative to meet with his class twice each quarter. Students have always been welcomed at SGA meetings, but to my knowledge none exercised their prerogative this past year.

A select group of students were recently honored at VSC for their excellence in scholarship. To them the CANOPY extends congratulations, and to those who were not honored; there is plenty

of time to amend scholastic faults and to occupy the seat of glory next year.

VSC's Rebels will have not completed their final games of the season by the time the CANOPY goes to press. The fellows have certainly had a wonderful season, and they have provided some thrilling baseball on occasion for the fans who attended the games. Golf and tennis are additions to the Inter-Collegiate program at State this year, and they have had successful seasons. In fact, every athletic team at VSC this year has represented the alma mater and represented it well.

Final exams will be on the table soon, and I certainly wish all of you the best of luck on them. To the graduating classes of June and August, the best of luck in your new endeavours, and we hope that many of you will continue your scholastic careers in graduate school this fall.

Athletic Banquet

The second Athletic banquet was held recently at the Ashley Oaks restaurant. This occasion was begun by the Student Government Association under the administration of Joe Patterson and is being continued under Jim Broxson's. Coach Summerall of Thomasville was the speaker and he pointed out the athletes place

Cliques On The Campus

Politics, whether it be on the national, state, local or college level, has an inherent tendency to give birth to cliques and all of the concurrent ills which follow. Valdosta State College is no exception.

Webster says that "clique refers to a small, highly exclusive group, often within a larger one, and implies snobbery, selfishness, or, sometimes intrigue." How right he is. Where one finds cliques running a student organization, as has been true in the past at Valdosta State, one will find a plethora of the above mentioned items - snobbery, selfishness and intrigue.

Valdosta State was fortunate last year in as much as it chose as SGA President a man who was not a believer in cliquism. But with the election of SGA officers this year the Student Body came too close to subjection by "the clique" than was comfortable.

The election just past is one that all the students of Valdosta State might do well to remember. It was a prime example of cliquism at work. With the usual tools of disparaging remarks, insidious accusations, and "black" letters filled with half truths and whole lies, certain elements at-

tempted to wrench the role of leadership from those deserving it. on the campus and stated that through participating in athletics that a student is better prepared to take his place in a competitive society such as the one that we are living in today.

tempted to wrench the role of leadership from those deserving it.

DAVID MELTON

Value Of Good Grades

We recently had our annual Honors Day at VSC, and, you all know, that's the day on which our most outstanding scholars receive their certificates of scholastic excellence. The guest speaker for the occasion was Dr. Edwin M. Everett, head of the English Department at the University of Georgia. Dr. Everett presented a well-worded and well-organized speech in praise of those students who through natural ability, hard work, or both, were sitting in the seats of the honored. This, I think, is as it should be. Those folks who have made the higher grades certainly deserve more recognition for their accomplishment - It is a well known fact that an "A" isn't easily come by. At least my experience in these hallowed halls shows an "A" to be devilishly elusive, so my hat is off to those who capture them.

Dr. Everett, however, did not limit his speech to the praise of honor students. He finally got around to recognizing me and all the other students who comprise the vast majority of the student body - Those who were sitting in the ranks of the unhonored. This recognition did not come by way of gentle words of praise. In fact, the gentleman was quite harsh with us. I had my ears cupped (more than usual) for some kind word directed our way, but in vain lads and lassies; such a word was not forthcoming.

I can't say for sure just what the object of Dr. Everett's remarks to us was; but I do know that they

Congratulations, students Valdosta State, you "cast out devils", and followed the right path. But beware, cliquism does not easily die, so guard your rights and actively support your duly elected SGA officers.

could have been embarrassing. Now I didn't get embarrassed - I'm just as mad. I thought myself, "Just what have I done that you stand up there and but say that I should be kicked out of school? Why, I'm just as good as" Well, after a bit of thought I came to the conclusion that I reacted just exactly the way the good Dr. figured it would. You know, I believe the man was trying to make us a trifle agitated! I think that I thought he would make us just mad enough to surprise our teachers with an "A" or two. In any event, here's hoping that's what will happen. I know at least one individual who is going to be scrapping for the higher letters on the quarterly report cards from now on --- ME!

After Dr. Everett finished his speech, we had a good round of awards for the various "MOSTS" and I had my feelings momentarily elevated when our own Dr. Thaxton announced that my fraternity placed third for the year in scholastic competition with the other fraternities. I didn't stand up and take any bows though, for, the very next breath, he just had to mention the fact that there are only three fraternities on campus.

Here's hoping to see you all next fall. And let's make it so next year on Honors Day the audience will have to sit on stage WE honor students will fill the auditorium!

Math-Science News Letter

Miss Elizabeth Dean, VSC graduate of 1958, qualified as a registered medical technologist in the clinic at the J. Hollis Miller Memorial Center at the University of Florida in Gainesville where she plans to begin work toward her master's degree.

Danny Connell has qualified for an appointment to the United States Naval Academy at Annapolis. We extend our sincere congratulations.

The May 2 meeting of the Mathematics-Science seminar was attended by industrial chemists, high school and college teaching staff personnel, and VSC students. Dr. R. DeBaum came from Stamford, Connecticut to address the group. His talk on "The Use of Catalysts in Chemistry and in Oil Refining" was of both special and general interest. Some of us received practical information

relative to the fuel requirements of our automobiles.

Jack Ruffer is enthusiastic about his work in the U. S. Naval Hospital Corps. He is stationed at the Great Lakes Naval Training Station, near Chicago.

Larry Waters was notified by wire on May 17 that he has been accepted as a member of the "Undergraduate Research Participation Program" sponsored by the National Science Foundation at Florida State University. Larry will be working with Dr. M. N. Hood on a research project involving the purification and characterization of enzymes in bacteria for a period of ten weeks beginning on June 13.

Dr. Wilbur Oglesby visited us on Monday afternoon. He is doing a residency in surgery at Talladega Memorial Hospital in Denver last year. He brought us word

of Charles Sheffield, who is now a third year medical student at Augusta. Charles and Dr. Oglesby were associated in some work at the Veteran's Hospital for a month recently.

William Kent has a position with the Valdosta Drug Company for this summer.

Dr. Duvall attended the annual meeting of the Florida Section of the American Chemical Society. The meeting was held in Orlando on May 13 and 14th.

Chandler Christian has been offered a position by E. I. Du Pont De Nemours and Company, Inc. She will start working for the DuPont Company at the Savannah River Works shortly after graduation in June.

Tentative plans are being made for C. B. O'Neal, Jr. to assist Dr. Connell, Dr. Odum of the University of Georgia, and Mr. Herbert Stoddard of Thomasville in a National Science Foundation research project this summer.

Three alumni of VSC are graduating from Georgia Medical College this June: Russell Acree, Lake Park, will intern at Walter Reed Army Hospital, in Washington, D. C.; Lawrence L. Allen, Valdosta, will intern at the Athens General Hospital, Athens, Ga.; and Mack Greer, Homer, Fla., goes to Jacksonville, Fla., where he'll intern at the Baptist Memorial Hospital.

SGA Met

The new officers and representatives of the SGA council met Monday night, May 16th, at the House in the Woods. The meeting was the first for the new council, and it was on the order of a "get acquainted" gathering. Ex-president Jimmy Broxson was on hand to lend advice and suggestions.

The main order of business was the making of plans for freshman week next fall quarter and the selection of two committees, finance and election. The finance committee for the coming year is composed of George Bennett, Bernie Brown, and David Melton; and the election committee is to be made up of all the seniors on the council and anyone else that they may draft to help on various occasions.

The next regular meeting is scheduled for the Monday night prior to the beginning of freshman week, on Tuesday, next fall quarter. This is a required meeting for all SGA officers and council members, and it is requested that the top officers of all clubs on campus attend.

Kittiwake

Review

By Pat Hunter

The musical comedy, Kittiwake Island, which was presented May 11-12 at Pound Hall Auditorium was most successful, according to those who saw the production.

The book and lyrics, by Arnold Sundgaard, and the music by Alex Wilder, were an excellent combination for the evenings enjoyment.

Much of the credit for the success of the play can be given to the members of the faculty who directed the production. They are as follows: Miss Louise Sawyer, Stage Director; Webster Teague, Musical Director; and John Yomans, Choreographer.

The cast gave a wonderful performance. James Varner, Kay Domingos, and Stephen Vaughn were excellent in the leading role of Kittiwake. The rest of the cast included Randall McLain, Robert Waters, John McCarty, George Bennett, Phillip Barr, Betty Pace, Marilyn Hughes, Barbara Walker, Vivian Veach, and Connie Baugh.

The Campus Canopy

Editor Lamar Pearson

The new editor wishes to thank the following people for their help in producing this issue: Sandra Massey, Sandra Pattillo, David Melton, Doug Calhoun, Doug Eason, Hugh McIntyre, Harvey Roddenberry, Kelsey Kemp, Patricia Hunter, Bill Gooch, Ann Powell and Diane Cowart.

A complete staff for the 1960-61 school term will be named this fall quarter.

SOCIETY

By Sandra Massey

The Latest Word

"Sub-burned, wind-blown. . .", but I don't think there were any honeymooners along, at least not from VSC. These words from a favorite song of mine could so well describe the week-end of May 13-15 for many of us around here. For this was the time for those great house-parties or beach parties. It may have been a little chilly along the water for some, especially at night, but when you are at the beach, who cares?

The Florida beaches were well blessed with Georgians it seems. Down at Panama City a great many Rebels were spotted enjoying the week-end. That old salt water and gleaming sand must really spark the "love-bug" in some, 'cause it looked like every gal had a fellow and every fellow had a gal. Some of those we especially noticed at PC were Betty Merritt and Jimmy Noell, Bernie Brown and Beverly Bridges, Tommy Sessions and Jeannie Posey, Dot Harrell and Arnold Fenney, Alice Kay Johnson and Doug Davis, LaRae Courson and John Bennett, Chandler Christian and Sonny Duncan, and it is rumored that Inky McBride met a "real cute" sailor boy!

Traveling further down the coast to Daytona, Stephen Vaughn and Mary Ann Kelly were spotted. With them also were Robert Waters and Pat Hunter, Doug Eason and Ginger Gornto, Kelsey Kemp and Linda Nell Carter, Paul Webb and Martha Price, Jerry Greenwald and Michele Dozier, and Si Pittman and Barbara Walker - seemed like they were having a great time!

Down Jacksonville way, we hear that a bridge game was going on between Jan Wells, Ben Stanton, Charles Corbett and Leslie Brown. They did get to the beach however and somewhere along the way were joined by Sue Wright and Jim Nichols, Jo Ritch and Joe Waldron, Beth Anderson and Bill Oliver, Virginia Lamb and Paul McCullom, and Norma Lou Maxwell and her fellow from FSU.

Also seen were some other girls with certain young men from FSU, Jacksonville, and the Y. S. Navy.

By the way, Evelyn, who was the tall blond? At Fernadina Beach, Martha Harrell and Ashley Register, Patricia Herrington and Joe Tomberlin, Jimmy Broxson

and Vonnie Williams, Wayne Garrick and Barbara Evans, and Jimmy Byrd and Susan Newham were spotted enjoying the Florida sunshine.

The Greek houseparties may have been spread out a little, but they were right together in one aspect - all having a good time! Spending the week-end at Panama City were Alpha Xi Delta Sorority, Sigma Phi Epsilon Fraternity, and Alpha Delta Pi Sorority. Going with the Alpha Xi's as chaperones were Mr. and Mrs. Don Gerlock and Mrs. Sue Fletcher. The A. D. Pi's enjoyed having Mrs. Studstill and Mrs. Tart with them as their chaperones. Kappa Delta Sorority was Jacksonville bound, along with Mr. and Mrs. John Knossick. Mr. Don Erickson and Miss Eileen Clayton accompanied the TEKES down to Daytona for the week-end.

The Tau Kappa Epsilon Fraternity recently held a special initiation for the induction of five new associate members. Those initiated were as follows: Mr. Don Rickson, Mr. Hugh McIntyre, Sr., Mr. Harvey Roddenberry, Sr., Mr. Wilburn Smith, and Jimmy Johnson. Mr. Erickson will serve this group as faculty advisor.

On Wednesday evening, May 18, the Education Club sponsored a cook-out at the home of Mr. and Mrs. Don Gerlock on West Alden. Delicious hamburgers and all the trimmings were served, after which a short business session was held at which time the officers for the up-coming school year were elected. Chosen to serve as president of the organization was Carolyn Garner. Serving

TEKE'S AT DAYTONA - A group of the TEKE's and their dates pose on the beach of Daytona where they spent a great week-end swimming, dancing, eating, sleeping and enjoying other student-type activities. Eating lobster and shrimp correctly was taken up by a few, playing with a lead jellyfish was pursued by others, some rather intriguing dance steps were attempted by some, how to open and close a motel door quietly was practiced by all, and the chaperone got his car keys locked up in the truck of his car. All in all, F-U-N!

with Carolyn will be Betty Pace as vice-president, Patricia Herrington as secretary, and Sandra Pattillo as treasurer.

The Baptist Student Union here on VSC campus sponsored an all-day beach trip to Jacksonville Beach on Saturday, May 14. Some of those attending were Randy McLain, Betty Gibson, Latrelle Reynolds, Connie Jones, Wayne Welsh, Wanda Thrift, Jody Wisenbaker, Jane Johnson, and Judy Hammond. There were about 30 students who went with the group.

Linda Little was recently initiated into Gamma Mu Chapter of Kappa Delta Sorority. The initiation was held on the evening of May 17 and the sisters along with their brand new sister enjoyed a song fest and refreshments after the service.

The KD's are sponsoring their annual Slave Day on May 26 during activity period in the gymnasium. The three fraternities on

campus will act as auctioneers and the fraternity selling the most slaves will be given one free. A party will be held on Thursday afternoon for the slaves and their masters.

BSU Beach Party

The Baptist Student Union on our campus has had a very prosperous year. To continue this fine work a summer program of B. S. U. meetings has been arranged. Of particular interest to the Baptist students is the annual retreat for Southern Baptist students at Ridgecrest, North Carolina. Student week begins Thursday, June 9 at 6:00 p.m. and closes at noon Wednesday, June 15. Inspiration, and fellowship with the other students, social activities and recreation programs will be feature along with the inspirational phases of the program.

Outstanding program personalities include a Georgia pastor, Dr. David J. Evans, of Atlanta, who spoke at the 1959 Student Convention in Augusta.

Paraguay, Alaska, Hawaii, Colordao, and West Coast! What a challenge! These areas are the objects of many prayers. Student Summer Missionaries will be sent to work with missionaries already on these fields. The students who are to go will not receive a salary, but their transportation, meals and lodging must be paid for by the Baptist Student Unions in the Southern Baptist Convention. The goal which the Valdosta State V. S. U. has set is \$50.00. On Thursday, May 26, when you are asked to give, please do, and remember you are helping to further the Kingdom of God.

The pre-school retreat of the B. S. U. will be held September 18, at the 4-H camp at Twin Lakes. During the day the council will work, play, and pray together in setting up the program for the 1960-61 school year.

Water Show

The Fins and Flippers will hold their annual Water Show Friday evening May 26. The show is to be held in the college swimming pool and both the students and the public are cordially invited.

The show consists of four members, set to the music from popular Broadway plays, which are performed by the members of Fins and Flippers. Lights and effects for these numbers will be handled by Tau Kappa Epsilon Fraternity.

Also included in the activities will be several contests which are open to all students. Anyone who is interested in competing in the contests should contact either Mrs. Mathis or Hal Worley, President of Fins and Flippers. The contests will include diving, racing and team relay racing. Ribbons and trophies will be awarded to the winners.

Fins and Flippers is a club of both men and women and is designed to promote an interest in water activities. Some members in this year's Water Show will be presented to the Freshmen next year as a part of Freshman Orientation Week.

Hal Worley, the President, says, "Lack of interest by the members of the club and by the Student Body has made progress very slow." He went on to extend an invitation to any and all interested in water activities to join the club.

Some of the members participating in this year's Water Show are Martha Sue Bragg, Louise Wright, Carole Smith, Robin New, Melody Grey, Bill Oliver, Marion Horn and Betty Merritt.

If everyone spoke as kindly of the living as they do of the dead, slander would disappear from the world.

CANDID CAMPUS - "Where's the chaperones?" "They're gone, kiss me again."

-SPORTS-

By Lamar Pearson

This is the last article that this writer will write in regards to sports this year. Next year my writings will be of an editorial nature and it is with pleasure that I surrender these duties to Doug Calhoun and Doug Eason.

It is not the purpose of this column to review the Rebels, because that is being taken care of in another story. But they have certainly had a fabulous year, and I don't think that enough could be said about them. The outstanding factor that has made the team have a winning season is pitching.

Ethridge and Kebler, two strong right handers, have turned in several excellent pitching performances. Also the hitting has not been weak this year, with Ethridge, Jennings, Thomas, and McIntyre leading the pack, the Rebs have been supplied with an abundance of power this year.

Rebel partisans have witnessed some excellent baseball in spacious Pendleton Park this spring. For the slugging enthusiast there has been much to cheer about as Rebel stickmen have demonstrated tremendous power on several occasions, and for the 1-0 fans, they also have had their chance to cheer as the Rebs have won several tight games this year.

Coach Grant has done an outstanding job in building the team into a conference contender, and

he has certainly made things uncomfortable for every GIAC team. One item that has been interesting to note this spring was the attendance at the games. In spite of early starts on several occasions it was pretty good, which goes to further emphasize the fact that people go to see a winning team. I don't exactly agree with Grantland Rice when he said "It matters not whether you won or lost but how you played the game". Leo Durocher's philosophy that "nice guys don't finish first", is much more applicable. One thing is for sure, and that is that champions don't lose with a smile on their face.

ATTEND THE CHURCH OF YOUR CHOICE SUNDAY

TENNIS TEAM - The VSC tennis team with a season record of four wins and two losses poses for a group photo on the local tennis court. Front row, left to right, are: Bernie Brown, Billy McDaniels, Jack Howell and Coach Gary Colson. Back row, left to right, are: Jim Nichols, John Baskins and Bucky Anderson.

Rebel Review

By Doug Eason

Behind the powerful one-two pitching punch of Buck Ethridge and Steve Kebler, and the consistent hitting of Tommy Thomas, James Jennings, Gerald Delany and Etheridge, the VSC Rebels have posted the best record in the school's history.

Opening the season, the Rebels dropped two games to the Florida Southern Moccasions 6-0, 4-3. In the first the Rebs were held to two hits both coming off of the bat of Tommy Thomas, the losing pitcher. The second was much closer with Buck Ethridge losing a heartbreaker in 10 innings. Emory lead the hitting with three singles followed by Sonny Taylor, Delaney and Thomas getting two hits apiece.

Traveling to Florida once again, the Rebels split a pair with Tampa U., losing the first 3-0, and coming back in the second for a 5-3 victory. Steve Kebler was the losing pitcher in the first game while Buck Ethridge pitched a neat five hitter in the second. Johnny McIntyre was the only player to collect more than one hit in the first game as he had two singles, and Thomas had a single and a tremendous home run in

the second game.

Piedmont was the first GIAC opponent to fall by the wayside as the Rebs won in 13 innings 4-3. Steve Kebler went all the way on the mound giving up six hits. Delaney and Ethridge banged out two hits.

Buck won his second game in a row as he scattered eight singles in beating Jacksonville University 8-4. Six Rebels collected one hit apiece. Steve limited Taylor U. to four hits as the Rebs opened up a tremendous slugging assault in a 13-2 victory. Buck had a home run, double, and three singles in a tremendous performance. Mobley had two singles.

Buck and Steve combined to pitch a pair of shutouts against West Georgia College by identical 4-0 scores. McIntyre with two singles in the first and Hansel Faulkner with two in the second game paced the Rebs. Buck gave up three hits, striking out ten batters while Steve gave up four hits, striking out thirteen hitters.

In the best pitching performance of the season, Steve pitched a one-hit shutout, striking out twelve batters as the Rebels nipped Oglethorpe 1-0. In addition Steve led the locals at the plate with two singles.

Jacksonville U. once again met disaster as Buck continued his mastery over them. He limited the Dolphins to four hits in posting a 2-1 victory. Thomas had two singles in the tight pitching duel.

Oglethorpe broke a nine game Rebel winning streak as they best Kebler and company 3-1. Delaney lead the hitting with two hits. Steve and Ethridge once again combined for a pair of pitching gems in registering shutouts over Ga. State. Steve gave up four hits while Buck yielded only three. The Rebels collected only two hits in the first game. Faulkner, Jennings and Thomas col-

lected two hits apiece in the second.

Piedmont got a measure of revenge in blanking the Rebs 6-0 in a return engagement. VSC got eight hits but could not produce a run. Kebler was the loser. Thomas came on in relief. Once again Steve and Buck combined for double header victories and they downed Shorter College 9-1 and 3-1. Thomas collected three hits in the first and two in the second to lead the Rebels to victory. Buddy Brock had two on the first

and Buck had two in the second game including a tremendous shot over the right wall.

Ethridge finished the season with a 7-1 record and Steve so far has a 6-3. Tommy Thomas lead the Rebels in hitting with an over-all batting average of .368, followed by James Jennings with a .314 mark.

In a special release from Rome it was announced that Ethridge, Faulkner, and Thomas made the all GIAC team in regards to their tremendous season performances.

GOLF TEAM - The VSC golf team is, front row, left to right, Charles Clark and Doodle Hall, back row, left to right, Tommy Hart, Doug Davis and Coach Wm. Grant.

Ivy League

Is it ever Ivy! Why, Coke is the most correct beverage you can possibly order on campus. Just look around you. What are the college social leaders going for? Coca-Cola! So take a leaf out of their Ivy League book and do the same! Enjoy the good taste of Coke!

BE REALLY REFRESHED
