VSC CELEBRATES HOMECOMING WEEKEND

By Karen Clay

VSC celebrates its 50th anniversary today and tomorrow, with the theme "50 Golden Years." Initiating the homecoming activities will be the annual parade Friday afternoon.

The various campus clubs and organizations will enter floats in the parade; these floats will be judged on originality and appropriateness. Riding in convertible automobiles will be the five candidates for queen—Gal Bazarine, Betty DeVane, Betty Jo Greene, Betty Majors and Dianne Osborne.

Billy Greer is serving as parade marshal.

Business Team Climbs To 4th In National Standings

By Irene McMinn

Valdosta State College's business team ranks fourth in the Mid-American Academic Conference.

The team placed second in the Management of Imaginary $13 Million Farms event.

Forrest College of South Carolina placed first with a score of $19,900.00, followed by the University of Detroit, which scored $16,600.00, and the University of Illinois, which scored $15,080.00.

Wisconsin Wesleyan College placed fifth with a score of $13,500.00, followed by the University of Iowa, which scored $13,000.00, and the University of Illinois, which scored $13,080.00.

Activities for the alumni began Thursday afternoon with the alumni registration and banquet meeting at 7:30 p.m. in the cafeteria and a watch on the parade at 11:30.

On Friday, the Alumni Association will sponsor a coffee and a banquet at 6:30 in the student center.

The parade will begin promptly at 4 p.m., with all cars and floats ridden up on Patterson Street in front of the college.

All bands will line upon North Street and will fall in behind the cars and floats.

There will be approximately 50 entries consisting of floats and automobiles. President and Mrs. Thaxton will ride in one car followed by cars for the Alumni Association and the dean.

Each class will be represented by its sweetheart riding in separate convertibles.

The five members of the homecoming court, plus Linny Garbutt, Miss VSC and Ellen Taylor, Miss TKE Calendar Girl, will ride in the floats.

The floats will be entered by the various representative groups.

The floats will be judged on originality and appropriateness. Riding in convertibles will be the dance committee.

It Pavs To Advertise

Student body elections are coming soon. Candidates' petitions must be turned in to SGA offices by next Wednesday. The Canopy does not plan to take sides in the various contests, although we will be on the scene to report news concerning the elections.

Candidates should note that one candidate advertised in the Canopy prior to last fall's freshman class elections. He was elected.

The Bug

A bug is going around the campus. It causes unnecessary time, expense and trouble. That bug is The Litterbug. All students should cooperate with the administration in eradicating him.

No Benefit To Them

All education majors leave the VSC campus with quarter to practice teaching in various Georgia towns and cities. These students pay extra for living quarters next to the school health fee.

Surely every student is not expected to come up with this amount when they are sick. Let's eliminate such fees for those not receiving any benefit from them.

Kay Powell
Our Honor System

The honor system at VSC is to some degree a force. According to a former Student Government representative, there was a time when people on this campus feared the SGA and the power it had over students caught cheating. Today, student-cheating is present because the fear of being caught is minimal. The SGA has not investigated one incident of cheating this year.

Students have begun to complain of the prolific cheating at VSC and suggest that the honor system should be done away with. Such action is ruled out by our present administration.

At many colleges larger or smaller than VSC, no student would even think of cheating. On such campuses the honor system is a success because it is a principle of their campus. For the honor system to survive on this campus, the SGA must begin taking forceful action. Although faculty members alike should report such incidents of cheating to SGA representatives; a confidential investigation could be conducted.

It is next to impossible to report cases of cheating without being guilty. The names of people reporting cheating incidents to the SGA are always kept secret. All investigations are secrets. If students fail in their duty to try to eliminate cheating, the honor system will be thrown out. There is not a more adult method of policing which would be substituted.

The student will be the one to suffer if he allows others to tamper with the system.

Jay Thomas
Student Council

The administration deserves a big round of applause for the perfection of registration.

Cheers! It worked!

A Limit To Success

Many capable young men in the United States today either do not attend college, or upon enrolling, fail to graduate. The failure of our young men to achieve their educational potential is a grave problem.

One reason is that the individual himself imposes limits upon his abilities. This individual either tells himself that he cannot achieve a goal and because of this does not fulfill the necessary requirements of achieving a goal, or either makes no attempt to achieve the goal. The solution to his problem seems to be for the individual to determine exactly what goal he wishes to attain and then to find what the requirements for performing it satisfactorily are.

Another reason seems to be the idea that the college education is a waste of time that could be more enjoyable spent elsewhere. The individual tells himself that a college education cannot, however, be successfully denied.

A study into his problem revealed that if a person has a college education he will earn this lifetime approximately twice the income he would earn if he only received high school education.

It is, however, fortunate that college facilities are expanding and more and more young men are being constructed. This is a big step toward eliminating the need for attending college. It will now be able to attend college who otherwise were unable to because of the high cost of attending large universities or because of the difficulty of entering small colleges.

We are rich and capitalistic, you know. If Mr. K., noticed, he would see the numerous tall, modern, beautiful buildings of New York. They are carefully planned; goals are set; workers are always under pressure to produce. Do you still have food shortages, Mr. K.? In the United States we have surplus. Could it be that farms produce more under capitalism than under communism?

They are carefully planned; goals are set; workers are always under pressure to produce. Do you still have food shortages, Mr. K.? In the United States we have surplus. Could it be that farms produce more under capitalism than under communism?

It's too bad that security precautions prevented Mr. K. from touring Disneyland. The fact that private money built the playland is not significant. If only he could have seen the gleeful faces of the children there, their happy parents (who are spending lots of capitalistic money), and the ingenious inventions that are good for nothing but to make people happy.

Perhaps he read our newspapers which are free to criticize or to praise our government. These that criticize do so without fear; those that praise, without force.

Mr. K., there is more desirable in America than cornflakes and potato chips. You had better not get your people started using American products--they might want more. And what more, you might even become more enviable yourself, Mr. K!

BSUers Enjoy Sat. Social

After a tiring day of Saturday classes, a large group of students put aside books and studies for an afternoon of fun and food. The occasion was a BSUSocial held at Twin Lakes.

The students left from the BSU Center last Saturday at 4:30 and went to Twin Lakes. There they enjoyed boating and wading and outdoor cooking.

This was the first BSUSocial of the quarter and BSU'ers who are looking forward to many more stress the fact that all students (not just Baptists) are invited.

10 Commandments Of Church Etiquette

A pastor of the Lutheran Church in America has proposed "Ten Commandments for Church Etiquette."

Written in rhyme by the Rev. Arthur C. Mims, Laughlin Jr., of Haven Lutheran Church in Salisbury, N.C., the "Commandments" were listed in the NORTH CAROLINA LUTHERAN as:

I. Thou shalt not come to service late, not for the amen refuse to wait.

II. Thy noisy tongue thou shalt restrain when speaks the organ in refrain.

III. And when the hymns are sounded out, thou shalt join in, not look about.

IV. The endmost seat thou shalt leave free, for more to share the new with thee.

V. Forget not thou the offrings plate, not let the usher stand and wait.

VI. Thou shalt not make the pew a place to vainly decorate thy face.

VII. Thou shalt give heed to worship well, and not in thine own business dwell.

VIII. Thou shalt the Sabbath not misuse, nor come to church to take thy snore.

IX. 'Tis well in church thy friend to meet. But let thy anor be discreet.

X. Be friendly at the church's door, so shall the stranger love God more.

Dear Aunt Agatha,

I read your column last week and I am so glad to know that a person like you exists. I have complete faith and trust in your superior ability as an advice columnist.

I am not like most girls and boys of my age. I don’t date; I study because boys don’t ask me for dates.

I feelas if my physical appearance has something to do with it. My mother tries to tell me that boys don’t look at physical features, but I know that’s not true. I am small and just little above—200 pounds. I am also athletic! I won the heavy weight wrestling championship this past year.

I don’t know how to make the boys notice me. Do you have any suggestions?

Dear Heavy

I am sure that boys notice you and respect you as wrestling champion. I don’t believe you need an advice counselor you need diet control.

### Becoming A Man

--- Reprinted from The Mercer Cluster ---

There are many things that can turn a shy, timid boy into a wise, bold, fearless, intelligent man. These things might be maturity, knowledge, and even experience. But nothing I know of will turn a boy into a man as quick as a WOMAN!!!

Use this term, "Woman," with a special meaning: that I would like to explain before I go any further.

A woman may be a girl to the world, and she may even appear innocent, but if she has had any experience, whether in my discussion. I don't mean by this term an experienced Sweetheart who will make her first kiss and can boast of string of broken hearts to her credit, then she is a Girl. She becomes the WOMAN I speak of.

A woman who will make a boy into a man before you can count to ten, five, or however many minutes it might take for that first kiss.

A boy does not become a man until he has experienced all or at least some of the following things:

1. The thrill of his first kiss. (Very important. Gave you something to build on.)
2. The sorrow of a love he thought was true.
3. The shock of finding that his "Perfect Lady" is anything but...a lady.
4. The hurt of a love he thought was true.
5. The taste of a kiss of ice. (Tastes something like wet fish.)
6. The taste of a kiss of fire. (This one causes a slow burn from your toes to the top of your head.)
7. The shock of finding his one and only in the arms of his best friend. (This happens more times than is funny.)
8. The shock of reading his first Dear John letter. (Keep it. Later you may have a collection.)
9. The thrill of his first kiss. (Very important. Gave you something to build on.)
10. The shock of finding his one and only in the arms of his best friend. (This happens more times than is funny.)

**Grants Strategy Fails**

VSC baseball coach Billy Grant made Casey Stengel look tame by his strategy.

Stetson defeated the young Rebels despite their best efforts to date.

**Rebels Fall Twice**

To David Lipscomb

Valdosta State College's baseball Rebels dropped two games to David Lipscomb College by scores of 8-1 and 7-6.

The Rebels held a 6-5 lead going into the final ninth inning when the Bisons scored twice in the ninth. Eric Willis had pulled the Bisons to within a run of the Rebels with a two-run homer in the eighth.

The Rebels couldn't hold off the Bisons, who collected 9 hits off five Bisons batters. VSC's attack was led by shortstop Jimmy Pritchett, who homered and singled to drive in 4 big runs.

Herman Hudson, Rebel pitcher whose record is now 1-1, collected 6 hits and 6 runs. The Rebels committed 5 errors which allowed the Bisons 5 of the 6 runs to be unearned.

David Lipscomb held a 6-0 advantage going into the bottom of the fifth inning. The Rebels scored 3 times in the fifth and four times in the ninth, but the rally fell short of its mark.

Why complain that the dollar isn't as much as it used to be. We don't do as much for the dollar either.

**Rebels Play Erskine In Homecoming Championship**

The Valdosta State College baseball team will host Erskine College this afternoon at 3 p.m. The two teams will battle again Saturday at the same time.

Erskine has 8 returning lettermen from last year's squad that won the Little 4 conference championship. The Caro team will start last year's run team that lost only 9 players. They have plans for North Georgia, Presbyterian, Wofford, and Stetson University before an NCCAA tournament. Erskine's leading pitcher, who finished last season's perfect with a 7-1 won-loss record and a fantastic 1.41 ERA, will probably be on the mound against the Rebels this weekend.

Wight's only defeat last season was at the hands of Arkansas Tech. Herman Hudson lost 4-3 in a tight pitching duel. The two hurlers probably face each other again. Other returning lettermen in last year's Erskine team are Herman Hudson, David McLeod, and Sam. Hudson has an experienced team and they will be tough.

**Softball Next Week Will Begin**

Monday, April 1st, will be held to discuss plans for the 1962-63 intramural softball season. The meeting will be held at 10:30 in the gymnasium.

"All organizations that plan to sponsor a team must have a representative at the meeting," stated Colson. Colson also stated that there is a possibility that a new type of softball will be played. In this new game, an overhauled ball would be used that would require no gloves. Of course the rules would be altered. One rule would be that a player would have one strike rather than three.

Rules, schedules and teams will be determined. Actual play will probably begin next week. A gym bulletin board will be posted on the gym bulletin board.

**Stetson Defeats Rebels; 7-2, 9-0**

Valdosta State College's tennis team met double defeat at the hands of Stetson by scores of 7-2 and 9-0. Coach Gary Colson's young Rebels were not ready for the experienced Hatters.

The match was the season opener for the youthful Rebels. The Rebel netters could manage only two wins in the Saturday-Monday two match series. Earl Willis of VSC beat Adarin Bambini of Stetson 4-6, 6-2, 6-3, for the Rebels only singles victory.

In doubles competition, Jim Burroughs and John McCullom defeated Bambini-Beasley 6-4, 6-3. The Rebels were inexperienced but should improve as the season advances.

**Hatters Edge Rebels 8-3**

Valdosta State's Rebels beat a .500 clipper visiting Stetson. The Rebels defeated the Hatter's in their season opener Saturday, 7-5, but lost the second game 8-3.

The Rebels grabbed an early lead by scoring in the first inning, but the lead was short-lived.

In the bottom of the second inning, Stetson pounded three hits and scored three runs. The Rebels allowed only two runs over the last six frames.

Attacker leaders for the Rebels were Johnson with a triple, Bob Speck with a double, and Jimmy Pritchett with a double. Valdosta State collected 9 hits to Stetson's 7 hits. Pete Parker, Stetson's pitcher, was unchallenged as he managed only 3 runs. Pritchett and Speck were the only Rebel getting over one hit.

Stetson was led by Happy and Beebe each collecting 3 hits and Bowman who had 2. The Hatters as a team had 12 hits.

The Rebels face Erskine College at 3 this afternoon.
Rebels Down Stetson 7-5

The Valdosta State College baseball team opened the season with a bang as it overcame the Stetson Hatters, 7-5, in the first Annual ABC Tournament in West Palm Beach.

AMF star bowler Evelyn Teal, born in 1923, did some search and found where the men are, forty years later.

He was the President of the last great steel company, the Schwalbe Steel, was nothing, and was the last man to get his borrowed money for his business.

The victory was his last, and his last great victory.

Johnson, and a triple by Pritchett doubled by Devivo, a single by Milled ahead to stay in the fourth inning to insure the victory.

The loss was the third in a row for Coach Gary Colson's youth.

The match marked the first match competition between the two schools.

The Rebels were unable to win a single set from the powerful Gators either in singles or doubles play.

**Mercer U. To Host Georgia Collegiate Folksong Festival**

Folk singers from colleges and universities in Georgia and neighboring states will perform at Mercer University on April 20 in the Second Annual Georgia Collegiate Folksong Festival.

The performance, open to the public without charge, will be held in Willingham Chapel at 7:30 p.m., April 20. Dr. Ben W. Griffith Jr., chairman of the English Department at Mercer, will be master of ceremonies.

The festival is designed to allow collegiate and high school folk singers a chance to get together and exchange songs and ideas about folk music. Collegiate folk singers interested in participating in the festival are urged to write Dr. Griffith, Mercer University, Macon, Ga.

The festival will open at 5:30 p.m. with an informal session that will include a workshop on folk guitar styles and a roundtable discussion of folk music. This informal session will be held in the Comell Student Center.

Some of the folk singers expected for the event are Jeananne Hall and Dan Smith, a duo widely known in Atlanta folk circles; Parker Highsmith, Don Minson and Dave Precon, a trio of versatile singers from Emory and Georgia Tech; and Sonita Rosenberg, a graduate assistant from Auburn who sings folk songs in seven languages.
