Students seeking major campus positions will briefly explain their platform in speeches in the gymnasium during activity period.

Complaints about the quality of work done by the laundry are numerous.

Mr. Wilkerson, who was a member of Lee Street Baptist Church "knew the Bible and often quoted verses to fit the occasion," Mr. McCoy stated.

Before coming to VSC Pop drove a taxi for a number of years.

Department of the College of Administration, "It is most desirable that the editor of the publications be a member of the senior class, however...a student from a lower class may be named to the position."

The editor of the Valdosta Times, formerly held the position.

The committee will name the Campus Canopy editor, assistant editor and business manager; The Pine Cone editor, two assistant editors and business manager; and The V Book editor.

According to the SGA constitution, "It is most desirable that the editor of the publications be a member of the senior class, however...a student from a lower class may be named to the position."

The editor of The V Book should be a person who will tend summer school or who can work on the book during the summer.

Any student who is interested in one of these positions should try in writing to Mrs. Betty Adams, chairman of the faculty committee or to Tommy Joiner by Thursday, April 5th.

The letter of application should include the student's qualifications for the position and a statement as to why he is interested in the position.

The new editors will work on the VSC campus and The V Book will be selected the last week in this month by a committee of four students and two faculty members.

Students on the committee, appointed by SGA President Tommy Joiner, are Joiner, Louis Sheffield, Tommy Newsom and the new SGA president who will be elected by the student body Wednesday.

Faculty members are Mrs. Betty Adams, VSC director of public relations and Mr. Gerald Hodges, associate professor of English.
The Entire Weekend
Each homecoming does not enter competition for a trophy that is awarded for the best display. It seems, however, that many do not realize that the purpose of the display is not to win the award, but to decorate the campus for the entire weekend.

Those in charge of homcoming events in the future should require that for displays to be eligible for the prize they must remain up for the whole weekend rather than for a few hours. It is inconsistent with the purpose to have homecoming events set up a display shortly before the judges arrive and then take it down immediately after they leave.

Missing
When the Campus Canopy goes to press the editorial staff can usually be found working into the night in the Canopy office. Pop Wilson and Ted Kretlow, as he made his rounds through the Ad Building, he would sit for a few minutes with a chat and then continue his duties.

Pop never hindered our work; he just gave us advice and encouragement. Often his comments were something that would have been worthwhile for anyone to hear.

We are going to miss Pop on makeup nights.

Robert Maxwell

Battle Of Wits
Recently I received a letter from a friend of mine stationed in West Berlin. He offered some information which should disturb the complacency of every American.

During the Battle of Oxford (Mississippi), the townsite was not a success. The U. S. were thrown into mass confusion and as a result millions of dollars worth of equipment was left virtually unguarded, also western half of the world was without proper recreation. Task forces from Kansas to New Mexico, Greenland, the Azores and France and parts of the South were left without planes, which were taken and deployed to fly troops into England. Poor planning caused a ridiculous situation to occur.

The high brass were evidently more interested in getting a base blown to bits than in servicing the base. My friend spoke of the... provincial idiots down south who don't allow them to fight the U. S. government. Obviously military men are subjected to a biased view of state-side news.

The invasion by the U. S. was so well controlled that the South was unwarrented and ineffectual. Migration cannot be forced down the throats of Southerners black or white. It must be a slowly developing matter that encompasses all aspects of life, not just school life.

The missions thing southerners blindly wave under their flags, sing " Dixie," and are ignorant of is that their失败 lies in their own culture. Time will prove the South to be as capable of solving her own problems, unless influences do more to retard progress than to promote it.

CONSTITUTION REVISION CALLED FOR

The activities of students at Valdosta State College have been made easier by the constitution of the Student Government Association. This set of rules was formerly used for several years ago. It has been amended seven times.

In general, the constitution is a very adequate set of rules. Few, if any, of these rules have been changed. The constitution has disclosed new points which are ambiguous, outdated, and/or inadequate.

The first of these items is Article V, which states that all members of the student body are eligible to vote in SGA elections. It has been somewhat attacked as to the eligibility of seniors to vote. This point should be clarified.

A requirement that is not enforced says that a quorum of the Council is 12 members. Meetings are conducted with a quorum of three or four. A subsequent amendment moved the rule from the books without replacing it. This is a reminder of the rules. The new SGA Council, to be elected Wednesday, should take immediate action in setting up a committee to evaluate the present constitution and to present needed changes to the student body for ratification next fall.

Students Indifferent To Canopy Name Change

Valdosta State College students failed to voice an opinion on their preference of a name for the college newspaper. However, most of the ones who bothered to vote in the straw ballot election indicated that they are dissatisfied with the current name, The Campus Canopy.

Only 38 persons expressed their opinion at the ballot box. Of these, 30 voted to change the paper's name, with the remainder preferring to retain the present name.

The group organized a strong write-in campaign for "The Rebel Yell." This suggested name drew 20 ballots.

Other names receiving support were "The Valdosta Statesman" with eight votes and "The Rebel Eagle" and "The Rebel" with one vote each. The Valdosta Statesman was printed on the ballot, which appeared in the March 29 issue of The Campus Canopy, by the Campus editorial staff.

The ballots did not receive a signature.

One voter, while not wanting to change the name of the paper, did have a change in mind. The unidentified student suggested "Change editor."

Economic Seminar Group Formed

The Economic Seminar Group was formed Winter Quarter. The group has no officers, no lectures and is non-demoninational. It was formed only for the pursuance of economics and relating social problems. The group discussed "Ethics of Advertising" at the first meeting and "Gold-Real Gold or Not?" at the second meeting. "The Organization Man" will be the interesting topic of discussion at the next meeting. Meetings are held at two week intervals.

The senior members are Phillip Harr, Charlie Clark, John Hanna and Jerry Demott. Junior members are Lloyd Shaw, Donny Conerly, Sam Brooks and Phillip Steigfeld. Faculty advisors are David P. Lewis and Christopher Schlegel.

LC Moves Books During "Holiday"

LaGrange College students and faculty members got a holiday from classes last week, but it was no vacation. Their time was employed in moving 200 books from the college's old library into the new one.

The new three-story building has 10,000 square feet of space and a capacity of 100,000 books—five times the capacity of the old library.

Valdosta State's Georgia Gamma chapter of Sigma Phi Epsilon was one of three chapters that participated in the installation of the chapter of the fraternity at the University of Georgia. Other colleges which sent initiating teams were Georgia Tech and George Southern College.

National leaders of Sigma Phi Epsilon attending the affair included Bedford W. Black, SPE grand president, Donald M. Johnson, executive director and Robert L. Kirkpatrick, assistant director of chapter services.

Grand President Black presented the charter to the new chapter which will be designated as Georgia Delta chapter.

Try This On For Size, Juniors

By Beverly Ingram

Any girl knows that the best way to find out if something fits is to try it on. Wouldn't it be wonderful if this wardrobe wisdom could be applied to job-shopping? Well, it can!

As a college junior, you're probably wondering about the job you'll look for next year—after graduation. Wondering if you'll like them. Wonder no more! Here is a job you can try on for size this summer—before you graduate.

College Juniors can find out during a four-week preview of life in the Women's Army Corps what it is like to be an Army officer. Each year, a limited number of young women college students are selected for the WAC Summer Program for College Juniors. This four-week program gives you a candid preview of the life of a WAC officer.

Why the program? To help you decide whether to apply for an officer's commission after you graduate, and to help the Army evaluate your potential as a WAC officer prospect.

The summer months ahead offer a rewarding experience through participation in the army's program. The Army will provide first class round-trip transportation, attractive summer uniform, excellent accommodations and meals during the four weeks at Ft. McClellan, Ala. Numerous recreational activities can be enjoyed during duty hours and, in addition, at the end of the session, you will be paid $122.35.

Young ladies between the age of 18 and 29, physically fit, interested inpreviewing life as a WAC officer can look forward to a rewarding experience, duty obligation. Commissions in the WAC are tendered to those qualified Upon graduation.

For detailed information concerning this program, contact the local Army representative or your college's guidance officer. Army Recruiting Station, 2107 Liberty St., Jacksonville, Fla.

The Student Council elections are being held this week at my school. My boy friend is running for an office. He has put me down for politics. He doesn't pay any attention to me, he's afraid of me. What must I do?

Rejected

Dear Rejected,

It seems to me that your boy friend thinks more of a ballot box than he does you. I suggest you talk to him and tell him the same thing you told me. Maybe he will realize he might lose a good thing.

One of the largest birthday parties ever to grace the fair city of Valdosta State College was held last fall at Valdosta's own campus. It was the celebration of the college's fiftieth anniversary and took place on campus on March 29.

The college's activities began with registration at a coffee given by Panhellenic in the morning of Thursday, March 29th. After the luncheon in the college dining hall, Mrs. B.J. Pendleton, president of the Alumni Association, presided over the business meeting. The college's 50th anniversary gift was presented to the college by the alumni as a 50th anniversary gift at the banquet Saturday night. Dr. B.J. Thaxton accepted the gift on behalf of the college. Mrs. Frank Reade was the emcee of the event.

The event took place at the Valdosta State College's Student Union. Music was furnished by the Auburn Knights and Blenders.

The climax of Homecoming Week came on Saturday night when the college gymnasium was transformed into a fantasy of pastels, soft lights, and music. A giant, tiered cake formed the focal point of the center of the dance floor as crepe paper and balloons formed the overhead. Music was furnished by the Auburn Knights and Blenders.

Homecoming ceremonies at the birthday party included the crowning of Betty Jo Greene as Homecoming Queen and the presentation of awards for outstanding students in Homecoming Parade.

Others in Homecoming Court were Gail Bazemore, Diane Osborne, Betty Devane and Betty Dow Morgan.

The organization which received the award for being Most Beautiful was the Education Club, "Appropriate", Alpha Delta Pi Sorority, "Most Original", Circle K Club; "Best All Round" Sophomore Class.

SC of P Threatened With Shut-Down

An uncertain financial status has threatened to close one of Georgia's two pharmacy schools. Officials of the Southern College of Pharmacy have recommended that the college be closed June 30 unless $30,000 and a long range guarantee of future financial stability are obtained by next Thursday's trustee meeting.

The Atlanta based pharmacy school became a part of Mercer University in 1959, but financial problems have continued to plague the college. The school was almost 60 years old when it became a college of Mercer.

Nine of Southern's 12 faculty members hold earned doctorates in their respective fields. The school's spring quarter enrollment totals 92.

The University of Georgia in Athens operates the only other pharmacy school in Georgia.

McCarty, Weeks Give Senior Music Recital

On March 26 the music department of Valdosta State College presented Jane Meela, soprano, and John McCarty, organist, in a joint senior recital. The event took place at the Valdosta First Methodist Church.

Jane, a native of Nichols, is the student of Ms. Lavon Robinson. Her program included selections ranging from John Jacob Niles' "Go Way From My Window" to an aria from Wagner's Tristan und Isolde. Jane was accompanied by Ms. Lavon Robinson at the piano.

John comes to VSC from Attapulgus and is the student of Mr. Webers Teague. John's program included such difficult numbers as Bach's "Toccata and Fugue in D Minor" and Franck's "Pie de Bapta." John is the editor of the 1963 Pine Cone.

Both students are to be complimented on an excellent performance.

Sophomores Claim Largest Number On Dean's List

One hundred twenty-one students were named on the Dean's List for Winter Quarter, with the sophomore class having the largest number on the list.

Several people have mentioned the prospects of Valdosta State's tennis team. Questions like, "When are we ever going to win a match?" and "What are we doing playing FSU and the University of Florida?" are commonly asked. I can't answer these questions because I neither make out the schedule or run the team, but I would like to make a few comments on this year's squad.

First, all the Rebels are young and inexperienced and are improving each game. But the same VSC team won't beat an SEC team if they practice for three years. The advantages held by the larger schools are too great for VSC to compete with.

But as Coach Colson recently said, "the team is improving with each match." A close look at the schedule will show that the majority of the contests with large schools have already been played, and I believe that the Rebels will begin to win in the near future.

This should help build up their self-confidence. They will also soon win a couple of games to realize that their efforts are working. The win extended Erskine's winning streak to 5 games while slicing VSC's losing string to 7.

Erskine collected 11 hits off two VSC firemen and were aided by six Rebel errors. Norman was hurt when he ran into the dugout while chasing a foul ball in the sixth inning. He was taken to Pineview General Hospital where he spent the weekend.

Norman was not seriously hurt and was expected to be playing in a few games.

**Softball Program Discussed During Recent Meeting**

At a recent meeting under the supervision of Coach Gary Colson, the 1963 intramural softball program was organized. Every team in the intramural league was presented with the exception of Town.

At the meeting the 1963 rules and regulations were discussed and approved. Each team was required to turn in a roster 24 hours before the first game which was last Thursday.

The use of an oversized ball rather than the regulation softball was voted down by all representatives.

During regular season each team will play every other team in the league twice. The league consists of 5 teams: BSU, Sigma, Pi Kap, Town and TKE. The top three teams at the end of regular season play will participate in a single game elimination for the championship trophy.

The home team furnished one base umpire and is in charge of the equipment.

A few rules this year are no change...drive...speed...dress...rush...rip...change...drive...speed...flat...fix...arrive...wait...wait...pause...

A group of Valdosta State College alumni have recently formed an association to help provide athletic scholarships for boys who want to attend VSC.

All members have graduated from VSC within the last five years. The association was the outgrowth of a bull session held in the VSC dorms a few years ago.

George Wallace, president of the new organization, stated that it was created during the celebration of the 50th Anniversary Homecoming activities. According to Wallace, a letter will be sent to every male graduate since 1950 seeking their membership with $10 per year.

Wallace said that the association hopes to have a few scholarships ready by fall quarter of 1963, but that it will depend upon the response to the letter. The scholarships will be in the hands of Coaches Grant and Colson to be used as they see fit. It was suggested that basketball should be stressed first.

The actual money for the scholarships will be in the hands of VSC Comptroller Shelly McCoy.

Colson met with the group and expressed his appreciation, ending by saying, "Some people don't look at it this way, but an athletic who receives a scholarship really works for what he gets."

**Mocs Hand Rebels Loss Number 7**

Valdosta State's tennis team lost their seventh straight match, but it was close all the way. Although the Rebels lost, it was their best showing of the season against another strong team. The Rebels were tied with Florida Southern going into double action each having won three matches.

The Mocs won two of three double matches to win the contest.

Singles winners for Valdosta State were Bill Spiller, Bill Allman and Tom Milner. Milner and Billy Roberts combined efforts to capture VSC's only doubles match.

YWCA Names Freida Dunlap President

In an impressive candlelight- ing service April 1, the new officers and cabinet of the YWCA were installed for the 1963-64 school term. Also present for this occasion were Mrs. Predeva Oglethorpe and Mrs. A. M. Gignilliat, chapter sponsors.

Headed the slate of new officers, Freida Dunlap, Bainbridge, succeeded Jane Johnson as president. Two Newton girls, Linda Kay Davis and Kerri Silewhelm, became vice-president and associate vice-president respectively. Diane Fields, a Griffin sophomore, became secretary; and Dianne Tyre of Bristol took the treasurer's post.

Rounding out the cabinet, Janet Thompson, Albany, was chosen membership chairman; Wilda Marwell, Calvary, music chairman; Jan McCurry, Atta- pulga, publicity chairman Liz Curles, Camilla, social chairman; Dot McClendon, Donaldsonville, ways and means chairman; and Mzer Thigpen, Bainbridge, chaplain.

Walker Returns From United Nations Visit

James Walker, a pre-minis­
terial student at Valdosta State College, has returned from a seven day seminar held at the United Nations in New York City. The seminar, sponsored by the South Georgia Conference of the Methodist Church, was a means of comparing the efforts of the church and the U. N. in striving for world peace.

(The Methodist Church is the only religious organization with a representative in the General Assembly, but he has no voting power.)

In order to draw the compari­son, the group was addressed by representatives of the Methodist Church, UNICEF and Communist Poland to name a few.

Upon arriving at the U. N., the 67 South Georgians were briefed by the press secretary of the United Nations. Adlai E. Stevenson was scheduled to address the group, but he was called to Europe a few days before they arrived in New York.

Mr. Richard Bankowicz, a communist journalist from Hy­

rather than the corresponding text, as it appears to be a menu or flyer rather than a document.
