## Rebels Down Southwestern; Remain Undeafeted In GIAC

by Kay Williams

The VSC Rebels traveled to Americus last night and defeated Georgia Southwestern 79-74. The Rebs now have a GIAC conference record of 11-0.

High scorer for the Rebels was Pete Smith who scored 44 points, unofficially breaking the VSC high scoring record of 41 points set by Buddy Rich in 1965.

The Rebs led Georgia Southwestern most of the game, and were ahead by seven points at half-time. VSC scored 6 for 10 in the first half and 14 for 19 in the second half in free throws. Southwestern was 1 for 8 in the

first half and 13 for 24 in the second for free throws.

### TRAVEL

The Rebels travel to Rome February 14 to play the Shorter Hawks.

Saturday, February 15, the Rebs will play second ranked Berry College for the GIAC championship. Berry is now two games behind VSC in conference play.

### REBS LEAD

The latest GIAC statistics show the Rebels leading the conference in rebounding and second in offensive and defensive averages.

### SCORES HIGHEST

Sophomore center Pete Smith of Albany is the league's leading scorer and rebounder with a 24.9 scoring average and a 14.9 rebounding norm.

### FIELD GOALS

Junior guard Paul O'Brien of Riviera Beach, Fla., leads in field goal percentage, hitting 56 per cent from the floor.

### SECOND

Senior forward Jimmy Dorsett of Perry is second in free throw percentage.

The Rebels also lead the conference in power rating, outscoring their opponents on the average of 9.9 per game.

Photo by Larry North

Although VSC has won the GIAC championship the last three years and seven times in eight years, the team this year faced several handicaps.

Lacking both height and experience, the Rebels were ranked no better than fourth on the GIAC's pre-season chart.

## Miss VSC To Be Chosen In Pi Kappa Phi Contest

by Cherri Collins

The annual Miss Valdosta State contest, sponsored by the Pi Kappa Phi social fraternity, will be held Thursday night, February 13, at the Mathis City Auditorium at 8 p.m.

### JUDGING

The contestants will be judged in two categories: talent and beauty. Judges include: Mr. David Peak, of Columbus, president of the Miss Georgia Pageant, Mr. Dawson Mathis, of Albany, an announcer for WALB TV, and Mrs. John Sutphin, society editor of

the Valdosta Daily Times.

### REPRESENT VSC

The winner will represent VSC in the annual Miss Georgia Pageant in June. This will be the first time that a Miss VSC representative has appeared in the Miss Georgia Pageant.

Tickets, with an admission price of \$1.00, will be sold in the Student Union each day until the contest is held.

Representatives from each of the four sororities and independents will compete. Master of

Ceremonies, Ernie Ward, a radio announcer, will emcee the

## SGA Suspends Regulation Banning Electrical Appliances

by Kay Williams

The SGA has sanctioned the use of all Underwriters Laboratory approved appliances in residence halls.

According to Miss Roberta K. Jones, associate dean of students, "U.L. is a standardized quality control employed in the United States which sets certain qualities for safety which appliances must meet before being approved."

### APPROVED APPLIANCES

U. L. approved appliances include perculators, toasters,

popcorn poppers, instant hair-setters, and irons.

Television sets are allowed as long as no serial is exposed outside the building.

Small stoves, refrigerators, hot plates, or any appliance with exposed coils are not permitted.

### CAUTION

Miss Jones advised students to be cautious of certain small appliances manufactured outside of the United States which are not U.L. approved.

## VSC Banquet Celebrates Founders' Day Anniversary

The Founders' Day Banquet, sponsored by the Valdosta Woman's Club, held a banquet Thursday night in the VSC cafeteria.

Alumni, administration, faculty, and student representatives attended the affair, at which Dr. Noah Langdale, Georgia State president, spoke.

The banquet, at which most faculty and administration met, was decorated appropriately, with old-fashioned costumes, which were worn during the era VSC was founded, lining the room.

# Where Did All The Students Go? Long Weekend Passing

The surroundings at Valdosta State College, starting every Friday night and continuing until late Sunday afternoon, seem to be lacking something. The missing ingredients are students.

It may be exaggerating to say that VSC is rendered a "weekend ghost town," but to the few remaining, this seems not far from the truth.

What are the reasons for this weekend evacuation?

### FACTORS

There are few factors which could contribute to the situation. Not counting an occasional fraternity party, weekend activities are nil, or nearly so.

The Student Union closes at 8:00, sometimes 7:00, on Saturday night, never opening until Monday, except for a period Sunday night to show movies.

If one is lucky enough to find someone with whom to play ping pong-pool is too expensive—this is a fairly good way to pass some time.

If student activities were existant on week-

ends, our suitcase college stigma may be altered.

On the other hand, student interest in activities seem to be at a low minimum. If more people became involved in creating new activities, maybe we could remedy the situation.

Although many people don't get much enjoyment from the library, some may be grateful for the extension of the library's weekend hours.

### CITY OFFERS

Another factor which could affect the weekend desertion is the city or town of Valdosta itself. Although there are incentives to drive-in-ers with fairly good movies, a bowling alley, and even a roller-skating parlor, there is room for improvement.

Unfortunately, we cannot rectify this condition.

In this discussion only suggestions have been cited, but the problem or situation or stigma exists.

Would you rather be known as attending Valdosta State College or Valdosta "Suitcase" College?

## Rape Of The Mosaic

Crazy mixed-up pooh honeying  
Alarm clock-dress-miss the bus with  
A lying goo of pretended trauma.  
Have to concoct a beautiful emotion  
Cause your senses were raped baby.  
Slow sliding rape no sudden ripping  
Terror but suffocation of the soul  
In a mush of Mommy's wedding pictures  
(oh so sweet-smile virginal!) and

Tenderly dealt mosaics of what you  
Should be.

Time and place for all things, be good  
Sweetheart you'll regret it don't ruin  
Your life! leave that mosaic upon  
The ceiling of your mind it's good  
Christian morality, oh you'll be sorry  
You'll be sorry no decent man will want  
You, don't be used!

So you allow the rape, too scared to feel  
And you revere the mosaic, sacred image  
Of connubial bliss and you yearn for  
Years as happy as Mommy's.

Then you see a boy with his body hunched  
In pity for you and Christ! he cries  
For you, for your raped senses and your  
Crouching soul and he cries for "us" too,  
For a love castrated by a mosaic.  
You see him leaving in defeat, sorry  
That you cannot live...  
But some barely-breathing instinct  
Forces your arms out to his--  
And tenderly he seduces your senses,  
Dissolving the rape-opiate with love,  
He crumbles the mosaic with knowledge  
And the new life wind inside you fans  
The dust into forever.

# Canopy Proposes Raise In Activities Fee

The Canopy staff advocates raising the fee from twelve dollars a quarter per student to fifteen dollars.

This week's other editorials express discontent with weekend activity and variety of amusements offered by the college and by the city of Valdosta.

### EXTRA BUDGET

This extra three dollars per student would allow an extra budget of \$8,100 a quarter, based on an average enrollment of 2700 students at VSC.

This money can be used by the Student Union Board to present more dances, movies, and other entertainment, the Pine Cone to produce a more spectacular annual, the Campus Canopy to publish a larger, more information-packed edition, and the athletic department to round out their teams with scholarship-sponsored students.

### PROPOSAL REJECTED

Last year a proposal was presented to the Student Government Association by SGA Vice-President Ervin Wood to raise the activities fee, but his proposal was not accepted.

Students complain of the lack of entertainment; this increase of the fee will allow big-name groups to appear here.

However, the Student Union Board and other groups will not sponsor these projects until they are supported by the student body.

The majority of students, besides everyday commuters, return to their hometown to study and socialize on the weekend. The campus is literally

deserted.

Only several times a quarter, when big dances or programs are held, or when week plaques students, do these week-day-only students remain at VSC.

Students complain that there are no activities on the weekend for them to attend. Small singing groups are willing to entertain at the Student Union if enough interested students will listen.

### CITY PRESENTS

Besides movies and musical presentations, the town of Valdosta offers a local, newly revived theatrical group, a town library near North Campus, three nearby shopping centers, and many types of churches.

How many students know the town of Valdosta, besides the main streets of North Patterson, Oak, and North Ashley, even though they may spend nine months of the year in the city?

### REALIZE OFFERRINGS

When students realize that they will be offered more and better-quality entertainment only when they remain at VSC on weekends, they will become responsible and contribute to VSC not only as students, but as citizens of the college.

Then, and only at that time, will more entertainment be offered.

Student opinions concerning the increase in student activities fees are requested, and may be sent to Letters to the Editor, Campus Canopy, Box 207, intercampus mail.

## Library Adds Checking System To Eliminate Book Depletion

If you haven't been to the library this quarter, you have missed the newest addition. Because of the constant loss of books, there is now a table by the door with someone there to check the books taken out of the library.

The best attitude for all students would be to respect the rules concerning the library and to try to discourage anyone who does not obey these rules.

The way things are established now, if you could possibly sneak two editions of neo-classical poetry, one volume of any three volume set on oil painting, seven small short story books, and one dirty paperback out without being apprehended, you are to report at once to the local CIA office.

If you can remember these requirements, you've got no reasons for stealing anything.

## Letters To The Editor

## Student Laments Weekend Ghost Town

Dear Editor,

Friday night. The weekend is here. Time to put away the books and...what? There's nothing to do. How about an exciting evening at the flick; or a rigorous round of bowling?

Of course there's always Shoney's. Yeah, we can get drunk and go to Shoney's.

So this is what weekends are for? Unfortunately this is what weekend activity boils down to. VSC, being a suitcase college, empties on the weekends and achieves the status of a ghost town.

Those who live too far to go running home to friends and family find themselves faced with two days and nights of trying to amuse themselves in some manner, usually by getting drunk illegally.

The school has nothing to offer these people, and doesn't seem to be trying very hard to find something that will provide entertainment for students here on the weekends and entice more students to stay.

One answer may be found in having dances on Friday and/or Saturday nights. There are enough bands around to provide an interesting variation of music.

By presenting different types of music, not only will the different bands be given an opportunity to display their wares, but the musical tastes of VSC students will be broadened.

Soul may be the vibration of life, but it's not the only vibration. Present a good blues band once and many people will realize this.

You may not be able to please all of the students all of the time, but you're sure to please some of the students some of the time. Offer a variation of soul and you'll end up pleasing more of the people more of the time.

In order to draw good bands there has to be an attractive price. I'm sure funds could be allotted to increase the price offered to the bands without caus-

ing any financial disasters.

Maybe a "name" band could be brought in once in a while. A small entrance fee would be imposed to offset the deficit.

I don't believe many students would object to paying a few dollars on the weekend in order to show their dates a good time. This is only the simplest and least expensive solution. With a little more time and effort (and money), other solutions are sure to arise.

VSC students deserve a little more than a reserved seat in a classroom during the week.

Dear Editors,

I am a junior at the University of Houston and also one of several hundred thousand college students who hold an Airline Youth Fare Card.

I am writing you and many other college newspaper editors in the hope that fellow students may be alerted about the recent happenings concerning youth fares. Several days ago a Civil Aeronautics Board examiner ruled that "youth fares should be dropped." Unless the board decides to review the decision, it will automatically become effective in 15 days.

I don't think that many students know of this and I urge them to rise to protect their youth fares. Most of us have limited budgets and receive our spending money from part-time jobs.

I urge every student to contact the Civil Aeronautics Board, 1825 Connecticut Avenue, N.W., Washington, D.C., 20009 and voice their protest against this unfair decision against youth fares.

It is important that this be done within the next 15 days so that a new hearing will be set, otherwise the ruling will automatically become law.

I am told that Western Union has a new opinion telegram and

for 90¢, which can be charged to a student's telephone, a 15 word telegram can be sent from anywhere in the U.S. to your own congressman, the President, and Vice-President.

If a student doesn't have time to write his opinion, I recommend that he call his nearest Western Union office and send the wire.

Sincerely yours,  
Stephanie Southgate

Dear Editor,

I would like to express my opinion of the work-study program.

If a person depended on those checks to buy food, he would die of starvation and be turned to dust in his grave by the time the checks are ready.

The program is supposed to ease the financial problems for the students attending college. It doesn't. In fact, it adds more problems.

By the time the checks are ready, I have borrowed it up. It is quite embarrassing to tell someone that you will pay them money owed on a certain day and then your check isn't ready. The work-study students probably have more ruined credit than any other group or organization at VSC.

Most of the work-study students have the placement department breathing down their necks all the time about how many hours each can work. Seems to me it could do some breathing on the business department and get our checks out on time.

I know that the business office is busy; but after all, if it weren't for the students, there would be no business office at all. So the students should come first.

I think the business office should spend less time running the student bank and more time on getting the work-study checks out on time so that the students would have money to deposit in the bank.

Sign me,  
Candidate for Starvation 1969

Dear Students and Faculty:

Recently a poll released in the "Campus Canopy" revealed the feelings of some of the VSC students in regard to the administration.

Close study of these polls tells us that a fair conclusion would be to say that the attitudes

The editorials printed in the Canopy are not necessarily those of the faculty or administration.

Letters from students will be printed, but must be signed. Names will be withheld upon request.

Letters may be altered to conform to journalistic or standard style.

were favorable.

We are proud -- all of us -- of the trust placed in the students and the organizations by the administration. It does credit to our reasoning and maturity.

The majority of the policies allow for a great deal of student responsibility and creativity. Whether or not we assume this responsibility will indicate the validity of their trust in us.

With this in mind and with the idea of broadening the college community's educational experience, Chief Justice William Erwin of the Valdosta State College Student Court has appointed a Student Court Evaluation Committee.

The committee is composed of members of the Student Court and consists of Jimmy Womack-chairman, Dianne Courey-secretary, Diane Wilder, Denny McLaughlin, and Gus Bohler.

This committee is designed to investigate the judicial system at VSC and to propose changes for the better.

Believing that a college campus is the greatest source of enlightenment and reason, the committee therefore invites all college students and faculty members to come and present their ideas and suggestions at one of the following hearings:

Feb. 18 - presidents and secretaries of residence hall courts, directors of residence halls.

Feb. 25 - faculty members.  
March 4 - all students and SGA Council members

The hearings will be at 7:00 p.m. upstairs in the Student Union.

Jimmy Womack  
Dear Editor,  
I would like to take this opportunity to welcome all students planning to visit Fort Lauderdale, Florida during the spring

holidays to our city and I hope that their stay will be a pleasant and memorable experience.

In order that neither these students, nor the city incur any unpleasantness the following suggestions and policies have been instituted and will be adhered to unequivocally.

1. Do not come to Fort Lauderdale unless you definitely have a confirmed housing reservation. Our policies and ordinances prohibit sleeping in automobiles and/or sleeping in the open. Campers or trailers are not permitted to park on the beach. If this type vehicle is to be used as living quarters it must be parked in a trailer park specifically licensed for this purpose.
2. All the laws that govern the conduct of the individual will be enforced. A person must be 21 years of age in order to purchase or consume alcohol. Persons guilty of intoxication (it should be noted that drinking in the open is not permitted), narcotics, use of false identification, creating unnecessary noise, or any other form of disorderly conduct and any other unlawful act, will be arrested and prosecuted. Violations of the traffic code will result in apprehension and prosecution of the offender.
3. Parents and school officials of any and all students arrested during this period will be officially notified.

Students should realize that persons who are arrested and convicted on any charge will have established a permanent and sometimes criminal record against themselves which could have a detrimental influence later in life.

R.H. Bubier  
City Manager  
Ft. Lauderdale, Fla.

## Beyond The Horizon

## Students Abolish SGA

The final nail was driven into the coffin of class government as the Student Senate, with only 29 members voting, abolished it.

The president of the sophomore class was the only class officer present at the meeting. The attitude of the other class officers was described as "concerned apathy," in that they were concerned about losing their jobs, but too apathetic to show up to defend themselves.

The Hofstra Chronicle  
Hempstead, N.Y.

A questionnaire has been created to test your soul dimension at South Georgia College. After adding the points, correspond your score to the divisions at the bottom of the column to find your soul dimension score.

1. Do you know how to soul clap? (14 points)
2. Have you ever had the desire to hibernate? (1 point)
3. Have you ever met James Brown in person? (15 points)
4. Have you ever seen the Vanilla Fudge? (5 points)

5. Do you love the dark? (15 points)
6. Do you drink air? (5 points)
7. Have you ever known a real hippie? (10 points)
8. Are you a hippie? (10 points)
9. Do you like to dance? (15 points)
10. Do you grow your own? (10 points)

If you scored over 50 points, your answer is A; if between 50 and 25 points, your answer is B; if below 25 points, your answer is C.

A. Wonderful! You are full of soul and your friends really dig you! Your flowers will never die. Love and affection, baby, that's the good word!

B. You possess a fairly average quantity of soul. Keep those flowers watered and hang in there.

C. Sorry to inform you, but you are not a part of the group. You just ain't got no soul.

## Book Review

## Students Tell Experiences

Praise and damnation, laughter and cynicism went into the writing of STUDENT TRAVEL IN AMERICA (\$2.25) published as a paperback special last December. More than just a directory of hotels, restaurants and sightseeing, STUDENT TRAVEL IN AMERICA is a close-up of America from a student's point of view. It's a guide that pulls no punches; calling a tourist trap -- a tourist trap!

Students wrote it -- from first-hand experience ... STUDENT TRAVEL IN AMERICA is, in fact, the first and only guidebook written especially for students planning to see America from border to border -- and beyond. For anyone out for fun, but on a budget, this book contains the latest information on student discounts.

STUDENT TRAVEL IN AMERICA provides in-depth coverage

of 30 major cities in the United States, Mexico, Hawaii, Canada, and the Caribbean. It includes complete up-to-the-minute lists of inexpensive folk-rock joints, psychedelic shops, and places just right for the camera in every section of America.

Amazingly compact, STUDENT TRAVEL IN AMERICA was prepared and is sponsored by the United States National Student Association, which is the largest and most effective student travel group in the world -- in constant contact with student representatives everywhere.

STUDENT TRAVEL IN AMERICA is the perfect way to introduce foreign students to the U.S.A. --- there is information on everything from getting a visa and passport, to getting mail --- and where to look for employment or educational opportunities.

# VSC Coeds Form "Rebeccas"; Entertain At Campus Events

by Ed McGinniss

Diane Stewart, Ruth Braselton, and Julie Gentry, three VSC coeds, formed a singing trio last winter quarter. Calling themselves "The Rebeccas," they have sung at various campus and community functions.

### TOGETHER SINCE 1964

Diane and Ruth have sung together since 1964. Four different girls have completed the trio during the four years.

### FORM GROUP

"My roommate at the time was Judy Staten. We had sung together during high school, and one of our objectives for going to college was to form a trio," said Diane. "We met Ruth the first night on campus and start-

ed singing together a week later." The girls won the TKE talent show that year.

### SPEECH MAJOR

Diane, a senior from Albany, is a speech major. She plans to become a speech therapist after finishing her education. Diane's interests range from music and drama to horseback riding. She is also a member of Alpha Xi Delta sorority.

### GRADUATE STUDENT

Ruth Braselton, from Lawrenceville, is a graduate student in history. Ruth is a devoted sports fan, and enjoys playing the guitar, and is a member of Alpha Delta Pi sorority. Undecided about her future, she is

considering teaching on the junior college level.

### CHOOSE NAME

The girls have not always called themselves "The Rebeccas." Last quarter they appeared at the TKE Calender Girl contest. "The master of ceremonies asked us how we wanted to be introduced. We didn't have a name for the group, and the guy sitting next to us suggested "The Rebeccas," said Ruth.

### PLAYS GUITAR

Julie Gentry, a sophomore from Kingsland, is an elementary education major.

Julie enjoys playing the guitar and riding horses. She was a cheerleader during her freshman year and a sponsor of Pi Kappa Phi fraternity.

### OTHERS ACCOMPANY

The group is accompanied by Lt. Rick Croasdale's twelve string guitar; Lt. Bill Folmar on the electric guitar, and Gary Cloud on drums.

## Student Court Meets, Decides Procedures

The Faculty Discipline Committee upheld the first recommendation for a student suspension for the Student Court.

This is the first recommendation handed to the court governing suspension for a major infraction of the VSC Code of Ethics.

Chief Justice Bill Erwin has appointed a Student Court Evaluator to appraise the residence hall court procedures, and co-ordination of the student judiciary system.

The committee consists of Chairman Jimmy Womack, Secretary Diane Couey, Diane Wilder, Denny McLaughlin, and Gus Bohler.

On February 18, president and secretaries of resident hall courts and the dormitory directors will attend a session concerning dorms; faculty members will meet with the committee on February 25, all students and SGA Council members will meet on March 4.

All hearings will be held upstairs in the Student Union at 7:00 p.m.

### PSI Club To Travel

The PSI Club has arranged a trip to Milledgeville State Hospital, for interested psychology students. The trip is scheduled for February 25.

## SGA Reports Changes

by Eleanor White

The Student Government Association has decided upon the theme "Remember When.....for Homecoming, scheduled for April 11-12.

A regulation concerning girls visiting men's dorms will be discussed after more student opinions are heard.

The Teacher-Course Evaluation survey has been discontinued until next year. It has been tabled because "the purpose of the evaluation is not definite, and thirteen other evaluations are now being circulated also," reports Jeff Mays.

The faculty voted at their last

meeting to cancel the Teacher of the Year Award, usually presented on Honor's Day.

The extension of library hours on Sunday nights for students returning from the weekend is not possible at the present time, reports Dottie Pittman of the Library Committee, because of the limited number of library staff members.

The possibility of longer library hours during exam week is being examined.

The SGA mailed copies of the Special Edition of The Campus Canopy, concerning the cafeteria operation, to the parents of all enrolled students.

# Library Offers Varied Service, Plans To Expand

by Kay Williams

**Ed. Note:** This is the third in a series of "Know Your College," designed to inform students of the structure and purposes of the different departments at VSC.

When VSC first opened in 1913, the library was located in a dressing room in the south wing of Converse Hall. The librarian at that time was only a moonlighting librarian.

**CARE OF CHICKENS**  
She was actually a professor of poultry husbandry, whose main job seems to have consisted of taking care of chickens. Library work was only incidental to her main duties.

Later the library was moved to the parlor of Converse, and then upstairs in West Hall.

**LIBRARY OPENS**  
Finally, in 1940, the present William Holmes Powell Library was opened.

The present William Holmes Powell Library houses 80,000 volumes and subscribes to over 900 periodicals. Last year 12,491 volumes and 568 microfilms were added.

**MACHINES ADDED**  
The microfilm printer is available for student use at the cost of 15¢ per page. A Xerox machine is also available for copy-

ing pages from books and periodicals at 10¢ per page.

**OFFICIAL DOCUMENTS**  
The VSC library is a selective depository for United States documents. The library now has approximately 13,000 official documents.

Plans for the future include the employment of a full-time document librarian.

The library also possesses 250 color prints.

**VOCAL CENTERS**  
Two listening centers equipped with record players and ear phones are available for VSC students. The library has a collection of over 400 record albums. A tape player is also offered.

**CHECKING SYSTEM**  
This year the library is experimenting with a checking system in order to cut down on the number of books stolen each year.

According to Miss Thera Hambrick, head librarian, the system seems very satisfactory and most students are co-operating.

**EFFECTIVENESS JUDGED**  
"As to the system's effectiveness, we will not be able to tell until a complete inventory is taken," she said.

**EXPANSION**  
The Board of Regents granted VSC \$800,000 last year to be

used to expand the library. The present building is not functional, and, after consulting several library experts, it was decided that expanding the present facilities would be a waste of money and energy.

The \$800,000 appropriated for the library is now to be used for the expansion of Nevins Hall.

**NEW LIBRARY**  
A completely new library is now at the head of the list for proposed construction at VSC. It is hoped that the money needed for construction will be granted by the end of this fiscal year.

It will be two years, however, before the new facility can be completed.

**LARGER AREA**  
If the plans for a new library are fulfilled, the building, to be constructed where the tennis courts are now located, will have an area of 100,000 square feet, which is four times larger than the present building.

**STUDY AREAS**  
It will have a seating capacity of 2,000 readers, and many individual study areas will be included.

The library will house 400,000 volumes, and will have expanded non-book material services. Additional facilities for group study will be provided.

**BUDGET**  
The state budget for 68-69 academic year is \$107,750. In 1962 the budget was only \$8,000. By 1965 the budget had increased to \$31,000 and continued to do so until the present budget was reached.

With such a large budget, many students wonder why the library does not have better facilities. Miss Hambrick explained that much of the budget is used to stock the library with resources that it needed, but for which it lacked funds for many years.

**COMMITTEE ON LIBRARY**  
For many years, a Committee on Library Affairs, composed of faculty members, has worked in

an effort to improve the library.

**STUDENTS ADDED**  
For the first time this year two students were made members of the committee. They are Dottie Pittman and Mrs. Genelda Bass.

The addition of students is an attempt to better the communications between faculty and

students concerning library problems.

**HOURS OPEN**  
The library, which employs six full-time librarians, three assistant librarians, four clerical workers, and numerous students, is open from 8-10 Monday through Thursday, 8-5 on Friday and Saturday, and from 2-5 on Sunday.

Rat Day Initiates Freshmen; Burlap, Cabbage Mark Day

The freshman class directly met with one of the most humorous traditions of college as soon as they arrived in 1964, participating in Rat Day, according to an old issue of the Campus Canopy. Following a week of programs initiating the new-

comers to campus life, Rat Day provided laughs to the freshman, clad in burlap sacks and adorned with onion, cabbage, and other embellishments suitable to the occasion.

Those freshmen who refused to become full-fledged rats-for-

a-day suffered penalties meted out by a Rat Court appointed by the SGA.

Concerning regulations for men's clothes requirements at dinner, an old Canopy reports, "You are required to wear socks and long pants and tuck in your shirts. Judging from appearance, it doesn't seem to matter if your shirt is torn or streaked with dirt, or if your hair looks as if it were alive, or if your five o'clock shadow is an inch long."

The article went on to say that it is more pleasant to eat beside a neat and clean diner than one who is "technically correctly dressed, but who looks as if he belongs under the table rather than at the table."

\*\*\*

According to a Canopy survey, approximately 236 legal student parking spaces existed on campus. If all students attempted to park their cars simultaneously, they would make a significant contribution to the scrap metal industry. A solution to the problem was suggested: "It is possible to park approximately 10-15 bicycles in one space, thus eliminating the space shortage. Cycling to the campus would pose a scheduling problem for commuters, but remember, "You can win with Schwinn, so start pedaling."

Phi Delts Honor Pops

Buskin Holds Forum To Judge Speakers

by Kay Williams

The eleventh quarterly speech forum will be held February 25 at 7 p.m. in Pound Hall auditorium. The forum is sponsored each quarter by Sock N' Buskin, VSC's drama club.

Any student interested in entering the speaking competition may do so by contacting Mr. Robert Spell.

TWO GROUPS

The speaking will be judged in two categories: entertaining and persuasive. Judging for the competition has been changed this quarter so that the preliminary round will be reviewed by the faculty of the speech and drama department, while the final round will be rated by members of Sock N' Buskin.

Sharon Costello and Earl Stomiski are in charge of plans for the speech forum.

Hopper Hall Gets Lobby Carpeting

Carpeting has been purchased for Hopper Hall, announced Dr. Young, dean of student affairs.

The corridors and lobbies in Lowndes and Brown Halls will not be carpeted until the new men's 300-bed dorm is constructed in the parking lot beside Brown Hall. The installation will be delayed because mud, dust, and debris from the construction area would be tracked on to the new carpeting and would ruin it.

Academic Council Chooses Wamble, Cribbs New Members

by Clifton Young

Two VSC students, Dorothy Nell Wamble and William Hubert Cribbs, have been added to the Academic Council, following motions made at the December 9, 1968, and January 13, 1969 meeting by the SGA.

Selection

The Academic Council invited the officers of the Student Government Association to nominate six students, from whom Dean Pafford selected two students, to serve as advisory members on the Academic Council and as liaison to the SGA for the remainder of the academic year.

Election

The Academic Council also approved the actions of the Graduate Council in electing Dr. Webster Teague to membership on the Graduate Faculty and allowing graduate credit for certain physics courses as recommended by the physics department.

Miss Lewis

**Professor Co-Authors Textbook For English**

by Joyce Joyce

Miss Josie Lewis, an assistant professor of English at Valdosta State College, co-authored a book entitled "Enjoying English 9."

While teaching at Leon High School in Tallahassee, Florida for seventeen years, Miss Lewis met Dr. Don Marian Wolfe, a famous Milton scholar.

**Sent Themes**

Dr. Wolfe, impressed by her work at Leon High, asked her to send him student themes occasionally, and kept in contact from three to four years.

**Needed Co-Author**

Later he wrote Miss Lewis, saying that he needed a Southern co-author because his books were not selling well in the South at that time.

The book has been used and is still being used in various high schools around the country.

Miss Lewis came to VSC after teaching at Pensacola in Florida, where she was a consultant to Tri-County English Teachers' group for pre-school preparation.

She was also appointed by the national chairman to obtain a speaker for the Georgia Education Association for English Teachers Conference.

**Club Schedules Guest Speaker**

The next meeting of the Sociology and Anthropology Club will be held in the Student Union, Room 13 at 7 p.m. on February 16.

There will be a speaker from the Georgia Merit System, who will discuss the opportunities open in Georgia for a sociology major.

**Elections Choose Marga and Mac**

by Kay Williams

Elections to choose Marga and Mac will be held February 19 in the Student Union. Voting will take place from 9:00--4:30. The Marga and Mac awards are given by Sigma Alpha Chi honor society to the best-all-round man and woman in both the junior and senior colleges who maintain a B grade point average.

**Junior College**

Nominees for Marga of the junior college are: Ann Bullard, Becky Bushin, Nancy Lee, Karen Lake, and Elissa Landey. Nominees for Mac of the junior colleges are Steve Seyfried, Howard Freeman, and Mike Sarms.

**Senior College**

Nominees for Marga of the senior college include: Gloria Thompson, Polly Moore, Carol McCallister, Dottie Pittman, and Kay Davis. Nominees for Mac of the senior college are: Ronny Gilliland, Mac Wilcox, Ervin Wess, Joey Davis, and Bill Moore.

# Cast Overcomes Hardships; To Present Pajama Game

by Kay Williams

"The Pajama Game," the winter drama production, is a light, musical comedy which promises to be highly entertaining.

The outlooks for a successful production did not appear quite as bright when rehearsals first began at the beginning of the quarter.

### PROBLEMS START

From the start many difficulties faced Mr. Robert Spell, director of the play.

There was a delay in filling the male lead, but rehearsals of the chosen cast went on as scheduled.

When the flu season struck, the musical director became ill and was unable to rehearse the cast for almost three weeks.

### NO PAINT

Mr. Joel Boatwright, technical director of "The Pajama Game," has experienced great difficulties in obtaining materials needed for constructing and painting the sets for the play.

Trace... sent out on or... was never de... he paint was... er waiting pa... tently, the ne... d materials ar... rived.

### SHOW BIZ SPIRIT

With all the setbacks, the cast has maintained a "crusading spirit," and the show will go on.

"The Pajama Game" will be presented March 5-8 in Found Hall auditorium.

William Floyd

# Floyd To Direct Choir In Florida

by Jim Walker

VSC student William Hugh Floyd was recently named choir director of the First Baptist Church of Live Oak, Florida. Prior to his present position, William worked at the Gordon Street Baptist Church, and for the past sixteen months has directed the choir of the Fredonia Baptist Church of Thomasville.

Born and raised in Thomasville, he came to VSC in the summer of 1965. While at VSC, he has served four years with the Serenaders, three years with the Glee Club, as vice-president of Euterpe Society (music club of VSC), and last fall was elected vice-president of the Barrow Hall Court.

### ENJOYS MUSIC

William states that he enjoys classical, romantic and contemporary music with special emphasis on sacred music. He also enjoys folk music with the occasional strumming of his guitar for accompaniment.

### PRESENT SOLO

In working towards his diploma, he will present a solo voice recital during spring quarter.

### FUTURE PLANS

William's future plans include attending New Orleans Seminary after 1972.

by Cherri Collins

tion, faculty, and the student body "We're not anti-fraternity," reports Mark Dixon, "as some people think. New applicants must be approved by a two-thirds majority vote of the members, so that only active and interested members may be selected."

Open meetings will be held once every two weeks, with faculty advisor Patrick de Sercey attending.

The group was formed, according to Jerry Hunter, because of the "general absence of an organized body of present ideas that aren't particularly popular ideas with the general student body, but are still worthwhile ideas."

The organization, "advocating non-militant methods," says Jim Irvine, "wants a united student body."

A basically Southern organization, the Association will spread ideas by a newsletter or paper, and will sponsor speakers and films on the campus.

"This representative organ," says Dr. Young, dean of student affairs, "has a great deal of merit, and might be a constructive addition to the campus community."

"Some of the members of the group," he continued, "are very

intelligent and thoughtful, and are concerned about many important issues."

"These issues are worthwhile and are being discussed across the nation, so why shouldn't we talk about them?" he concluded.

A new female member, Adira Little, has been added to the organization.

### Student Union Board Travel To Compete In Region Tot Tourney

by Cherri Collins

The Student Union Board finalists in bowling, bridge, table tennis, and billiards will travel to Florida State February 12-15.

#### Southern Tourney

Sponsored by the College Union Board, the contestants will compete in the Association of College Unions International Region 6 Tournament in Tallahassee, in which seven Southeastern states will compete.

The contestants are: bridge--Ken Jones, Pat Rowe, Larry Hayship, Ted Lindsey; billiards--Steve Manry; table tennis --Vernon Twitty, Warren Cornell; bowling--Steve Manry, William Cody, Howard Brohawn, Randy Royall, and Leonard Rigdon.

The winners of this tournament will represent the region in a national tournament.

#### Advisors

Official advisors Ken Ferrell, Stan de Hart, and Coach William Grant will also travel with the group.

This is the first year that the Student Union Board has sponsored a group to compete in the Region tournament.

#### NCAA Champ

Bowling finalists must compete against the NCAA champion from Florida State, who represented the United States in bowling in the 1968 Olympics.

## TKE's Celebrate Tenth Anniversary At Banquet

The Zeta Nu chapter of Tau Kappa Epsilon international fraternity honored its founding fathers at a special celebration held at Minchew's Restaurant on January 18.

#### 10th Anniversary

The event was the celebration of TKE's 70th Anniversary and The Local Chapter's 10th Anniversary. Principal speaker was Mr. Lenwood Cochran, National Vice-President of TKE.

#### Largest Group

One of the youngest college social fraternities in existence, Tau Kappa Epsilon has grown rapidly and is now the largest such fraternity. TKE has 252 undergraduate chapters and 55 alumni chapters throughout the United States and Canada, with over 14,000 undergraduate members and 70,000 alumni.

TKE began at Illinois Wes-

leyan University, Bloomington, Illinois, in 1899. The fraternity was started by five students desiring to form a fraternity much different from those that existed in that time. Organized to "study the classics," they chose the Knights of Classic Lore as their first name. The name was later changed to Tau Kappa Epsilon. It was then that the members decided to become a "national" fraternity.

#### Second

The Valdosta State TKE chapter was founded on January 17, 1959, and was the second national fraternity chartered on the VSC campus.

President of the local chapter, Chandler Pierce, from Valdosta, Georgia, was chairman of the anniversary event.

Following the banquet, a dance was held.

## Testing Service Releases Exam Scores

The Junior Exams, given to all students in the university system, have been returned to the students.

The College Level Examina-

tion Program, sponsored by the Educational Testing Service, is required by the Board of Regents of all students who have earned 70 quarter hours, excluding P.E.

#### SCORED HIGH

The test was given last year to 300 VSC students who had completed 80 to 100 quarter hours and, compared with the university system average, scored high.

#### PERCENTAGES

Compared to the the university system, these students scored: In English, 48%, natural sciences, 52%, mathematics, 46%, humanities, 63%, and social sciences and history, 46%.

A mean of 51% was scored over the university system average.

#### 154 STUDENTS

Last quarter 154 VSC students completed the test, but the university sytem percentiles have not been issued yet.

#### HOURS DROPPED

Because the quarter hour requirement was dropped about 20 hours, the comparison with the national average was slightly lower than last year, but should rise when junior college students are included.

The score in 1967, compared to the national average, was 42%, while the average last quarter

was 39%. Students in 1967 had carried significantly more credit hours.

The test will be given each quarter to all students obtaining 70 quarter hours, as required by the Board of Regents.

### Crider Receives Honorable Mention

Regional interviews of the Woodrow National Fellowship Foundation have been completed. Recommended for honorable mention as Mrs. Margaret Riggle Crider, a senior physics major at VSC.

# Beatles' "Yellow Sub" Creates New Movie Industry Concept

by Glen Breland

"Yellow Submarine," the new Beatles movie, brings a new concept to the motion picture screen. It is an innovation for the motion picture industry to animate actually well known individuals, and it is also another first for the Liverpool ascendants. Award This full-length animation was directed by George Dunning, who

holds six awards from famous world film festivals. He is considered the master-mind of motion picture animation. "Yellow Submarine" is based on the songs written by Paul McCartney and John Lennon.

**New Tunes**

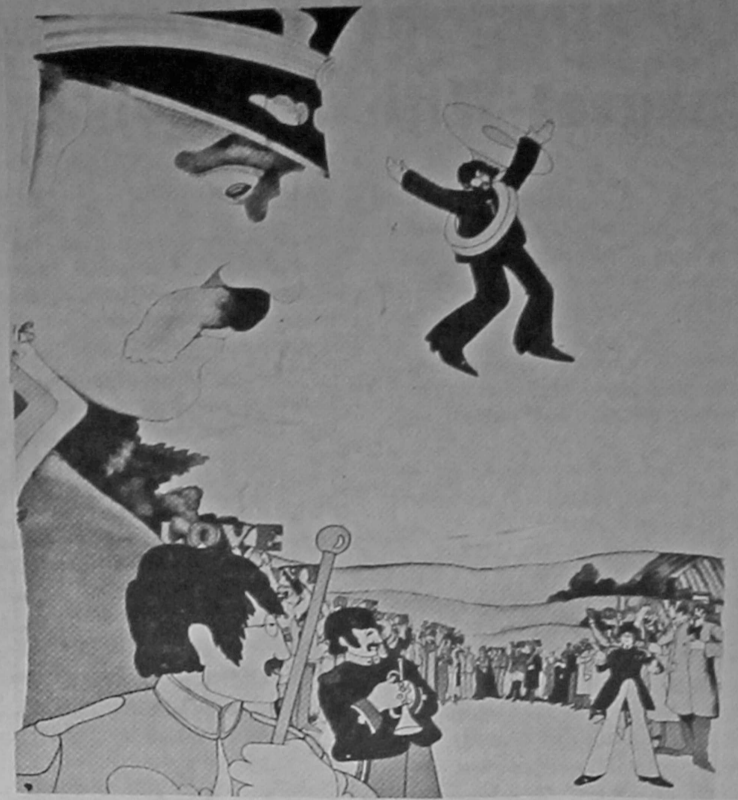

In addition to eleven old hits, such as "All You Need is Love," "Nowhere Man," and "Straw-

berry Fields," three new songs will be introduced: "All Too Much," "Altogether Now," and "Northern Song."

Ringo Starr portrays a poker-faced Harpo Marx while George Harrison serves as the anchor man of the celebrated foursome. Paul McCartney, depicted as a "Mad Mozart," is still the hard working music writer supplying most of the songs. John Lennon acts as the unofficial leader of the group.

The movie, "Yellow Submarine" starring the Beatles, will play this week at the Beverly Theatre.

Aside from presenting Sergeant Pepper's Lonely Hearts Club Band, the Beatles will also have individual roles in "Yellow Submarine."

Beatles create innovations in movie industry.

# Delta Sigma Phi Holds Banquet With Alumni

by Cherri Collins

Valdosta State College's newest social fraternity colony, the Delta Sigma Phi, met at a banquet at Holiday Inn February 8.

## National Office

Dale T. Alexander, assistant to the executive director of the national office, met with the pledges.

## Largest

The nation-wide fraternity ranks as one of the largest in the country, with 128 chapters.

## Groundwork

Dr. Funderburk from Moultrie laid the groundwork for the initiation of the fraternity at the college. A Delta Sigma alumni, he met with college administration and communicated with national headquarters, located in Denver, Colorado, in order to establish the fraternity.

## Visiting Brothers

Brothers from Auburn University and Georgia Tech also attended the banquet to acquaint the pledges with the policies and goals of Delta Sigma Phi.

## Music Professor

## Presents Recital

## At Valdosta State

Dr. Joe Haas, tenor, of the Valdosta State College music department, presented a voice recital February 4, in Pound Hall.

Dr. Haas holds the B. M. in voice from College Conservatory of Music, University of Cincinnati, the M. M. in voice from Converse College, and the D. M. in voice from Florida State University.

Dr. Haas performed for the Cincinnati Summer Opera Company, Charlotte Opera Association, the Charlotte Summer Theatre, and the State of Florida Opera Guild.

From Auburn were Jack Funderburk, Cliff Campbell, Johnny Ozier, Bruce Gilliard, corresponding secretary of his chapter, and Bill Kenney.

"This is an opportunity to get in the forming of a new fraternity on campus," says Pledge Larry McGee.

Officers will be chosen by the pledges this week.

Pledges include: Steve Threewitts, Albany; Billy Raybun, Warner Robins, Jim Cook, Dixie; David Selph, Thomaston; Larry McGee, Moultrie; Mike Swain, Waycross; and Vernon Keenan, Waycross.

# Bean To Give Lectures In Math

The Mathematical Association of America is sponsoring a visit of prominent mathematician Ralph J. Bean to the campus of Valdosta State College for two lectures Feb. 13-14.

## Tennessee University

Dr. Bean, assistant professor of mathematics at the University of Tennessee, will lecture each day from 4:40-5:30 p.m. in room 227 of Nevins Hall.

## Lecture

The lecture on Feb. 13 will concern arithmetic and counting through set theory.

## Topology

The topic of the Feb. 14 lecture is topology, which is Dr. Bean's principal research interest.

## Lecture Series

The lecture series, part of a nationwide lectureship program, has a three-fold purpose: to strengthen and stimulate the mathematics program of colleges and universities, to provide the mathematics staff and mathematics majors with an opportunity for personal contacts with productive and creative mathematicians, and to aid in the

motivation of able college students to consider careers in mathematics and the teaching of mathematics.

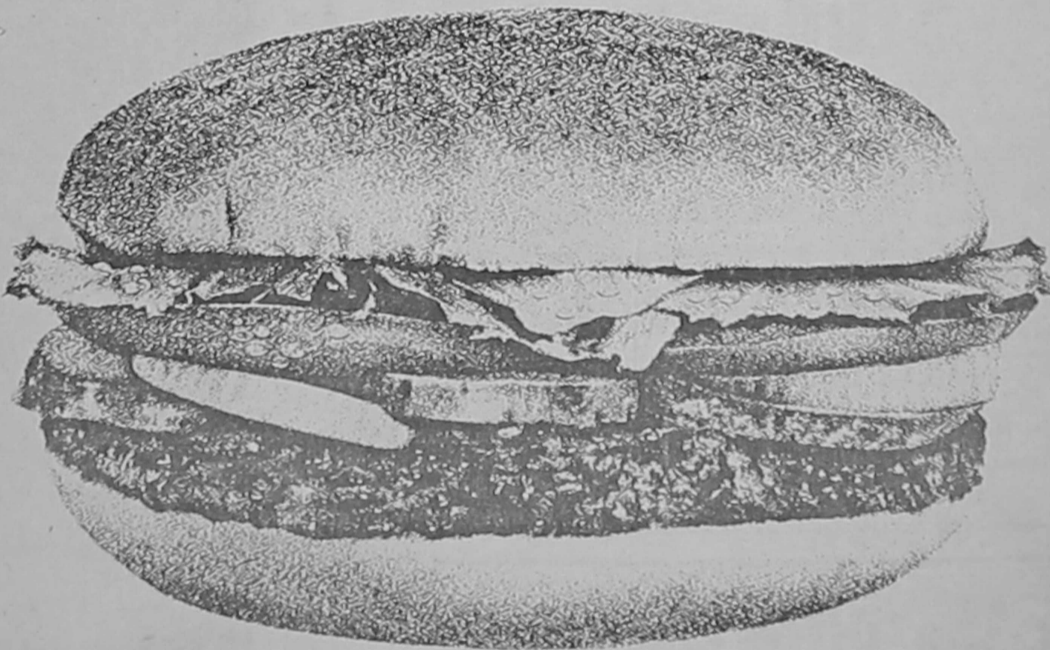

## Graduate

Dr. Bean is a graduate of the

University of Pittsburgh and received his Ph. D. from the University of Maryland. He taught for three years at the University of Wisconsin before moving to Tennessee.

In addition to the lectures, Dr. Bean will be the guest of honor at a party at the home of Dr. Robert Moore, associate professor of mathematics at VSC, on 13th.
